## God's Lessons of Love

**T**he readings today are all about love. The first reading tells us *who* we should love; the Gospel tells us *how* we should love. We know that it is not difficult to love those who love us, who are kind and generous to us, who make us feel that we are important. The reading from Exodus moves us in a different direction. We are to love the alien, the widow, the orphan, and the poor neighbor. In a patriarchal society, such as was ancient Israel, aliens, widows, and orphans were the ultimate outsiders. They had no male relative through whom they would benefit from the kinship structure. While the neighbor might be of the same tribe or clan, it is the poor neighbor who was to be loved, the one who might be a drag on one's life and resources.

In other words, we are to love the ones who cannot

promise to make our lives more comfortable or enjoyable. In fact, the point of loving them is to make *their* lives more comfortable and enjoyable.

How are we to love them? The Gospel reading offers two different answers that are really very much alike. We are to love God totally, with all our heart, all our soul, all our mind. We are to love others as we love ourselves, with all our heart, all our soul, all our mind. More practically, we must do for others what we would do for ourselves, for to love them is to love God.

**Development and  
Peace – FALL  
CAMPAIGN:**

Dear confrères,

Recently, **Development and Peace-Caritas Canada** launched its fall campaign **Recovering Together**: to respond to the urgent needs of our sisters and brothers in the global south in the wake of COVID-19; to promote the “Just Recovery Principles;” and to educate about how their partners are responding to the pandemic.

As many of you did not have the opportunity to make your annual Share Lent donation on Solidarity Sunday in March, we are inviting you to make your donation to the Canadian Catholic Organization for Development and Peace - Caritas Canada.

Your generosity will support Development and Peace partners in developing local responses with their communities to:

- provide immediate aid and information on health and safety
- demand access to services,
- ensure that rights are respected,
- and to build resilience.

After discussing the campaign with the “**Diocesan Consultors and the Regional Chairs**” we recommend that you suggest to your parishioners who have not yet contributed to Share Lent to do so at this time. We invite them to use the Share Lent envelope in their donation package to that effect in order to make their offering to Development and Peace – Caritas Canada. It can be deposited in the collection basket. A donation may also be done on line at [www.devp.org](http://www.devp.org) and choose the “Give Now” tab.

Thanks for your cooperation in this very important campaign at this time of the in our history . For more information on this please consult

<https://www.devp.org/en>.

Yours in Christ,

Pax! jp

Prayer increases the strength and spiritual unity of the family, helping the family to partake of God's own strength. This visitation of the Holy Spirit gives rise to the inner strength of families, as well as the power capable of uniting them in love and truth.

**The Pregnancy Centre's annual Baby Bottle Campaign went virtual** this year!

Simply go to our website - [www.algomapregnancy.com](http://www.algomapregnancy.com) – and click on the Baby Bottle Campaign banner

on the home page to donate on-line with your credit card.

Or if you prefer, you can send a cheque in the mail to the Pregnancy Centre (177 McDougald Street, Sault Ste. Marie, ON P6A 3A9) just write “**baby bottle campaign**” at the bottom of your cheque. “It’s as easy as that! Every little bit helps, and it adds up to make a huge difference!”

Pregnancy can't be “paused”, so we are still working hard during the COVID19 pandemic to make sure much needed baby supplies are available for non-contact pick up in our front porch, and we are still providing clients emotional support over the phone and through e-mail. We want all of our clients to know that we are here for them and that they are not alone, even though it may feel that way right now.

Your support of our virtual Baby Bottle Campaign this year ensures that the Pregnancy Centre can continue serving clients throughout this pandemic – and beyond.

# BOOK OF THE DEAD

The month of November has been one where we remember those who have died. Each year we place the BOOK OF THE DEAD out on display, with names of those who were buried from our parish; as well as the names of parishioners loved ones who died during the year.

This year we are unable to display the book and inscribe names in it.

At each Saturday/Sunday Eucharistic celebrations during the month we will have a basket at the entrance of the church.

You can bring in pieces of papers with the name of your loved ones you want to remember. Place them in the basket. The basket will be placed at the foot of the altar at each mass. We will remember those loved ones in the Prayers of the Faithful.

*Suffering reminds us that faith's service to the common good is always one of hope—a hope which looks ever ahead in the knowledge that only from God, from the future which comes from the risen Jesus, can our society find solid and lasting foundations.*
