SAINTS OF THE MONTH: ST ALOYSIUS GONZAGA JUNE 21

St. Aloysius was the son of a princely family where he grew up in royal courts and army camps of sixteenth century Renaissance in Florence, Italy. His father wanted him to become a military hero. However, from an early age, St. Aloysius was devoted to prayer, the Office of Mary and the psalms. By age 11, he was a catechist teaching poor children, fasting 3 days a week and doing penance. And the more he saw of court life, the more disillusioned he became. Instead, he sought to learn more about the lives of saints. At age 19, he became a Jesuit priest in Rome, renouncing his right to royal succession.

When a plague struck Rome in 1591, the Jesuits opened a hospital there. Because St. Aloysius nursed infected patients and bathed them, he caught the disease. While still maintaining great discipline in prayer, he died at the age of 23.

WEEKLY MESSAGE FROM DEACON ROB ON THE SUNDAY READINGS

Today and next Sunday, Christians celebrate two solemnities that have served as a source of division for a Church that Jesus desired to be one – the Feast of the Most Holy Trinity and Corpus Christi. It is not surprising that the confusion around these dogmas exist because they reflect the Mystery of God, Himself, that is beyond finite comprehension. Tomes have been written about each of these solemnities

and, still, our understanding of them falls short. Nevertheless, it is imperative to our faith that some degree of understanding be reached in order that we, as members of the Divine Family, function in a manner worthy of sons and daughters of God through our baptism and union with the Trinity. To begin to understand, requires us to reflect upon what God has revealed to us – God is Love. This statement by St. John falls short in our modern world because we have confused, abused, perverted and twisted the very meaning of the word. The word has been overused and under-rated by modern society. We “love” our work, family, friends, foods, pets, colors and a plethora of other items. In doing so, we have lost the true meaning of the word that reflects the Divine – Agape or Sacrificial Love. It is this type of “love” that produces and generates life and is responsible for the creation of the universe. It is this type of love that is the essence of the Trinity, the solemnity celebrated today. It is this type of “love” that is the foundation of society and the origin of family in marriage, the sacrament of love. It is this very sacrament that is the model of the Divine. Once we have perverted its definition to reflect our own desires and will, we can lose sight of God and even deny His existence. If we deny His existence, it then follows, that we deny the very essence that produces the effects we desire – love. Therefore, looking at these two solemnities closely will give us an opportunity to reassert and refocus our attention upon Him who is the foundation and source of all life.

The solemnity of the Most Holy Trinity celebrates a dogma of the Church that was frequently attacked. Professing a belief in one God, early Christians were confronted with many heresies that thought a Trinitarian belief was contrary to the Faith. Most prominently asserting this was the Arian heresy in the 4th century. Church Fathers struggled to clarify this tenet by affirming that there was only one God with three Divine Persons. The question of the Divine Union was finally affirmed at Church Councils summoned by the Roman emperors to help quell the unrest the question created. Today, using Sacred Scripture, Church Fathers, guided by the Holy Spirit, were able to reveal this mystery about God’s nature. Today, that solution is professed every time we recite the Nicæan Creed at the Celebration of the Sacred Mysteries. Succinctly and only

partially reasoned, the Father’s love for the Son, the Word, through the Holy Spirit began creation as described in the Book of Genesis. All life, through love, was generated for Him. He, Jesus, is the King of All. As the prologue to the Gospel by John says, “...All things came into being through him, and without him not one thing came into being.” Thus, in the beginning the Word existed with God and, as revealed in

this Gospel, was the source of all life. Furthermore, Church Fathers saw the role of the Holy Spirit, Christ’s promised Advocate, throughout Sacred Scripture slowly unveiling the Trinitarian existence and nature of God. Finally, Jesus’ command to His disciples to go forth and baptize all nations in the name of the Father, Son and Holy Spirit affirmed this unique Trinitarian mystery of God.

This unique belief in one God in three natures or persons set the stage for the revelation of other mysteries revealed in the sacraments. Most importantly, is the sacrament of Matrimony – the sacrament that best reflects this Divine Union. Through the guidance of the Holy Spirit, Holy Mother the Church teaches that this sacrament reflects that same union on the mortal scale. Like the Divine, two individuals come together in love and generate a new creation reflecting the Divine. This is the theology behind marriage and why the new twisted definition by the world is rejected by the Church. The Sacred Icon has been obscured so as to reject the self-sacrificial union that is capable of generating new life for an image of self-gratification with the absence of life-generating possibilities. It has always been the Divine Will as reflected in the Trinity, to give, sacrifice and produce life through agape love. Thus, God has handed mankind an icon of Himself in order that mankind can continue in the Divine image in which he was made.

Thus, today’s solemnity exists to remind us of God’s desire to be one with his creation. He has revealed, to the extent that our minds can understand, His own unique Being reflected through the icon He has bestowed upon us. Holy Mother the Church desires us to open our minds to this mystery and the icon God has given us. She calls us to celebrate on this solemnity the Maker’s desire to be one with all. Next week’s celebration of Corpus Christi will reflect this same agape love and this same Divine desire reflected through another Divinely bestowed sacrament – Corpus Christi.
