You've waited long enough and in late April, early May, we will hold training for Extraordinary Ministers of Holy Communion.

We invite all who are interested in serving in this ministry, as well as those who have served and are serving currently, in this essential aspect of liturgy. As a minister, you serve the Holy Family community at the table of the Lord, and in doing so, act as a witness of faith and hope in the love, power, and promise of the Holy Eucharist. Ministers must be Confirmed Catholics at least fifteen years of age. Why Extraordinary Minister you might ask? The term "Ordinary" refers to someone who is an ordained spiritual leader.

This training will also be for those interested in becoming Home Visitors, as taking Communion to those who can't attend Mass regularly is an important aspect of their ministry as well.

If you have any questions or concerns, please contact Laurie Powers at PAL@holyfamilyvb.org.

Look for more information regarding training session time and date in the Bulletin after the weeks after Easter!

HOLY FAMILY MEN OF FAITH:

Men of Faith – Who Are We? Just a group of guys trying to share our thoughts and feelings about how we can be true to our Faith in this sometimes confusing world. We meet on the second and fourth Tuesdays of each month at 7:00 p.m. here at church. We read, discuss, and pray with the readings of the following Sunday's Mass, to see how they can be applied to our lives. And we believe in the power of prayer to change things for the better. If you are interested in learning more, please contact either Ron Batdorf at ronald.batdorf@gmail.com or Bob Breault at bobbro1938@gmail.com.

**ROSARY:**

Please join us every Wednesday evening at 6:00 p.m. to pray the Rosary in the Chapel. This is a wonderful opportunity to pray as a family. We promise to start on time and have you out by 6:30 p.m. **NOTE:** There will be an additional Rosary Service at 4:00 p.m. during the winter months. The 6:00 p.m. Rosary will continue.

RCIA

RCIA is short for the "Rite of Christian Initiation of Adults." RCIA is the normative process where those who are interested in the Catholic Church have a time of discernment about a possible call to full participation in the Catholic faith.

RCIA is open to:

- Those adults who have not been baptized and are spiritually looking
- Those adults who have been baptized in a recognized non-Catholic Christian tradition
- Those adults who were baptized Catholic, but have not celebrated Eucharist and Communion

Participating in RCIA does not mean that you **have** to become Catholic, but it does help you discern as to whether God is calling you to join the Catholic Church.

Please contact the Parish Office at 757-481-5702 if you are interested in learning more.

— Pope Francis —

Thank you 5th Grade CF Classes

Thank you catechists Ms. Bobbie and Mr. John for helping the 5th grade Christian Formation classes plant flowers in the raised beds in the native pollinator garden by the church office doors. The students also planted seeds inside the classroom to attend over the next six weeks to eventually plant in the garden.

The letter below was read at the wake of
New Hope Baptist's founding Pastor Dr. E Ray Cox.

To the Family of Dr. E. Ray Cox;

On behalf of the parishioners of Church of the Holy Family Catholic Church, we extend our heartfelt sympathy to First Lady Maxine Mills Cox and the Cox family over the loss of Dr. Cox who, for fifty-two years served as pastor of New Hope Baptist Church.

Church of the Holy Family has cherished and appreciated the relationship with New Hope Baptist Church in our collective efforts to seek ways in which to first understand, address and discuss ways in which we can bridge the great divide that strive to separate races and cultures in America. We know that Dr. Cox was a huge advocate for equity and fairness. His drive for "oneness" and "peace" will remain indelible in our hearts.

As we look to the future, may we, Church of the Holy Family and New Hope Baptist Church, continue our collaboration and expand our intellectual growth opportunities to generate the sustained community change that we know Dr. Cox would have endorsed and supported.

While your pain seems unbearable at this difficult time, may the members of this church find strength in each other and that God's message in Matthew 5:4 reminds us, "Blessed are those who mourn, for they will be comforted".

Church of the Holy Family stands ready and willing to support you always. Again, our heartfelt condolences to Dr. Cox's family and the members of this renowned church.

“CREATION CARE CORNER:”

As you may have learned by now, Holy Family’s Environmental Ministry, under Lon Scofield’s leadership and his connection with Drishti, a local, expanding compost producer, is initiating a compost project for our parish wherein parishioners can dispose of their food waste by dropping them in a bin situated on church property.

The first question is why compost? Why use compost? Some of the numerous benefits follow:

Provides Macro And Micro Nutrients: Compost is an especially good supplier of trace minerals, such as boron, cobalt, copper, iodine, manganese, molybdenum, and zinc. The more varied the materials used to make the compost, the greater the variety of nutrients the compost will provide. More importantly, the nutrients in compost amazingly are released at the rate plants need them, being governed by a complex symbiotic relationship between the soil/compost microorganisms and the plant roots. Microbes in compost secrete chelating agents, which unlock the storehouse of tied up nutrients in the soil and make them available to the plants.

Improves Soil Structure: Digested organic matter binds with soil particles to form what is called “clay-hummus complex.” These aggregates are able to hold more water along their surface and create more oxygen space in the soil. Although unfinished compost has a tendency to be hydrophobic or repel water, a well-finished compost (such as that produced by Drishti) will easily hold four times its weight in water. The end result is that the increase in humus level and better soil structure/aggregation will improve moisture retention, drainage, and reduce compaction for healthier root growth and less weed pressure.

Antibiotic And Cleansing Effect On Soil: Current research is proving that a quality compost (like that produced by Drishti with the equipment it has and the labor intense attention it receives), with its related beneficial micro flora, has both a healing effect on plants and a cleansing action on soils. To date, over 3,200 strains of microorganisms have been researched, which produce natural soil antibiotics, enzymes, and vitamins as by-products of their metabolism.

Neutralizes Soil Toxins And Harmful Compounds: Research has shown that a good compost (like Drishti’s) has the ability to neutralize various soil toxins and heavy metals, such as cadmium and lead, by complexing them so they cannot be up-taken by the plant. This is significant, as we become forced to deal with ever increasing environmental strains on our soils, such as pollutants, pesticide residues, acid rain, etc.

Rich, fertile soil is essential to the production of healthy, nutritional food. The better the compost you use, the more likely you will have this rich soil.

This information was taken from an article written by Farmer John Wilson, the Director of Drishti.

SPIRITUAL COMMUNION PRAYER:

My Jesus, I believe that You are truly present in the Most Blessed Sacrament. I love You above all things, and I desire to receive You within my soul. Since I am unable at this moment to receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there, and unite myself wholly to You. Never permit me to be separated from You. Amen.
