THIRD SUNDAY OF EASTER

APRIL 18, 2021

FROM FR. MICHAEL
The Eucharist

The bread and wine become the Body and Blood of Christ at the celebration of Mass. The way in which they are produced means that the bread and wine are also symbols of the unity of the believers who partake of them. This is explained in one of the most ancient Christian texts, the Didache, or "Teaching of the Lord to the Gentiles," which dates to the end of the first century A.D.: "Even as this bread which we break was once scattered through the hills and has been gathered and molded into one, may thy Church be gathered together from the ends of the earth in thy Kingdom! For thine is the glory and the power for ever and ever." The same can be said for the multitude of grapes: pressed together, they become one single wine. Thus, the faithful who break the bread and drink the cup of salvation, who, in other words, eat the body of Christ and drink his blood, grow up into adult members of the Mystical Body of Christ, which is his Church.

Questions of the Week:

Adults: What questions about Jesus still arise?

Children: What question would I ask someone about Jesus appearing to the Apostles?

3RD SUNDAY OF EASTER

He said to them, "These are my words that I spoke to you while I was still with you, that everything written about me in the law of Moses and in the prophets and psalms must be fulfilled ... You are witnesses of these things." - Lk 24:44, 48

A special thank you to our teachers, parents and students this year. Religious Education took on a whole new form, with parents taking the leading role in teaching their children about our faith. It was a learning experience for all of us but we were able to persevere and adapt to the new normal. As we close the books on this year, again, THANK YOU and GOD BLESS ALL OF YOU.

From the Catholic bishops of the border between the U.S. and Mexico:

"As U.S. and Mexican bishops along the border, we witness daily the dilemma that our migrant sisters and brothers face. For most, the decision to migrate is not motivated by an indifference toward their homeland or the pursuit of economic prosperity; it is a matter of life or death. The situation is all the more difficult for children."

"Challenges such as these require humanitarian solutions. Undoubtedly, nations have the right to maintain their borders. This is vital to their sovereignty and self-determination. At the same time, there is a shared responsibility of all nations to preserve human life and provide for safe, orderly, and humane immigration, including the right to asylum."

Saint George

Saint George, also George of Lydda, was a Christian who is accepted as a saint in Christianity. According to traditional rumors, he was a soldier in the Roman army. His parents were Christians of Greek origin. His father, Geron-tius, was a Cappadocian serving in the Roman army. His mother, Polychronia, was a Christian from the city of Lod in Palestine. Saint George was a soldier of Cappadocian Greek origins, member of the Praetorian Guard for Roman emperor Diocletian, who was sentenced to death for refusing to recant his Christian faith. He became one of the most venerated saints and megalomartyrs in Christianity, and he has been especially venerated as a military saint since the Crusades
