Easter

✦ March 27, 2016 ✦

Acts 10:34a, 37–43 ✦ Col 3:1–4 or 1 Cor 5:6b–8 ✦ Jn 20:1–9 or Lk 24:1–12

My daughter was about four when we went to the local department store to do some shopping. I was looking over some item when I turned and realized that she wasn't beside me. It was not like her to wander away, and I spent a frantic fifteen minutes before I located her sitting on the floor playing with a doll from a display. I was at once relieved and angry, but more scared than anything else. What if something had happened?

When Mary Magdalene went to the tomb that early Sunday morning, she expected to find Jesus' body and mourn the loss of this man whom they all loved. Not finding him where she expected was an utter shock. I can only imagine there was some fear and anger: "Who took him? Where did he go? How could someone do this?" Her words tumbled out to Peter and the disciple Jesus loved. They, too, were astounded to find his burial cloth and though they believed, they did not understand what the empty tomb signified.

I can also imagine what they felt when they finally saw Jesus—surely relief and wonder, but there may have been a little anger that he had left them and fear for all that meant. Maybe that's how God feels about us when we wander away. We were lost, and God sent the prophets first and then his only Son to find us and lead us home. Out of love, Jesus gave his life and conquered death itself. In this Easter season, let us take great care neither to wander away nor to lose sight of the Lord. He is the source of our life. We belong to him.

A Word From Pope Francis

"[God] does not like to lose what is his, and in order not to lose it, he goes out from himself, and … searches for all those who are far from him… And how does he search? He searches to the very end."

"ON CALL" PRIEST available 24 HOURS in Sault Ste. Marie

A process has been set up with the Sault Hospital, Arch and the Nursing Homes in the city that a priest will be available 24 hours for emergencies. This process is as follows, when a priest is required in an EMERGENCY situation, the Chaplain or Nursing Home Coordinator will try to contact the person's parish priest; if he is not available; then they will contact the priest "ON CALL". This process should alleviate family members from trying to obtain a priest to anoint their loved one. Please consult with the hospital Chaplain or Nursing Home coordinator in times of emergency.

Hope is a word that means
more than wishful thinking.
Hope is everlasting!
It will not die at times of trouble,
but hold us strong to a belief
that something better will come along.
Easter is such a time of hope.
People gathering together to remember
the life, death and resurrection of one innocent person
can bring new hope to all others.

Mercy is the willingness
to enter the chaos of another human being.
God came as one of u
s to enter into our chaotic world only to redeem and save it.
This Jubilee year of mercy set out by Pope Francis,
calls us to a new hope, a renewed faith
and a steadfast love
that the Father can only give.

On behalf of the staff, Finance Committee and Parish Council
May the mercy of God lead our hearts to joy this Easter season.
