

Diocese of San Angelo Sacramental Records Request Form

Prior to requesting a certificate from the diocese, the parish where the person received the sacrament should be contacted for a certificate. Parish phone numbers and email addresses are available on this website.

Please Note: Only those requests that meet the following criteria will be processed.

- 1. Certificates are only available for sacraments received at one of the parishes located in the Diocese of San Angelo.
- 2. All requests and/or pickup of the documents must be made by the person who received the sacrament or by the parent (guardian) of the person who received the sacrament; no exceptions!
- 3. You will be notified when the certificate is ready for pickup, either by email or phone, so please reply.
- 4. The certificate must be picked up by the person making the request, and must present a government issued photo identification before the record can be released.

Please submit the following information for requesting Sacramental records. "**Required**" fields must have information in them to process your request.
