Faith Formation

St. Pius X Lenten Mission

Join us on for our Parish Lenten Mission **March 18, 19, 20 at 6:30 PM**. Our mission will be focused on elements of our Easter Vigil.

- On **Tuesday March 18**, our very own **Rob McBride** will discuss Scripture elements of the Easter Vigil. There are at least 3 Old Testament readings and two New Testament readings at the Easter Vigil. The Liturgy of the Word also includes Psalm responses to the readings chosen. Come and be part of the discussion of Salvation History through the Scriptures.
- On **Wednesday, March 19**, **Deacon Chris Morash** will be drawing us into the music of the Vigil and in particular, the Exsultet. During the Exsultet, the Church is invited to Exult, Be Glad and Rejoice!.
- On **Thursday, March 20**, we will discuss initiation into the Life of Christ and what we, the Baptized, are sent to proclaim.

So lets enter fully into the Easter Vigil with an enhanced understanding of this beautiful feast in our Church.

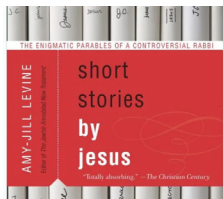

Children's Explorers Ministry

We can't wait to welcome your children!

Short Stories By Jesus - A Bible Study

**SPX MEN'S CLUB
BIBLE STUDY**
SUNDAYS AT 9:15 AM
ST. PIUS X CATHOLIC CHURCH SCHOOL LIBRARY
<https://spxnorfolk.org/small-groups>

Jesus was a perceptive teacher and a skilled storyteller who often used parables to convey His Message and teachings in a way that resonated with the people of His time. Because life in first-century Israel was so different from life as we know it today, it is important to understand the context in which Jesus and His disciples lived and worked. In Amy-Jill Levine's book, *Short Stories by Jesus*, this context is explored through parables like The Good Samaritan, The Mustard Seed, The Rich Man and Lazarus, and many more.

Amy-Jill Levine is a Professor of New Testament and Jewish Studies at Hartford International University, Professor of Jewish Studies Emerita at Vanderbilt University, and the first Jewish person to teach on the New Testament at Rome's Pontifical Biblical Institute. Her understanding of Scripture and Jewish culture enlivens the Scriptures and brings the themes and nuances of Jesus' teachings into the present day.

No registration is required, and all are welcome to attend our weekly meetings beginning on **Sunday, March 16th in the School Library from 9:15 a.m. – 10:15 a.m.**

Looking at Jesus

In today's Gospel reading Jesus took three of His apostles up a mountain where they saw Him shining like the sun and talking with Moses and Elijah. They were talking about how Jesus was going to go to Jerusalem and be killed. The apostles were amazed and confused.

Jesus let the apostles see Him in glory to help them to understand why He had to suffer and die. We won't see Jesus in His glory until we see Him in Heaven, but it is good for us to think about the things that He and Moses and Elijah were talking about.

Look at a crucifix or picture of Jesus on the cross every day. Think about how much He loves you, and think about how you act toward Him. What can you do to love Him better? Lent is a good time to try to find ways to love Jesus more.
