INCREASED OFFERTORY PROGRAM

Newsletter #3

September 28, 2025

NEXT WEEK IS COMMITMENT WEEKEND !

Next week is *"Commitment Weekend"* for all parishioners of St. Mary of the Assumption Parish. As a response to the call for increased offertory giving, all parishioners are asked to return their completed Commitment Forms next weekend by placing them in the offertory collection basket. If you will be out of town or unable to attend Mass, please drop the form off at the parish office or mail it directly to the Parish Office at 10 Summer Street, Cohasset, MA 02025.

During the past two weeks, we have spoken about our *"Increased Offertory Program"* and how you can participate. In addition, a special brochure has been mailed to every home along with a Commitment Form and a pre-addressed return envelope. Please complete the form, insert it in the return envelope, and place it in the collection basket next weekend. Again, you can mail the form or drop it off at the Parish Office.

In order to increase the offertory collection and help us meet escalating costs, please consider a commitment plan that is best suited to your own particular financial situation - one that is comfortable for you and will allow the St. Mary of the Assumption Parish to accurately plan for the future.

PLEASE CONSIDER YOUR COMMITMENT PRAYERFULLY AND CAREFULLY

While every family will not have the financial ability to make the same commitment, everyone is asked to do the best they can. We realize that every commitment is a true sacrificial gift to God. We can never outdo God's generosity, and this is our opportunity to say, "Thank you, Lord, for every blessing we have received."

JUBILEE OF CONSECRATED LIFE October 11-12

Has a religious brother or sister made a difference in your life?

Many forms of consecrated life exist in the Catholic Church. Those in consecrated life deepen their baptism by making three vows - poverty, chastity, and obedience. The most common form is religious life: religious brothers (sometimes referred to as monks or friars) and religious sisters (sometimes referred to as nuns).

Other forms of consecrated life in the Catholic Church include the eremitical life, secular institutes, societies of apostolic life, and consecrated virgins and widows.

Has a religious brother or sister made a difference in your life? Tell us about him or her! Send their name and a brief story or remembrance to Fr. Scott. Bonus points if you have a picture of them that you can share!

Twenty-sixth Sunday in Ordinary Time

THE
FAITHFUL
DISCIPLE

GROW AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE

Have you ever had a moment when you felt yourself to be the underdog, and wished that there were some champion who would come and defend your cause? Today, we see God described in those terms. Our psalm tells us that the Lord “raises up those who are bowed down,” that he “protects strangers,” and “the fatherless and the widow he sustains.” But God doesn’t stop there. He wants *us* to become champions for the poor. Notice that our Gospel reading depicts the poor man named Lazarus in such a way that we cannot help but feel compassion for him. Here is a man who is in dire need, covered in sores, right outside the door of a rich man who has more than enough to provide for his own needs and those of Lazarus – but does nothing to help him. In fact, the rich man’s *dog* shows more compassion toward Lazarus (by licking his sores) than the rich man! The story is meant to prick our consciences and move us to have the same kind of response that God has – of compassion – leading us to become champions for those in need.

SERVE

One of the ways we can fight against complacency is to engage in service. Check your parish or local charitable organizations for opportunities to serve those in need in your community. No matter what kind of service you choose to engage in, do everything with “love, patience, and gentleness,” as Paul reminds us today. Then we will be models of God’s own care for the poor.

GO EVANGELIZE

PRAYER, INVITATION, WITNESS, ACCOMPANIMENT

Throughout our history, the Church has been particularly effective at spreading the faith during those times when we’ve put care for the poor and vulnerable at the center of our action. Before the advancements of modern medicine, members of the early Church risked their lives to care for those sick with contagious diseases. Their selfless example led many to faith in Christ. While our situation is much different today, we are called at the beginning of the first reading to not be complacent in our efforts to care for the poor. As we serve those most in need, our witness will likewise draw others to seek to know and follow the God of compassion whom we serve.
