From Fr. Prabhakar's Desk

I am happy to introduce myself to you. I am Fr. Singareddy Prabhakar Reddy and people call me Prabhakar [p r uh - bh ah - k uh r], one of the Parochial Vicar in our Pastorate 15. My parents are George Reddy and Thecla, and they were farmers. I was born on October 10, 1984. Studied in my local catholic school, in my mother tongue. I joined seminary after 12th grade and Ordained on April 19, 2012. We are two brothers, I'm the younger one. my brother is married and has two sons. At the age of 6 my mother (October 21, 1990) passed away with Tuberculosis. By the force of grandparents my father got married to take care of us. Her name is Maria Sushila. She brought us up, but I lost her on October 14, 2021, at the age of 58.

As a priest, ten years I have served as Parochial vicar, pastor, principal my home diocese. In June 2022 I came to the USA for the first time to work in the diocese of Madison. From then till June last, I had been working as the parochial administrator of St. Stephen's catholic church, Clinton, Wisconsin.

I always thank God for giving me this beautiful gift of priesthood, protecting, and guiding for the last 12 years of my priestly life. Still, I remember in my childhood priests coming from Europe to India as missionaries, we use to call them white priests. But now I am coming from India to USA as missionary priest reminds me the words of Isaiah 55:8 "For my thoughts are not your thoughts, nor are your ways my ways, says the LORD." I strongly believe that God planned my better future.

I always love to be with people and work with people. As we go forward we will get to know each other better.

The priest is given a sacred power to serve God's people, to lead them to union with God. He does this principally by teaching the people, shepherding them through leadership, offering pastoral care and spiritual guidance and sanctifying them through the Sacraments. So, **Always pray for priests.**

Fr. Prabhakar Reddy
