THANKS!

To the very generous donor or donors that recognized the needs of the poor and donated funds to buy shoes, clothing and a meal for children of migrant families and their parents. Thanks also to all who showed them the true meaning of Christmas by helping with setting up, cooking, serving, cleaning, the posada, the songs and music, the piñata, the distribution of gifts and the warmth and smiles that were offered. These families extend blessings thanks to all of you.

Juanita Hernandez

BASKET PROJECT 52 — Thanks to all who donate to this cause periodically. Because of the drought, many families are going through hard times and have limited the work available.

Please donate when you can. Food is picked up by Catholic Charities or sometimes distributed to people that come to the church seeking help.
