**CHURCH OF THE HOLY FAMILY
BEREAVEMENT SUPPORT GROUP**

"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around."
~ Leo Buscaglia

Grief is the conflicting feelings caused by a change or an end in a familiar pattern or behavior; it is the

normal and natural reaction to loss. Our Bereavement Support Group meets Tuesdays at 2:00 p.m. in the Parish Library. If you, or someone you know is grieving, please join us. These meetings will be confidential and held in a safe environment.

RCIA

RCIA is short for the "Rite of Christian Initiation of Adults." RCIA is the normative process where those who are interested in the Catholic Church have a time of discernment about a possible call to full participation in the Catholic faith.

RCIA is open to:

- Those adults who have not been baptized and are spiritually looking
- Those adults who have been baptized in a recognized non-Catholic Christian tradition
- Those adults who were baptized Catholic but have not celebrated Eucharist and Confirmation

Participating in RCIA does not mean that you **have** to become Catholic, but it does help you discern as to whether God is calling you to join the Catholic Church.

Please contact the Parish Office at 757-481-5702 if you are interested in learning more.

PARISH DIRECTORIES

Parish Directories are now available for those whose picture is not in the directory. Stop by the Parish Office during the week, make a donation, and you will receive a directory.

"CREATION CARE CORNER:"

The Catholic Climate Covenant along with seven other major U.S. Catholic organizations, by way of a letter sent to President Biden, have endorsed the Call for the Climate Debt Relief campaign to mark the "Season of Creation," which ended October 4.

The administration is requesting to use debt relief as a means to "unlock critical funding" for countries most vulnerable to the impacts of a rapidly heating world. They call on the U.S. to forgive or significantly restructure debts it holds with other nations as a central piece of its international climate policy at the upcoming U.N. Climate summit, COP28. Their argument is that such a move "can help developing nations meet their goals under the Paris Agreement, adapt to climate change, and address the loss and damage" these countries have suffered.

The Catholic letter stated that if we are serious about addressing the climate crisis and alleviating human suffering, then those of us whose basic needs are comfortably met must prioritize the interests of peoples who lack them. It is a central tenet of our Catholic Faith to prioritize the needs of our poor and vulnerable neighbors and to care for God's creation. Among them are the inhabitants of developing countries least responsible for the climate crisis who suffer the most devastating impacts.

Relieving countries of their debt obligations, or significantly lessening the burden, can redirect hundreds of billions of dollars toward investments into energy, resilience measures, and other climate solutions.
