

WILL YOU BE THE LUCKY DUCK TO WIN \$10,000?
**AND A CHANCE AT
\$1 MILLION!**

Dear Difference Makers,

Long before I was Dr. Pamela Malone – before I earned degrees, before I became a professor, before I had the privilege of serving as Advisory Council President for Catholic Charities Terre Haute – I was simply a kid looking for a place to belong.

For me, that place was Ryves Youth Center,

Ryves was much more than an after-school program. It was where I found mentors who believed in me, meals prepared with love, encouragement when life was hard and opportunities that helped me see a future bigger than my circumstances.

When I became a mother shortly after turning 16, life became even more challenging. But the lessons I learned during that time stayed with me. Catholic Charities didn't just help me through a season of life. It helped shape the woman, mother, professional and community leader that young girl would become.

As an adult, I've had the privilege of bringing my own children back to volunteer and experience the same spirit of compassion that played such a large role in my life. That is the power of investing in a child, a family, a neighbor – the impact doesn't end in one moment – it can ripple across generations.

A teenage Pamela and her young son wait in line for dinner at Fishes & Loaves Soup Kitchen located in Ryves Youth Center.

That's why the Wabash Valley Rubber Duck Regatta matters so much.

This event is more than a summer tradition. More than thousands of ducks racing down a slide. More than the chance for you to win \$10,000. It is one of the most important ways we fund the life-changing work of Catholic Charities – from youth development at Ryves, to shelter and stability at Bethany House Emergency Shelter, to food assistance for families in crisis from Terre Haute Catholic Charities Foodbank and to creating holiday joy through the Christmas Store – the Wabash Valley Rubber Duck Regatta is our largest fundraiser.

G_k jgtgle npmmd md uf_ra_l f_nncl,

When you adopt a duck, you're not only entering to win \$10,000. You are choosing to support neighbors and more than 100 community partners across our seven county service area. You are helping to write the next success story. Your duck MIGHT be lucky, but it is guaranteed to be a tangible blessing to those we serve.

Please adopt your duck today and join us on July 4 as we continue changing lives – **one duck, one family, one future at a time.**
