Weekly Reflection ~ November 15
33rd Sunday in Ordinary Time

"We need to be observant and read the signs of our times. However, tomorrows possibilities should not so disturb us that we fail to tend to the realities facing us now. Consider how much time you spend worrying about the future. Reflect on your past. Did such worrying bring any benefit? Ask the Spirit to help you see what needs to be done now and trust the future to God. "

"I set the Lord ever before me; with him at my right hand I shall not be disturbed."
