CHURCH OF THE HOLY FAMILY BEREAVEMENT SUPPORT GROUP

"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around."

~ Leo Buscaglia

Grief is the conflicting feeling caused by a change or an end in a familiar pattern or behavior; it is the normal and natural reaction to loss. Our Bereavement Support Group meets Tuesdays at 2:00 p.m. in the Parish Library. If you or someone you know is grieving, please join us. These meetings will be confidential and held in a safe environment.

RCIA is short for the "Rite of Christian Initiation of Adults." RCIA is the normative process where those who are interested in the Catholic Church have a time of teaching and discernment about a possible call to full participation in Catholicism.

RCIA is open to:

- Those adults who have not been baptized and are spiritually looking
- Those adults who have been baptized in a recognized non-Catholic Christian tradition
- Those adults who were baptized Catholic but have not celebrated Eucharist and Communion
- Those who just want to learn more about the Catholic Faith

Participating in RCIA does not mean that you **have** to become Catholic, but it does help you discern as to whether God is calling you to join the Catholic Faith.

Classes meet on Sundays at 9:30 a.m. in Room 147. Please contact Jeff Mingin in the Parish Office at 757-481-5702 if you are interested in learning more.

SPIRITUAL COMMUNION PRAYER:

My Jesus, I believe that You are truly present in the Most Blessed Sacrament. I love You above all things, and I desire to receive You within my soul. Since I am unable at this moment to receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there, and unite myself wholly to You. Never permit me to be separated from You. Amen.

“CREATION CARE CORNER”:

A citizen’s guide to reducing home energy waste recommends that the fastest, easiest, and cheapest way to shift towards a 100% renewable energy is first to reduce the total amount of energy we now use and waste by implementing these following steps:

- Make sure spaces such as basements, attics, and chimneys are well insulated. Insulation helps reduce the amount of energy required to maintain a comfortable temperature. The cost of insulating will be an investment for future savings.
- Caulking and weather stripping windows and doors are simple and effective sealing techniques to prevent air from escaping your home.
- Unplug chargers when they aren’t in use. Chargers continue to draw energy even when they aren’t connected to devices.
- Change lightbulbs to LEDs. LEDs use up to 15% less energy and last an average of 15,000 hours longer than CFLs.
- When washing clothes, consider cold washes. A washing machine spends 90% of its energy to heat water. Consider line drying if allowed by neighborhood regulations.
- When washing dishes in the dishwasher, skip heated dry and simply open the door at the end of washing to let dishes air dry.
- The average microwave uses more power displaying time in a year than it does heating food. Unplug the microwave when you are done using it or turn down its brightness setting.
- Fully power down your electronics when you are done using them. In a year, TVs, cable boxes, and video game consoles use more energy in stand-by mode than they do in active use.
- Increase energy savings by adjusting your thermostat, turning it to 78 degrees during the summer and 68 degrees in the winter.
- If possible, not driving your car just 2 days a week can reduce greenhouse gas emissions by an average of 2 tons per year.
- In most households, change the water heater temperature to 120 degrees, which is sufficient to heat water. In a typical U.S. home, 46% of energy used goes towards heating and cooling.

Take charge and become more energy efficient in your home! (The information in this article was taken from, *“It’s Time to Take Charge: A Citizen’s Guide to Reducing Energy Waste”* at www.environmentamericacenter.org)

Ed Marroni – Holy Family Environmental Ministry

**HOLY FAMILY TIME CAPSULE:**

We need your help. As part of our church renovation, we have the opportunity to include a time capsule that will be placed under the statue of the Holy Family in its niche. The concept of a time capsule is to capture items representative of what is going on around us when we set it in place (our church, our city, our state, our country, our world), to be opened at some time in the future.

We are looking for ideas of what to put into it. Some examples include: a COVID mask, a Ukrainian flag, a copy of our church bulletin, local newspaper, photos of the old church, a church finance report, something made by our children, items representative of our various ministries, etc. We’d like YOUR ideas of what to include – Father René will be the final arbiter, and we will let everyone know what finally goes into it. The size of the box is 13 3/4” long, 9.5” wide, 10 1/4” deep, so please keep that in mind.

If you have ideas, please send an email to broomejn@cox.net or jot them down on the list at the Welcome Table no later than July 10, 2022. Thanks in advance!

**50/50 DRAWING:**

The next 50/50 will begin the weekend of July 9/10 and will continue for the following three weekends with ticket sales ending on July 24.

There will be two winners this time. The first will be a donated \$50.00 Gift Card from Harris Teeter, and the second will be for the shared 50/50.

Remember, you **MUST** keep your ticket in order to claim your prize.

Thank you for participating and helping to pay for the new Altar at Holy Family. Good luck!

IGNATIAN FAMILY TEACH-IN FOR JUSTICE

Oct 22-24, 2022 | Washington, D.C.

Learn, pray, and advocate for justice at the largest annual Catholic social justice gathering in the United States.

Watch this space for more information about this year's Ignatian Teach-In for Justice. Last year, three Holy Family teenagers and four adults attended the conference. The Teach-In is a place for members of the Ignatian family (Jesuit institutions and larger church) to be empowered, re-energized, inspired, challenged, and supported by a community that sees faith and justice integrally linked. Now in its 25th year, the Teach-In has a rich history rooted in honoring the Jesuits and their companions who were martyred in El Salvador in 1989.

Two Jesuits Murdered in Mexico While Offering Protection to Person Fleeing Armed Gunman.

Javier Campos Morales, S.J. and Joaquin Cesar Mora Salazar, S.J. were killed on June 21, 2022, inside the church of the community of Cerocahui, Chihuahua. Fr. Morales and Fr. Salazar were killed while trying to protect someone who sought refuge inside the church from an armed individual.

Thank You Fr. René
