

Downingtown Area School District Transportation Department
540 Trestle Place
Downingtown, PA 19335
610-269-8460 Option 1
Schoolbus@dasd.org

The District will comply with the provisions of Act 372 of 1972 that established the requirements for the public school systems to transport non-public school students. Parents of resident non-public school students who require transportation services will submit an Act 372 form to the Transportation Department annually. Non-public school transportation will be provided only to state certified, non-profit, private schools that provide evidence of such certification to the District. Non-public students residing outside the District are not permitted to ride District operated buses.

We will require one form for each child requiring transportation. You can access the form by visiting www.dasd.org under the Transportation Department. Your child **WILL NOT** be scheduled for transportation if a completed form is not submitted to the Downingtown Area School District Transportation Department. Forms must be submitted no later than July 1st of every school year in order to receive busing the first week of school. If your busing needs change or your address information changes please fill out another form and submit it to us ASAP. Thank you very much for your cooperation in this matter.

Respectfully,
DASD Transportation Department
