## Child Care Access & Financial Assistance Available for Essential Workers

We have two resources for essential workers (as defined in Executive Order 121) who are in need of emergency childcare.

1. We partnered with the NC Child Care Resource & Referral network to launch a hotline, 1-888-600-1685, to connect families with childcare programs that have agreed to meet updated health, safety and operational guidelines.
2. For those essential workers who need it, financial assistance for emergency childcare is available.
