FAITH IN ACTION

LIFE

History of the Silver Rose

"Our Lady of Guadalupe did so much for her people in Mexico that, in 1960, the Columbian Squires, a youth organization of the Knights of Columbus, wanted to give something back to her. The group of young men in Knights of Columbus Council 2312 in Monterrey, Mexico, came up with the idea of running a rose to the Basilica of Our Lady of Guadalupe in Monterrey, Mexico. The rose was chosen to commemorate Juan Diego and the miracle of the roses, an important part of the story of Our Lady of Guadalupe. The first rose was a natural rose and was blessed by Bishop John C. Cody of London. It was then flown to New York where it was shepherded to Dallas, Texas. There it was taken to Laredo, Texas, where it was finally given to the Squires from Monterrey, Mexico, at the International Bridge in Laredo. They ran the rose from the International Bridge through Sabinas Hidalgo N.L., Mexico, to Cienega de Flores and on to the Basilica in Monterrey, Mexico, on December 12, 1960. The Squires were so enthused by the success of this effort that they wanted to invite other Squires from around the world to participate. They called on Squires from Texas and Ontario to join them. The Canadian Squires asked that the journey of the rose begin in their home and move from there through the United States, finishing at the Basilica in Mexico. After a year, the first rose had decomposed, so a group decided to make a bronze rose that would not age. When the Squires of Circle 660 in Monterrey heard of the bronze rose, they decided to make a similar rose. Silver was chosen for this new rose because it is a precious metal of Mexico. After 1961, the program was conducted by the Knights of Texas and Mexico and the Our Lady of Guadalupe Province of the Fourth Degree until the mid-1990s, when it was adopted as a Knights of Columbus Supreme Council program. In 2001, Supreme Knight Carl Anderson expanded the Silver Rose program further. "[This is] a perfect program for the Knights of Columbus," said Mr. Anderson. "Through it we honor not only Our Lady of Guadalupe and express the unity of the Order, but we also reaffirm the Order's dedication to the sanctity of human life. It is to the Blessed Mother that we turn in prayer as we work to end the Culture of Death that grips our society. As we think in terms of 'One Life, One Rose,' it is most appropriate that we turn to Our Lady of Guadalupe who made known her will through Juan Diego and the miracle of the roses." Today, eight roses run along different North American routes that include Canada, every U.S. state, Puerto Rico, the District of Columbia, and Mexico. This tradition spreads devotion to Our Lady of Guadalupe and embodies international brotherhood as jointly nurtured across the continent. The Virginia State council has bought replicas of the actual roses that run throughout the country. This allows for each council to have an opportunity to join in the celebration of the sanctity of life and honor Our Lady of Guadalupe."

Dear God, help me always to remember that it is your power that turns people's lives around. Amen.

Mission for the Week

Choose one friend you know who needs to hear about God's love. Ask your parents if you could offer a ride to that friend, and invite him or her to church with you.

Sharing the Gospel

In today's Gospel reading, Jesus prepared his disciples for a mission trip, where they would help the people in area towns and teach them about God. Before they left, Jesus asked his disciples to travel light—they were to bring no food or clothes or money. They could not survive without God's help. Jesus also asked them to heal people. They could not heal without God's power, either. God provided everything they needed for their mission trip.
