## **RCIA**

RCIA is short for the "Rite of Christian Initiation of Adults." RCIA is the normative process where those who are interested in the Catholic Church have a time of discernment about a possible call to full participation in the Catholic faith.

RCIA is open to:

- Those adults who have not been baptized and are spiritually looking
- Those adults who have been baptized in a recognized non-Catholic Christian tradition
- Those adults who were baptized Catholic, but have not celebrated Eucharist and Communion

Participating in RCIA does not mean that you **have** to become Catholic, but it does help you discern as to whether God is calling you to join the Catholic Church.

Please contact the Parish Office at 757-481-5702 if you are interested in learning more.

**“CREATION CARE CORNER:”**

In last week's article, we learned that Pope Francis is taking a strong stand in matters of climate change, urging governments, corporations, and people “to move away from the

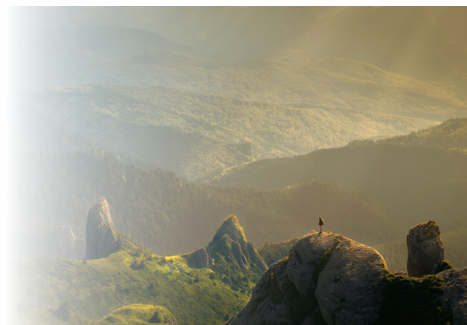

Photo by David Marcu on Unsplash

throwaway culture towards ways of living, marked by a culture of respect and care; care for creation and care for neighbor whether they are near or far away.”

In this article, we learn about the tirade the UN Secretary, General Antonio Guterres, launched against the fossil fuel industry during a key UN climate summit, held annually in Bonn, Germany, over its role in climate change, describing Big Oil companies' actions as “immoral” and calling on countries to develop a credible phase-out strategy. He accused the fossil fuel industry of being “at the heart of the climate crisis” and urged countries to boost investments in renewables. Guterres explained that “the problem is not simply fossil fuel emissions, it is fossil fuels – period,” adding that they are “incompatible with human survival.”

The UN head also attacked carbon capture technology, defined by the Intergovernmental Panel on Climate Change as “anthropogenic activities that remove carbon dioxide from the atmosphere and store it durably in geological, terrestrial, or ocean reservoirs, or in products.” Guterres said that any attempt to justify the fossil fuel expansion with carbon capture and storage technologies only makes companies “more efficient planet wreckers.” The only feasible solution, he argues, is to phase out fossil fuels completely and instead reinvest the industry's massive profits in renewables and the green economy. While clean energy sources are being developed at record speed (a report by the International Energy Agency, published earlier this year, stated that clean energy is set to cover most of the new global electricity demand by 2025), fossil fuel consumption continues soaring. According to the National Oceanic and Atmospheric Administration, CO2 levels peaked at 424 parts per million in May and now are more than double what they were before the onset of the Industrial Revolution in the 19th century. Here we have two globally, influential persons expressing the urgency and priority that the issue of climate change is calling on world leaders and corporations to deal with the very source of this pending calamity. Our actions on behalf of our Earth determine how seriously we take this pending disaster.

This article was adapted from “UN Chief Blasts Fossil Fuel Industry, Calls for Exit Strategy,” written by Martina Iginio on June 19, 2023, and published in [earth.org](http://earth.org).

**THE PARISH LIFE COMMITTEE  
WOULD LIKE TO SAY THANK****YOU** to all who helped with and supported our inaugural Holy Family Fridays

event. The parish and the community enjoyed a great time on a fun and beautiful evening.

The event could not have been carried off without contributions from many volunteers in the parish: Father René and the Parish Staff, the Knights of Columbus, the 50/50 raffle crew, the Haiti Committee, the Recycling Crew, the Sign Painters, the Bake Sale crew and all of those folks who baked treats to sell.

The support from our sponsors (Ynot Italian, Quality Stone Concepts, Lauren Harrington with Tidewater Mortgage, Stephanie Clark Real Estate, and Beach Dental) and the customers who rented tables was critical. If you are interested in sponsoring future events, please reach Tony Agnelli at 757-615-5054 or see the parish website for details.

We also want to thank everyone for their patience and understanding as we work through logistical issues with this new and unique type of event for the parish. We are using your feedback to work with our partners and our volunteers to improve wait times and the overall experience at Holy Family Fridays.

If you would like to help with these and similar events, please come to one of our monthly Parish Life Committee meetings. The next Parish Life Committee meeting will be at church on Tuesday, July 18, at 6:00 p.m.

Thank you all!
