Saint Wendelin School is proud of the Safe Environment we promote. As a Diocese of Pittsburgh School, we must follow all of the parent, teacher, and student guidelines to keep our school safe. Many parents volunteer hours at the school to help with lunch, recess, and teacher aides. We would like to continue having parents help at the school in many different capacities because we do really appreciate it! In order to volunteer at the school, please be sure to check that the following clearances are updated and that you are entered into the Diocese of Pittsburgh Data Base.

In addition, all of our parents are asked to attend a Protecting God's Children Workshop, and to provide me with a copy of the certificate earned. As of July 2016, volunteers need to complete the 126 Mandated Reporting Seminar, and to provide me a copy of the certificate earned.
