HOW MUCH SHOULD I CONTRIBUTE WEEKLY?

Think about some of your routine expenses and compare that number with what you now give in support of the parish. What could you sacrifice in order to make a generous commitment? Remember, a \$20 per week commitment to the parish comes to about \$2.85 a day!

We first came to know Sister Frances in 1974, when she and my Aunt Pat were 5th grade teachers at St. Monica School in South Philadelphia. At that time, the Immaculate Heart of Mary (IHM) Sisters did not yet go by their given names, but by the religious name they chose when entering the community. Sister Frances had chosen the name Sister Louis Marie, so we all knew her simply as Sister Louis.

Over time, Sister Louis became more than just Aunt Pat's teaching grade partner —she became part of our family. She joined us for the holidays and spent a few days each summer with us at our summer home in Ocean City, New Jersey. She especially loved the annual sand sculpting contest, where she once prayed and cheered us on to win a blue ribbon for our alligator creation!

When Sister Louis passed away in 1994 at just 56, it was a heartfelt loss for all who loved her. Her life was filled with hope and joy. We remember her warmth, laughter, and the happiness she brought to our family, especially during those special summers at the shore.

About 23 years ago, when I first came back to church after being away for about 30 years, my sister, Sister Elizabeth Mortell, that told me to pray to St. Anthony to find a parking space. I had just been laid off from my day job and could only find a night job in computers, in downtown Boston. I told her the only problem was that I had to drive around for hours looking for a parking space. She told me to pray to St. Anthony to find a parking space. I was convinced nothing was going to happen, but I prayed anyway. I found parking spaces night after night after just a short while of looking for one. A voice in my head told me to go back to church, and I said I will go just once, because I never felt welcomed there. I never stopped going to church and 23 years later I'm more involved with the church than I ever could have imagined. God is good.
