Dear Brothers and Sisters in Christ:

Next weekend, our diocese will have a second collection for the Catholic Campaign for Human Development (CCHD). For more than 50 years the CCHD has helped bring change to communities across the country and empower those living in poverty to transform their communities into reflections of the Kingdom of God.

Along with making a national impact, 25 percent of the funds collected next weekend, Nov. 11-12, will stay in the Diocese of Palm Beach and directly aid people living in poverty. Working with Catholic Charities, funds are made available for local efforts that energize and inspire residents to become decision makers to renew their communities and make housing, jobs, education, and other opportunities and services responsive to the needs of low-income people.

With more than 260,000 individuals in our diocese and 38 million nationwide living in poverty, your support of this important collection is vital to helping create meaningful change. Your spiritual and financial support of the CCHD is an act of solidarity with our brothers and sisters in need. I thank you in advance for giving this collection your thoughtful consideration.

With gratitude for your continued generosity and with every prayerful wish, I am

Sincerely yours in Christ,

Most Reverend Gerald M. Barbarito
Bishop of Palm Beach

Our Catechism teaches us that the use of the death penalty is only allowed in those cases where non-lethal means are insufficient to defend and protect peoples' safety from an aggressor. In this case, the death penalty would be allowed but according to Pope St. John Paul II, "this is very rare and practically non-existent." In our state, juries can choose life without parole for convicted killers and this has worked well. They are locked up for life, none has escaped a severe punishment, and society is well protected.

Given the development of the doctrine involving the death penalty, in August 2018, Pope Francis revised the instruction concerning the execution of human beings in stating: "the death penalty is inadmissible because it is an attack on the inviolability and dignity of the person", and furthermore called for the Church to work with determination for its abolition worldwide.

Please light a candle on Nov. 30 , at 5:00 PM for those being executed, the victim's families, and to end the death penalty.

November 9th is the Feast of the Dedication of the Basilica of St. John Lateran.

Why is Lateran Basilica important? The Lateran Basilica is the cathedral church of the Diocese of Rome and the official ecclesiastical seat of the Bishop of Rome, who is the Pope. One might assume that St. Peter's Basilica held that honor, but no.

In each diocese, the dedication anniversary of the local cathedral is observed throughout the diocese as a feast day. The universal Church celebrates the dedication anniversary of St. John Lateran as a feast day, the cathedral of Rome, to which all local Churches are united.

After the first centuries of persecution by state power, the Church gained the freedom to organize her life in the fourth century. From that time onward for a millennium, the Bishop of Rome had his residence at the “Lateran Palace” and his cathedral church was part of that complex. We know it as St. John Lateran, but it was originally dedicated in 324 and dedicated to Christ the Savior. Centuries later two additional patrons were added, St. John the Baptist and St. John the Evangelist.

The façade inscription (in Latin) dedicates the church to “Christ the Savior in honor of Saints John the Baptist and the Evangelist.” Its official title is a mouthful: “The Papal Archbasilica of the Most Holy Savior and Saints John the Baptist and John the Evangelist at the Lateran.” More to the point, on the entrance to its portico are inscribed the words, **“Mother and Head of all the Churches in the City and the World.”**

After the Avignon exile in the 14th century, when the pope returned to Rome he did not live at the Lateran, which had been damaged by two fires in the interim. He eventually settled at the Vatican, where the pope has lived ever since. However, despite the grandeur of the new St. Peter's, built in the 16th century, the pope never shifted his cathedral, which remains his cathedral church. Hence it is called an “archbasilica,” while St. Peter's is a mere “basilica.”

The Lateran has been the residence of the papacy for centuries longer than the Vatican has. For example, five ecumenical councils have been held at the Lateran, while only two councils have been held at the Vatican. *National Catholic Register - Nov. 9, 2020*

PLANIFICACION NATURAL DE LA FAMILIA

¿Por qué usar un método natural para planificar la familia?

Entre otros motivos...

- *Fortalece la unión matrimonial.
- *Fomenta respeto hacia su cónyuge.
- *Incrementa la fe y la confianza en Dios.
- *Aumenta el deseo de seguir el plan de Dios para el matrimonio.
- *Evita los efectos secundarios de los anticonceptivos que dañan la salud.
- *Aumenta el conocimiento personal y respeto hacia las funciones naturales del aparato reproductor femenino y masculino.
- *Los métodos naturales utilizan los signos de fertilidad de la mujer y tienen un 99% de efectividad.

“Dios bendice a los matrimonios que siguen Su plan”

Muchas parejas alrededor del mundo están eligiendo los métodos naturales por ser más saludables, por sus cualidades de fortalecimiento matrimonial y por su efectividad para elegir o posponer un embarazo.
