The Significance & Science of Our Lady of Guadalupe

10 AM SATURDAY, OCTOBER 21, 2023
SAINT PATRICK CATHOLIC CHURCH
FREDERICKSBURG, VA
IN THE PARISH HALL BUILDING B

Our Lady of Guadalupe is the title given to the Blessed Virgin Mary following her appearance to Juan Diego, a Mexican farmer, in the hills above Mexico City in 1531. But how can we be so sure about something that occurred so long ago in such an out-of-the-way place?

The answer is truly astounding!

This multimedia presentation covers the history of the apparitions but, more importantly, examines scientific studies of an amazing relic of the event which survives to this day. The cloak of Juan Diego, made from coarse cactus fibers, miraculously bears a detailed, full-color image of the Virgin Mary that has persisted for nearly 500 years without any signs of deterioration.

Attendees will learn about the amazing results of modern scientific analysis that has been performed on this cloak.

Presentation by Steve Hemler and Tony Gibert of the Catholic Apologetics Institute of North America

Kids Corner

Prayer

God, help me to be ready when you ask me to work for you.

Mission for the Week

Say a special prayer for each person in your family.. Thank God for them.

Sharing the Gospel

Whether you work for God your whole life, or whether you just got started, God will reward you in heaven. God doesn't want you to compare yourself with other people. God just wants you to love him with your whole heart.
