## Weekly Reflection ~ July 16 15th Sunday in Ordinary Time

*No farmer in his right mind would just scatter seed everywhere. He would make sure the soil was good and would provide the seed with every chance to grow. But that is not how God works. God gives his grace freely to everyone. We don't earn it. We may not even be ready to receive it, but it is given to us anyway. If God is so generous with us, what does that say about how we should treat*

*"(My word) I shall not return to me void, but shall do my will, achieving the end for which I sent it."*
