Overview and History of the School

Sacred Heart School is operated under the patronage and guidance of Sacred Heart of Jesus Church Parish in Ville Platte. Sacred Heart has operated continuously from September 1931 to the present date. However, its history began in 1913 when a Catholic school was opened and operated by the **Sisters of Mount Carmel**, an order of missionary nuns from Canada, under the direction of **Father Louis J. Savy**, pastor of Sacred Heart Church. The school remained opened until 1928 when it was forced to close due to terrible economic conditions of the time.

Father J. Maurice Bourgeois succeeded Father Savy as rector of Sacred Heart in 1930. Father Bourgeois came with a three-fold mandate from Bishop Jules B. Jeanmard: to renew the spiritual life, to reopen the Catholic school, and to build a new church. Father Bourgeois arrived in Ville Platte on September 11, 1930, with no money. As a result, his first obstacle was to borrow money from his new parishioners in order to pay the express charges to retrieve his furniture from the railway station. Two of the first tasks at hand for Father Bourgeois were to see about the renovation of the convent for occupation and the parochial school for operation after both had been left unused for several years.

Through the influence of Father Bourgeois and the generosity of the people of Ville Platte, about \$1,000 in funds were raised and volunteer time and labor were donated so that by September 1931 Sacred Heart was reopened. Six **Sisters of Our Lady of the Sacred Heart from New Brunswick, Canada** taught one hundred children in grades one through five. By September 1935 grades 6, 7 and 8 had been added. Also, by that time the elementary school was awarded state certification.

In 1938, the old, wooden church was converted into a gym-auditorium, and a four- classroom building was added to the campus; as a result, a complete high school curriculum was now available to Sacred Heart students. Through the influence of **Father Irving DeBlanc**, the first associate pastor of Sacred Heart Church, extra-curricular activities included football, basketball, boxing, band, sodality, and elocution classes. By 1938 the **Marianites of the Holy Cross** had replaced the Sisters of Our Lady of the Sacred Heart. However, the two communities of nuns worked together for a year. Also, in 1938, a new but incomplete, Sacred Heart Church was dedicated.

Sacred Heart School continued to grow and change. In 1940, a manual arts building was built, and a program began with Father Bourgeois as teacher, but the program lasted for one year. Also, in 1940 Sacred Heart held its first high school graduation for fourteen graduates.

In 1942, the gymnasium, which had been the old, wooden church, had to be demolished. Plans began for a new building containing classrooms and a gymnasium, but it was not until after World War II, in 1949, that the building was completed and occupied. It was estimated that the cost would be \$250,000, but the actual cost of the building was \$90,000. The new high school was constructed using Army surplus buildings along with the donations of substantial amounts of materials from local contractors and volunteer labor from the men of the parish. Later, the football stadium and track fields were added, and a home for the coach was acquired.

In 1957, **Monsignor Bourgeois**, who had received this title in 1943 from Pope Pius XII, began a drive to raise funds for the construction of a new home for the Marianites of the Holy Cross, who still staffed the school. The drive included funds for the construction of a new elementary school and remodeling of the church. The community responded again, and in 1959 the convent renovation was complete, and the Sisters moved into their new home. In September 1960, the new elementary school was completed and classes begun. The new school housed twenty-one classrooms, a library, a cafeteria, and administrative offices.

With the elementary department housed in its own building, Sacred Heart High School and Sacred Heart Elementary School essentially began operating as separate schools. In 1968,

Sister Myra Banquer was named as the first full time elementary principal, and **Sr. Charles** continued as the high school principal. Sr. Alberta later replaced Sr. Charles as principal of the high school.

On Friday, February 16, 1968, the high school department, consisting of the gymnasium and classroom facilities built in 1949, was completely destroyed by fire. Temporary classrooms were set up in the elementary building, and the parish began a drive for funds to build a new gymnasium and high school. The new high school and gymnasium that is still occupied today was quickly built and occupied by February 1970.

On June 1, 1970 Msgr. Bourgeois retired and **Monsignor Edward Fruge** became the pastor of Sacred Heart Parish. In June of 1974, Msgr. Bourgeois celebrated the fiftieth anniversary of his ordination to the priesthood. Two months later, he and Msgr. Fruge 'burned the note,' and Sacred Heart was free of debt.

During this period, with Msgr. Fruge as pastor, Sister Myra Banquer, who was later appointed and served as Diocesan School Superintendent, served for seven years as principal of the elementary school. **Sister George Pusalen** replaced Sr. Myra in 1975, and Sister Daniel Guidry followed her in 1978. They were the last of the religious order to serve as principals of the elementary school.

Under the direction of Msgr. Fruge, a new rectory was built to replace the fifty-year-old structure that had served as the church residence. On the last day of 1976, he and the assistant pastors moved into the new rectory that is occupied by the present pastor and assistant.

Msgr. Bourgeois died in 1978, but the school he had opened forty-seven years earlier continued to prosper under the direction of Msgr. Fruge.

Mr. Larry Vidrine was named as the first lay principal at Sacred Heart High School in 1978 replacing Sr. Alberta. In 1979, the high school was expanded to include a permanent stage, an extension of the lobby, a large multi-purpose building, and permanent bleachers.

In 1980, **Mr. D.L. Vidrine** became the first lay principal of the elementary school. In August of 1981, Mr. Vidrine further expanded the elementary school enrollment of 600 to include pre-school classes for 15 students. The pre-school program continued until the spring of 1993 when the classroom space was needed for expansion of new programs at the school.

In July of 1982, Msgr. Fruge was transferred to Breaux Bridge and replaced by **Fr. Francis Bourgeois**. Father Bourgeois resigned due to ill health and was replaced by **Fr. Michael Jarrell** on January 15, 1984.

Mr. D.L. Vidrine retired in May of 1987 and was replaced by **Mr. L. Sidney Ortego**, retired Superintendent of Evangeline Parish Schools.

As early as February of 1983, the Sacred Heart School Board had begun looking into the long term needs of the elementary school, but it was not until the spring of 1988 that a committee began work on the planning of a multi-purpose gymnasium. The gymnasium was completed and ready for use in October 1988.

Monsignor Jarrell, the administrator, and the Sacred Heart School Board worked to improve the elementary school by renovating the convent that was no longer occupied. This project converted the convent into a classroom building for seventh and eighth grades, which was occupied by August of 1990.

Mr. Ortego retired as principal of Sacred Heart Elementary in July of 1992 and was replaced by **Mrs. Paula F. Landreneau**. In the fall of 1992, Monsignor Jarrell, Mrs. Landreneau, and the school board began plans for converting the courtyard of the elementary school into a science laboratory, renovating rooms, re-roofing the building, and adding two computer labs for both lower and upper grade students. Discontinuing the preschool program created space for one of the computer labs. The entire project was completed and ready for occupancy in the fall of 1993.

In the spring of 1993, Monsignor Jarrell was appointed Bishop of the Diocese of Houma-Thibodeaux and was succeeded as pastor of Sacred Heart Church by **Father J. Robert Romero**, known to parishioners as "Father Bob."

In June of 1998, Mr. Larry Vidrine retired as principal of Sacred Heart High School, and the school was once again united under one leadership as Mrs. Paula Landreneau was appointed as principal of the entire Sacred Heart of Jesus Catholic School, grades K-12.

In October 2001 Sacred Heart School began a comprehensive and extensive self-study conducted with the guidance of the Institute of School and Parish Development (ISPD). The overall goal of this study was to create a dynamic plan for the future of the school that would meet the needs of the present students and future generations.

Mrs. Landreneau retired as principal in June of 2002. A new administrative structure was developed and implemented in July of 2002. The new administrative personnel consisted of **Dr. Sherry Cormier**, CEO/Administrator, whose responsibilities encompassed all aspects of the school; **Mrs. Tina Brignac**, Headmistress responsible for the elementary department; and **Mr. Andrew Ducote**, Headmaster responsible for the high school department. With the resignation of **Dr. Cormier** in 2003, **Mr. Ducote** was appointed Principal of Sacred Heart School while **Mrs. Brignac** continued as Headmistress of the elementary department.

In June of 2005, **Monsignor Romero** was transferred to Opelousas and was succeeded by **Father Gene Tremie**, a native of Ville Platte, as pastor of Sacred Heart Church. A huge capital campaign fund drive had begun under Monsignor Romero's guidance for a new addition and renovations to the high school. The actual groundbreaking took place after his departure. The new addition, which consists of eleven classrooms, a computer lab, a commons area, a serving and dining area and a chapel with a confessional, was completed and ready for use by August of 2006. A dedication for the new addition to the high school was conducted by Bishop Jarrell on August 14, 2006 just days before school began.

In June of 2006, **Mr. Andrew Ducote** was appointed Principal of Sacred Heart High School, and **Mrs. Joni Duos** was appointed Principal of Sacred Heart Elementary School. Following **Mrs. Joni Duos**, **Mr. David Paul Fontenot** was appointed Principal of the elementary school in 2008.

In the spring of 2008 Father Gene Tremie and the Sacred Heart School Board voted to reinstate the previous administrative structure, which was recommended during the ISPD Convocation of 2001.

In December of 2008, **Mrs. Paula Diane Fontenot**, a retired educator from the Evangeline Parish Public School System, was appointed as Administrator of Sacred Heart School, K-12. In May of 2009, **Mrs. Dawn Cox Shipp** was appointed the Assistant Principal of the high school with **Mrs. Evelyn Fontenot** appointed as the Assistant Principal of the elementary. In June of 2011, **Father Tremie** was transferred to Saint Marcellus Parish in Rynella, Louisiana and was succeeded by **Father Joshua Guillory**. In July of 2012, **Mr. Andrew Dwyer** was appointed Assistant Principal of the elementary. **Father Joshua Guillory** was appointed to serve as a member of the Supreme Tribunal of the Apostolic Signatura in Rome, Italy in November of 2012 and was succeeded by **Father Jason Vidrine**. **Mrs. Virginia Morein** was appointed the assistant principal of the elementary in January of 2015.

Mrs. Paula Diane Fontenot resigned from her position as K-12 principal in June of 2015. Father Jason Vidrine was assigned to St. Anthony of Padua in Krotz Springs with **Father Thomas Voorhies** assigned as the pastor of Sacred Heart of Jesus Catholic Church in July of 2015. **Mrs. Dawn Shipp** and **Virginia Morein** were then appointed as principals of their respective schools beginning in July for the 2015-2016 school year.

After several years of planning, fundraising and collecting of donations, the boys' and girls' locker rooms in the high school gym went through a major renovation in 2014 and was completed in the spring of 2015. The seventh and eighth grade classroom building which was formally the convent was also renovated in June of 2016.

Mrs. Virginia Morein retired from her position as the Elementary Principal in June of 2023, and **Mrs. Danielle Ardoin** was hired as the Elementary Administrator in July of 2023.

Father Tom Voorhies was assigned to Our Lady of Fatima Catholic Church and School in Lafayette with **Father Mitch Guidry** assigned as the pastor of Sacred Heart of Jesus Catholic Church in July of 2025.

Sacred Heart School proudly continues to live by the "Do or Die" spirit embodied in the life and example set by Monsignor J.M. Bourgeois.

The school has set admission priorities for students. In addition, certain conditions related to a student's academic and behavioral background may also influence admission and certain circumstances may require full Council approval. III. PARENT COOPERATION STATEMENT

An integral part of the educational philosophy of Sacred Heart School is the conviction that the school assists the parents/guardians in carrying out their primary responsibility of providing for the religious and secular education of their children. An ongoing positive working relationship between the parents/guardians and the school is critical to the success of the school and the students. As part of that working relationship, parents/guardians are expected to be involved as much as possible in the educational process, to refrain from conduct which thwarts the orderly administration and operation of the school, to support and participate in school activities and to provide instruction to and set positive examples for their children both at home and in the community. While Sacred Heart School encourages the constructive exchange of ideas, feedback and suggestions intended to foster the continued growth and improvement of the school, the Sacred Heart School Administration is ultimately responsible for the orderly administration and operation of the school, including the enforcement of policies and procedures implemented to achieve the school's goals. Sacred Heart School reserves the right to terminate the enrollment of any student(s) in the event that it is determined by the school's administration that (1) a positive working relationship between the school and the parents/guardians no longer exists and/or is irreparably damaged or (2) that the parents/guardians have failed to provide the

support, assistance and example necessary for the religious and secular education to which each child is entitled. Furthermore, failure on the part of any student and/or parent/guardian to abide by the rules, regulations and policies as outlined in the school handbook may result in termination of the student's enrollment from the school.

STUDENT HEALTH AND SAFETY

ASBESTOS MANAGEMENT

In compliance with federal regulations, Sacred Heart School is required to inform all parents and teachers of the result of our Asbestos Hazard Emergency Response Act Management Plan for asbestos inspection and abatement. The management plan provides the location of asbestos containing materials and describes the course of action to take with regard to managing this material.

The AHERA Management Plan for the high school and the elementary is available for review by parents. Sacred Heart is inspected by school staff every six months and inspected again every three years by a certified management planner. Stephen D. Gossen, President of Environmental Management Technologies, reassessed the positive asbestos homogeneous areas of the school on September 16, 2003. Sacred Heart received his report on November 17, 2003. Mr. Gossen is certified by the Louisiana Department of Environment Quality as a certified asbestos inspector.

Sacred Heart's AHERA Management Plan was approved without any exceptions. Since the last inspection by a certified inspector, the pipe insulation on elbows in the high school boiler room was abated in 2001. Also, some of the suspended lay-in panels were replaced following Hurricane Lily. There is no friable asbestos in the elementary school. Non-friable asbestos was found in the floor tiles in the portable classrooms. This material is in good condition, and it is inspected on a regular basis. Non-friable asbestos is presumed to be contained in the heater gaskets in the dining area of the cafeteria. None of these situations pose any health hazard to students, faculty and staff.

Non-friable asbestos boards are found in the classrooms of the high school department. These non-friable panels are painted and are in good condition and maintained properly. Friable asbestos was found in insulation on pipe elbows and in suspended acoustical lay-in panels. The report concludes that the asbestos containing material was in good condition and undamaged. Again, none of these situations pose any health hazard to students, faculty and staff.

Inspections are conducted by a trained inspector to insure that the asbestos remains non-friable and encapsulated. A report is submitted to the Diocesan office twice a year, and a copy of the report is kept in the school plan.

INTEGRATED PEST MANAGEMENT PLAN

Sacred Heart School files its records of inspections, identifications, evaluations and pesticide/herbicide applications annually with the Louisiana Department of Agriculture and Forestry in an IPM Plan. This agency approves and monitors our use of pesticides by certified pesticide applicators. We employ the services of certified applicators for small insect and termite protection that do their applications after the students have vacated the areas of the campus. Our certified applicator applies chemicals on the campus. In the event that your child is suspected of suffering a reaction to chemicals at school, appropriate medical attention should be immediately sought and the school should be notified of the suspected exposure. School employees who spray for pests use approved chemicals, which are not applied in the presence of students.

PESTICIDE SENSITIVITY

The Louisiana Department of Agriculture and Forestry requires that the school maintain a registry of students who are hypersensitive to pesticides. **If your child is hypersensitive to pesticides, please inform the Administration in writing immediately.** Your statement must include written verification by your child's physician.

EMERGENCY DRILLS

Fire and tornado drills and lockdowns are required by law and are important safety factors. It is essential that everyone obeys promptly when the signal is heard and moves to the specified designation quickly and quietly. **Drills are a time of absolute silence**, even after the building has been cleared. Students are to be ready to follow orders given by their teachers or given over the intercom system. Faculty and students should be familiar with routes and procedures for the various drills.

CUSTODIAL ARRANGEMENTS

This school abides by the provisions of the *Buckley Amendment* with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to academic records and other school information regarding his/her child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court-certified copy of the court order.

In the event a joint custody order, which outlines custodial/visitation rights of each parents, is presented to the school requesting that the school not allow the other parent to visit or pick-up the child other than his/her visitation times as outlined in the order, the school has no authority to physically interpret or enforce the order; the enforcement must be handled through the court system.

The Administration cannot act on a verbal/oral report of a court order/judgment. Proper written notification of a court order/judgement revoking/denying/reinstating a parent/guardian's custodial rights must be submitted to the administration at the beginning of each school year (or, if signed by the court after the commencement of the school year, then immediately after signing by the court) in order for the school to honor said order/judgement. Parents should not assume that the school is aware of any court order, that school records contain this type of information, or that if they do, all adults concerned have reviewed the information with the child. This type of information/documentation is best delivered in person to the Administration, who will, in turn, inform the SHS faculty and staff.

MEDICATION FOR STUDENTS

Students, who require long-term medicine must have an official school permission form on file in the office before medicine will be administered (i.e., Tylenol, Advil, prescription drugs, etc.). Parents must contact the office for this form, which is to be completed by the child's physician and parent.

Non-prescription medicines are not dispensed to elementary students by the office. Students in need of medication may call a parent to bring and administer the medicine.

High school students, without exception, must bring all medicine (prescription and non-prescription) to be taken during school hours to the secretary as soon as the student arrives at school, and the secretary will release the medicine at lunchtime. All medication, including aspirin, must be appropriately labeled as to dosage, etc. No medication, including aspirin, can be given unless properly labeled and accompanied by written directives. Any prescription medication must be labeled with the student's name.

If a student requires medicine at a time other than lunch recess and/or more than once a day, the parent must contact the Administration. Giving medicines to children creates a risk of liability. Due to the fact that this is a courtesy extended to parents and not an obligation of the school, it may, in the discretion of the Administration, be discontinued at any time in the event of noncompliance with school policy, noncompliance with prescription directives, or if the demands of the situation begin to interfere with the general duties of the office personnel.

EMERGENCY ILLNESS

Parents should provide the school with names and numbers of people who can pick up a child who becomes ill at school. When parents/guardians are out of town or otherwise temporarily unavailable, they should notify the school with the name and phone number of adults who may assume responsibility for their child/children in time of emergency.

SCHOOL FIELD TRIPS

Field trips are privileges; students can be denied participation if they fail to meet academic and/or behavioral requirements. Students must have official, diocesan-approved field trip requests properly signed by the parent/guardian to be able to travel with a school group to an off-campus activity. **Telephone requests and/or other communications by parents are not accepted as consent for travel in lieu of written permission.** It is mandatory that all Sacred Heart School parents/guardians, volunteers and chaperones have received Safe Environment training for the school year in order to accompany students on field trips or assist at school events. School uniforms must be worn by students. Cell phones are not permitted.

K-12 STUDENT ARRIVAL AND DISMISSAL PROCEDURES

Students are expected to enter and exit the building in an orderly fashion. High school students, who drive to school, are expected to arrive and leave the campus in a manner that does not pose a safety risk for themselves or others. In the event a faculty member and/or administrator witnesses a student driving in a careless or reckless manner, the student may have his/her driving privileges suspended and/or permanently revoked. High school students who wait for transportation after school must wait under the exterior, covered area of the foyer on Trojan Lane.

K – 12 ARRIVAL AT SCHOOL

Student arrival at school prior to 7:20 am is strictly prohibited. There is **no one to supervise** students before this time. Arriving at school too early presents a real safety risk to children for which the school is not responsible. Violations shall be addressed as student discipline and/or pursuant to the Parent Cooperation Statement.

K – 12 DISMISSAL FROM SCHOOL

For students who are picked up at school following dismissal, it is imperative that the pick-up occurs by 3:30 pm each day. The teacher on duty cannot leave students unattended, and a teacher should not have to consistently stay longer than the normal bus duty time. Violations shall be addressed as student discipline and/or pursuant to the Parent Cooperation Statement.

K – 12 EMERGENCY DISMISSAL

Each family should develop and teach all their children a family plan for emergency dismissal during the day. One child should be designated in each family to call whoever will pick up the children. Elementary school students should know the name and number of whom to call or the identity of the person who will call someone for them. If buses are picking up students, the students should know whether to ride the bus or call someone. Parents who work out of town should designate a relative or friend who lives in town to pick up the students in an emergency situation. The students should know the name and phone number of the individual who will take responsibility for them. In case of an emergency dismissal, the school will utilize **Renweb** and notify the local radio station. KVPI is always notified.

In stormy weather, all students will be confined inside in the building until the threat is over; therefore, parents must come inside the building for pick-up. Students who ride the bus will be called when the bus arrives. Parents are asked not to call the school offices to inquire if there will be an early dismissal. Dismissal during the height of a storm would only endanger the students. These calls tie up school telephone lines and interfere with the staff's ability to communicate with emergency personnel, public schools, weather information sources and the radio station.

In case of fire, bomb threat or some other threat that necessitates evacuating the building, the students will be brought to the high school football and baseball fields (or another appropriate staging area, depending on the circumstances) and kept away from the building and/or reported threat. Emergency information will be broadcast over the local radio station, KVPI.

SCHOOL ACCIDENTS AND INSURANCE

Even with appropriate supervision, accidents and injuries may occur on the school campus or at school events. The school does not carry accident insurance to cover injuries of students on campus or at school events. Coverage for medical costs arising out of such accidents/injuries is the responsibility of the parents. All student-athletes, members of the cheerleading squad, dance line and camp participants must present proof of accident insurance before participating in said activities.

Every accident and/or injury on campus, at practice sessions and/or at any athletic or other school-sponsored events, must be reported immediately to a faculty member, coach, volunteer and/or administrator. The proper forms detailing the accident/injury shall be completed and filed in the school office.

School insurance is available for all K-12 students at a low cost to parents/guardians. Insurance forms are available online and in the “Required Documents Packet;” the purchase of the insurance policy helps to pay expenses resulting from an injury at a school-related event; however, the policy states the maximum benefits for losses, and the school cannot be held responsible for any of the expenses. **It is the responsibility of the parent to complete the required forms and submit payments online with the insurance company.**

STUDENT RELIGIOUS LIFE

As a Catholic school, the basic practices reflect a Christian orientation to God. Prayer is an essential part of the orientation; therefore, the school day begins and ends with prayer, a reminder of our essential relationship with God and our union with Jesus as He brings the word closer to the Father through the work of the Holy Spirit. As a result, these intentions are recalled throughout the school day. All students are expected to participate in school prayer activities.

RELIGION ADMINISTRATOR

The Religion Administrator will focus on the spiritual well-being of all students, faculty and staff; he/she will also coordinate the *Come, Lord Jesus* program, retreats, school masses, peer ministry and preparation and celebration of school liturgies.

MASS/CONFESSION/WAY OF THE CROSS/PRAYER SERVICE

Because Masses, Confessions, Way of the Crosses and prayer services are crucial to the Catholic faith and education, students’ presence is mandatory. Students assist in the preparation and celebration of school liturgies. In order to establish a reflective and reverent mood, each student is to enter the church or the gym in silence and maintain silence until the celebration begins. Students are encouraged to participate in the singing and appropriate congregational responses. Any student being disruptive or disrespectful at Mass is subject to disciplinary action. Non-Catholic students are required to either participate in the spiritual exercises of the school or remain silently reverent. Reverent participation in prayer and song are expected.

Attendance is mandatory at ALL school Masses, Confessions, Way of the Crosses, Prayer Services and *Come, Lord Jesus* meetings. To fill the obligation for an absence from a Mass, Confession, Way of the Cross and/or Prayer Service 9th – 12th grade students must attend a make-up mass. Students who are absent for a *Come, Lord Jesus* session, however, are required to write an essay for the missed session on the school form provided. The student will have a week (7 days from the date/day) of the missed school mass, prayer service or *Come, Lord Jesus* meeting to fulfill this requirement without consequence. A priest must sign the student’s make-up form as acknowledgement of the student’s attendance at a make-up mass. Make-up/obligation forms are available in the high school office, at *Sacred Heart Church, Our Lady Queen of All Saints Church* and may be downloaded on *Renweb*. **ONLY these forms are accepted.** Students will have the responsibility to submit his/her *Come, Lord Jesus* essay to the Religion Administrator, through the front office, within the allotted time of the missed meeting. Should a student not complete his/her obligation as listed above within the allotted time, he/she will be required to attend 7:00 a.m. detention until his/her obligation is fulfilled. Attendance at weddings, funerals or any other Mass scheduled for a “special occasion” is not accepted to fill the obligation for the absence of a school Mass and/or prayer service. If a student attends the 8th Grade Promotional Mass for a sibling and would like to have the Mass fulfill a Mass

obligation, it is the student's responsibility to receive permission from the Religion Administrator prior to attending the event.

In the event that a non-Catholic student misses a school Mass, he/she is expected to attend a Catholic Mass to fulfill the obligation. Documentation is required.

Students in grades 9th-12th are allowed a maximum of 3 absences, excused or unexcused, for school Masses/Confessions/Way of the Crosses and/or prayer services per school year. In the event a student continuously misses a Mass or religious service for school functions as stated, he/she will be required to fulfill his/her obligation. Should a student be absent for more than the allowable amount, he/she will be assigned an automatic one day in-school suspension.

Students attending a school function on the day of a scheduled school Mass, Ways of the Cross, Confession, Prayer Service and/or *Come, Lord Jesus* meetings, are excused from fulfilling their obligation if permission has been granted by the Religion Administrator PRIOR to the school function (Ex. FBLA, Literary Rally, Sports...)

Students are strongly encouraged to participate in the Sacrament of Reconciliation both at school and in their respective parishes. Active involvement at the parish level is recommended as an excellent introduction to the larger church community.

RETREATS

It has been the experience of the Church that one of the most important ways of strengthening and confirming one's faith is a retreat from the distractions of every-day life. In the long history of the Catholic Church, many great saints and holy people followed the example set by Jesus Christ, and they went into the silence of the wilderness to pray, to contemplate and to adore God.

Sacred Heart provides this retreat experience for students in grades 6 - 12 through their attendance of in-school or weekend retreats, which are announced by the Religion Administrator. **All high school students are required to attend their designated retreats.** In the event the principal allows a student to be absent from his/her respective retreat due to extenuating circumstances (serious illness, death of immediate family member, etc.), he/she will be required to attend another class's retreat approved by the administration. Voluntary retreats are also scheduled and announced by the Religion Administrator and Administration.

RELIGIOUS STUDIES REQUIREMENTS

One credit in Religion is required each year in high school at Sacred Heart School. If a student does not successfully complete the requirements of a religion course, he/she will be required to repeat that religion course the following year in place of an elective, along with the appropriate religion course for the current year. If a student should fail the religion course during the senior year and in order to earn a Sacred Heart School diploma, the pastor must approve an instructor to teach a Religion course during the summer. The student must complete and pass 30 hours of instruction, assignments and assessments in order to meet the requirement of receiving credit for the course failed during the school year. The student will be issued his/her diploma after successfully completing the summer course and listed as a graduate of his/her respective class. Parents will be required to pay the cost of the summer class. With the approval of the administration, the respective teacher will create a schedule/timeline for the course.

All Juniors are required to participate in the Christmas Under the Oaks while all Seniors are required to participate in The Passion presentation.

For failure to show one's commitment to the philosophy of Sacred Heart School by not completing all religious service requirements, participation in assigned religious presentations and/or attending mandatory retreats, the student's religion grade may result in an "I" or non-credit for the year. For seniors, an "I" would prohibit them from participating in school-sponsored graduation ceremonies. All high school students must earn one religious studies credit for each year of attendance at Sacred Heart School.

***If a 4th – 8th grade student fails a religion course, the student will be required to repeat and earn a passing grade in that specific religion course over the summer before being promoted to the next grade level.**

SERVICE HOUR REQUIREMENTS

Service hours are a representation and expression of the student's Christian identity and formation. Our service in the community represents our life in Christ, who came to serve and not be served (*MK 10:45*). ALL 7th-12th grade students must complete the required, **volunteer** service hours, which are to be documented, approved and submitted as a hard copy of the Service Hour Form to the Religion Administrator on or before the deadline. Service hour opportunities will be posted on *Renweb* and announced at school throughout the school year. Service hour requirements are scheduled from the 1st day of April during the previous school year through the last school day of March the present school year. Parents are not allowed to sign service hours of their own children. Also, service hours completed at places, which are family-owned/operated will not be accepted. With the exception of detention, some service hours may be completed for a faculty member at school during instructional hours only if he/she has received prior approval from the Religion Administrator.

CONSEQUENCES

In the event the service hours submitted at the end of the school year are not acceptable, the student will be required to fulfill the service hour(s) with possible additional hours. If service hours are not completed by the specified deadline, this will result in the student being assigned 7:00 AM detention each morning until the service hours are completed.

7TH AND 8TH GRADE STUDENTS' SERVICE HOUR PROGRAM

Students in grades 7 and 8 are required to earn a total of 10 service hours – 3 hours for Civic, 3 hours for Church, 3 hours for School and 1 hour for Spiritual. These service hours need to be completed and submitted by the last school day of March to be promoted to the next grade level.

HIGH SCHOOL STUDENTS' SERVICE HOURS

Service hours are a requirement of every high school religion course. Thus, if a student does not complete his/her service hours, he/she will not have successfully completed the requirements for the course. Failure to complete the service hour requirements by the last instructional day of the current school year will result in failure of his/her religion course and the above Religious Studies Requirements penalty will apply to the student that fails his/her religion course.

Each 9th -12th grade student is required to complete 15 service hours for the school year with a spirit of excellence. 4 hours is required in the areas of Civic, Church and School and 3 hours in Spiritual.

RELIGIOUS EVENTS and GROUPS

Special religious events will take place during the school year to further promote awareness and devotion to God, family and country. Our students encourage and appreciate their parents'/guardians' presence at these scheduled events, and this is a personal way for parents/guardians to show their love and dedication to their child/children. SEXUAL IDENTITY POLICY

Sacred Heart School is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Roman Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Roman Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity and biological sex at birth. Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded and safe environments are fostered. When parents send their children to Roman Catholic schools and when persons choose careers in Roman Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself

and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Roman Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

ACADEMICS

Rooted in the mission of the school and designed to foster the achievement of the philosophy, mission, vision and goals of the school, the program of studies at Sacred Heart School is guided by the , the requirements of Louisiana Department of Education, the Louisiana Board of Regents college admissions requirements and the general entrance requirements of colleges, universities and career training programs. The curriculum development is the responsibility of the Administration and faculty.

The school follows the Louisiana Department of Education *Bulletin 741, Non-public School Standards*.

Sacred Heart School students are encouraged to prepare themselves for future study and/or careers by challenging themselves to a rigorous course of study. All students must meet the graduation requirements of the State of Louisiana Department of Education and Sacred Heart School as specified.

The K-12 curriculum is drawn from the Catholic and Core Subject Standards at each grade level, considering developmental appropriateness and rigor in teaching and learning.

Sacred Heart School is committed to identifying student needs in key academic areas and serving those needs in the course of the school year by providing students with the opportunity to repeat courses mandated by the Louisiana Department of Education and Sacred Heart School in order to receive a high school diploma.

STUDENT GRADING SYSTEM/EVALUATION

GRADES 1-3: REQUIRES A MINIMUM OF 400 POINTS

Minimum of (3) 100 points; the remainder of the grades will be accumulated from but not limited to the following: projects, quizzes, journals, etc.

Homework grades must not exceed 30 pts. per 9-week grading period.

Science (Grades 1 & 2) – incorporated across the curriculum

GRADES 4-8: REQUIRES A MINIMUM OF 500 POINTS PER GRADING PERIOD

✓ (3) 100-POINT TESTS; the remainder of the grades will be accumulated from but not limited to the following: projects, quizzes, journals, etc.

Last 9-week Grading Period – (2) 100-point tests and 200 points from projects, quizzes, journals, etc.

Homework grades must not exceed 30 pts. per 9-week grading period.

GRADES 9-12: REQUIRES A MINIMUM OF 600 POINTS PER GRADING PERIOD

As a result of the variation in rigor and depth of content, grades 9 – 12 will be assigned a minimum of 600 points per 9-week grading period with (4) 100-point tests, which will include but not limited to PE classes. Points assigned for homework and classwork are not to exceed 100 points for each grading period. Each nine weeks is worth 20% of the final grade with midterm and final exams worth 10%. The midterm is averaged by adding the 1st nine weeks, 2nd nine weeks and midterm together, then divide by 3. Adjustments may also be made for grading due to extenuating circumstances such as revisions of bell schedules, re-teaching of lessons, etc.

Students' assessments will be graded and returned to students within 3 days of completion. Once students have submitted projects, research papers, portfolios, etc. by the due date, teachers have 5 days to grade all of the assigned material.

PARTICIPATION GRADES

In the event a portion of a high school student's grade for a course is based on his/her participation in the class, this grade will be based on the following:

- **PE** – students will earn a grade each day for participation in the assigned activities/sports
- **Other Courses** – student participation may be determined including but not limited to a child's contribution to a partner/group activity or project used as an assessment of the student's level of comprehension.

WEEKLY ASSESSMENT POLICY

Students may be assigned tests on Mondays but are not to be given more than 2 tests per day.

HOMEWORK

Homework assignments are given at the discretion of the teacher. Homework aids the learning process while assisting students in the development of self-discipline through effective time management. Compliance is mandatory for all student assignments. It is the responsibility of the student to obtain assignments when absent. Teachers may post assignments on the board in their classrooms and/or on *Renweb*.

Final Exam Exemption Privilege

Students in grades 9-12 who accomplish the following will be exempt from the final exam of the specified course(s):

1. maintain an A average in the course(s) for all four grading periods and an A on the mid-term exam **or**
2. receive the honor of placing in the top 2 in a specific course at the **District** Literary and participating at the State Literary Rally at LSU.

ELEMENTARY AND HIGH SCHOOL GRADING SCALE

LETTER GRADES	NUMERICAL AVERAGE	QUALITY POINTS	ASSIGNED GRADE POINT AVERAGES
A	90 - 100	4	4.0 – 3.5
B	89 – 80	3	3.4 – 3.0
C	79 – 70	2	2.9 – 2.0
D	69 – 60	1	1.9 – 1.0
F	59 and below	0	
I	Incomplete Work	0	
NG	No Grade	0	

Each teacher will keep all tests taken by the student on file until the beginning of the following school year.

DISTANCE LEARNING

Distance learning may be necessary when closing the school due to extenuating and/or emergency situations, including but not limited to weather and health situations, extended illnesses or extra-curricular activities. When applicable and as a means of ensuring that students continue their Catholic education without interruption, teacher-led virtual instruction, digital lessons and comprehensive material will be provided to our students through the utilization of digital resources such as *Google Classroom* & *Google Meets*. **Each student will be required to sign a Distance Learning Agreement.**

Student Submission of Work

Students are required to check *Google Classroom* for assignments and assessments on a daily basis. Parents may also review students' assignments on *Renweb*. Assignments and assessments are due by the deadline specified by the teacher(s). In the event a student is unable to access the material due to having Internet issues, etc. he/she is required to contact the respective teacher(s) **immediately**. Teachers will also provide policies and procedures for their individual classes/courses during distance learning.

Behavior Requirements

Any behavior that interferes with the instruction or learning during the virtual lessons will not be tolerated. This includes but is not limited to inappropriate language, gestures and/or other forms of disruption during the teacher's instruction.

***Parents will be notified immediately when Diocesan policies/directives are provided.**

MAKE-UP WORK AND INCOMPLETE GRADES

Students with excused absences are responsible for making up work missed during an absence. The student has a **maximum of 3 days after returning from an absence to submit his/her written excuse to the office for approval and speak to his/her teacher regarding the make-up work.** For grades 7 – 12, the letter grade of "0" will be given until the excuse has been approved and the assignments have been made up and/or completed. In the event the student **fails to complete and submit the work within the allotted time, his/her grade will remain a 0. Students are not allowed to make up assignments unless the absence has been deemed excused by the administration.**

A student who is absent only on the day a test is given or for a period in which no new tested information is taught should be prepared to take that test on the day he/she returns to school.

Elementary Testing Schedule: Testing will begin each morning at 7:00 AM Monday through Friday in the school library for students in grades 4-8. K-3 students, however, will be given make-up tests by their respective teachers.

High School Testing Schedule: High school make-up work is generally done outside of regular class time. It is the responsibility of the student to find out what class work was missed, complete the work as soon as possible and schedule make-up sessions with teachers; otherwise, the permanent grade for the work becomes a zero. Arrangements for make-up work must be made by the student immediately upon return from absence. Exceptions may be made for extended absence by special arrangements with the teachers.

Make-up tests **will not** be more difficult than the regular test; however, it may be a variation of the test the student did not take.

Any student without a valid excuse for an absence will be given an unexcused absence and is thereby denied the right to make up any work turned in for a grade. Students who are tardy and thereby absent during a testing period and sign in later during the day must report to the teacher whose test was missed to take the test that day. **A student may not avoid taking a test by coming late to school or leaving during the day.**

PROMOTION AND FAILURE

ELEMENTARY STUDENTS are instructed in the areas of the Catholic religion, English Language Arts, mathematics, science and social studies as core subjects. If a student in grades 1st - 8th fails two or more subjects, with the exception of PE, he/she may remain in the same grade the following school year. Furthermore, should a student in grades 1st - 4th fail ELA and/or religious studies, the School Review Committee will then meet to discuss the best option for the student's future academic success. Promotion is based on a final average of the 4 nine-week grading periods, not semesters.

HIGH SCHOOL STUDENTS are instructed each year in Religion Studies, Mathematics, English, Science and Social Studies as core subject areas of study following the TOPS University Diploma which includes electives but is not limited to health and physical education, art, French and Spanish. If a student earns a failing grade for one or more of these subjects, the student will be required to repeat and earn a passing grade in the course(s) the following school year or enroll in summer school (if offered) in the course(s) failed. **Students are only allowed to enroll in a maximum of 2 courses for summer school. Parents/Guardians have 1 week after final grades have been posted to register for summer school. It is the responsibility of the student's parent/guardian to contact the Guidance Counselor to submit a summer school application to enroll in their summer school online programs.**

CALCULATION OF FINAL GRADES FOR HIGH SCHOOL STUDENTS

Final grades are calculated by averaging the midterm exam and final exam together, then add the four nine-week grades to the exam average. Divide the total number by five to give the final average for the course. **Semester grades are not averaged for the final grade of the course.**

PROGRESS/FAILURE NOTIFICATION

Progress/Failure of a student is accessible on *Renweb* throughout the school year. Dates for the beginning and end of each grading period, along with high school mid-term and final exams are provided in the school calendar. **Responsibility for reviewing grades belongs to the PARENT. Report cards will be distributed at the end of each grading period for Kindergarten students only.**

High school students will receive a copy of their report card at mid-term. A letter will also be distributed from the administration to each student and a copy will be mailed to the parents/guardians of students who are in danger of failing any course(s) at that time.

Some courses require prerequisite courses. The TOPS program, TOPS University Diploma and all 4-year colleges require at least two courses in the same language for admission. Students will be advised annually of state requirements for graduation, changes in college entrance requirements and eligibility for TOPS and TOPS Tech prescribed by the Louisiana Board of Regents.

CORRESPONDENCE, DUAL ENROLLMENT AND ONLINE COURSES

When enrolled at Sacred Heart High School, the student may be allowed to take correspondence courses or online courses through an accredited institution to remediate a required course or for elective credit. School administrator must approve and those courses are scheduled by the student in addition to the Sacred Heart schedule and are completed on the student's own time. Sacred Heart High School sets the deadline for completion of approved courses. Grades for completion of those courses are assigned by the correspondence or online instructor, not Sacred Heart H.S. faculty.

Students in Dual Enrollment courses receive grades from Sacred Heart for the appropriate high school work as well as from the university granting college credit. Grades for those courses are determined by the university criteria. Students are reminded that all Dual Enrollment grades will be included on all future college transcripts and may affect a student's TOPS status the first semester of college. Students who fail a Dual Enrollment course or who wish to improve a DE grade may do so at their expense by attending a subsequent semester at the university. Dual Enrollment students must follow all guidelines, including those of plagiarism, student dishonesty, and prerequisites, as set by the individual university, as well as all Sacred Heart guidelines.

DUAL ENROLLMENT

The Dual Enrollment Program, run in conjunction with Louisiana State University in Baton Rouge, Louisiana State University in Alexandria and Northwestern State University, allows students to earn college credit while taking courses at Sacred Heart. DE courses are currently being offered in US History, World History, Psychology, Sociology, Fine Arts Survey and Interpersonal Communications. Students in Dual Enrollment courses receive grades from Sacred Heart High School for the appropriate high school work as well as from the university granting college credit. Grades for those courses are determined by the university criteria. Students are reminded that all Dual Enrollment grades will be included on all future college transcripts and may affect a student's TOPS status the first semester of college. Students who

fail to earn a C or better in any Dual Enrollment course may not register for additional courses. Dual Enrollment students must follow all guidelines, including those for plagiarism, student dishonesty and prerequisites, as set by the individual university, as well as all Sacred Heart School guidelines. Parents and students are responsible for all fees associated with the university credit. Dual Enrollment tuition and fees are set by each university just prior to the start of the school year. Tuition and fees for DE classes are paid directly to the appropriate university and not to Sacred Heart School.

****Note: Parents are encouraged to review their child’s perspective college’s Satisfactory Academic Progress (SAP) Policy before registering the student for a dual enrollment course. In the event a student fails a dual enrollment course or drops the course with a “W” on the transcript, the SAP Policy goes into effect.***

LOUISIANA TUITION OPPORTUNITY PROGRAM FOR STUDENTS (TOPS)

Louisiana’s Tuition Opportunity Program for Students (TOPS) is a comprehensive program of state scholarships and one of the most innovative and progressive student assistance programs in the nation. TOPS has four components, all of which are available to Sacred Heart School undergraduate students. **Courses listed in the chart below, have been revised according to Sacred Heart course offerings.**

***Note TOPS and TOPS TECH worksheets are available to the students and parents/guardians via the school website and/or in the counselor’s office. The Administration highly recommends that all students considering these awards follow and complete the worksheet annually.**

TOPS GRADE POINT AVERAGE CLASSES OF 2023 AND BEYOND

Students will earn an extra quality point for a grade of A, B or C in state-designated Honors and Dual Enrollment classes taken in the 11th and/or 12th grade when calculating the TOPS GPA. As a result, students enrolled in Honors and/or Dual Enrollment courses may have a GPA higher than 4.0. ***This only applies for TOPS GPA not Cumulative GPA.**

TROJAN SCHOLARS

Trojan Scholars, which has been in existence at Sacred Heart since 1979, is an academic honorary society for high school students. The name of the program is derived from the school mascot, the "Trojan." The primary purpose of this program is to encourage and motivate students to excel academically. In order to be a "Trojan Scholar" a student must maintain a 3.7 average for the final grades of the last two terms (previous spring and fall semesters).

An evening program is held to honor these students and their parents. Students are presented with a certificate, a specially designed T-shirt and the following:

- Freshmen – a customized lapel pin embossed with school crest
- Sophomores – an engraved, gold key ring
- Juniors - a patch for his/her jacket or sweater
- Seniors – an engraved pen set

Students are allowed a "free day" from school - any day of their choosing as an incentive for their dedication and hard work to their academics. **Parents must call a day in advance to notify the school that the student is taking his/her Trojan Scholar Day.**

HONOR ROLL

High school students will be recognized for their spirit of excellence in academics at the start of each school year with the elementary students being recognized at the end of the school year. High school students who have earned a minimum GPA of 3.0 the previous school year will be honored accordingly:

- Trojan Honor Roll – All A's
- Gold Honor Roll – GPA of 3.9 – 3.8
- Blue Honor Roll – GPA of 3.79 – 3.4
- White Honor Roll – GPA of 3.39 – 3.0

Elementary students will be honored accordingly:

- Trojan Honor Roll – All A's every 9-weeks on the report card
- Gold Honor Roll – A's and B's only within the 9 weeks with all A's for final grades on the report card
- Blue Honor Roll – A's and B's only within the 9 weeks and A's and B's only for the final grades on the report card

SUMMER READING PROGRAM

The Diocese of Lafayette encourages all students to read every day during the summer. Reading is the biggest factor in a student's overall academic success. Students who read more do better in school. Our goal at Sacred Heart School is for every student to become an avid reader and develop a love for reading. Students should be able to reach that goal by reading a minimum of 30 minutes daily. 4th—12th grade students are required to read a novel during the summer break for their English classes. Students will be assigned a teacher-made assessment and various assignments during the 1st grading period on the book read from the Summer Reading list. 12th-grade students will also be assessed on the novel assigned for their World History class.

SCHOOL EDUCATIONAL FIELD EXPERIENCES

Students must have official, diocesan approved field trip requests properly signed by the parent/guardian to be able to travel with a school group to an off-campus activity. **Telephone requests and/or other communications by parents are not accepted as permission for travel.** It is mandatory that all Sacred Heart School parents/guardians, volunteers and chaperones have up-to-date Safe Environment training certification in order to provide assistance with the students.

ACADEMIC ACCOUNTABILITY

ACADEMIC HONESTY

Students are expected to maintain the highest standard of academic honesty. This includes work on research papers, homework and other assignments as well as on tests. Students should refrain from loaning flash drives to other students. **If work has been copied, there will be assumed guilt on the part of all students involved.** Student work or behavior that, in the determination of the teacher (based on the totality of the evidence, including the statements of witnesses and the subject student's version of the events), is a violation of academic honesty will be subject to the consequences of the cheating rule described in the **Academic Integrity Code**. Students should have a strong desire to do their best and not take credit for the efforts of another student.

All students will receive a 0 for cheating on any type of assessment at Sacred Heart School.

PLAGIARIZING

Plagiarism is “a direct violation of intellectual and academic honesty.” Although it exists in many forms, all plagiarism refers to the same act: using “someone else's” ideas or phrasing and representing those ideas or phrasing as our own, either on purpose or through carelessness, is a serious offense known as plagiarism. “Ideas or phrasing” includes written or spoken material — from whole papers and paragraphs to sentences, and phrases — but it also includes statistics, lab results, art work, etc. “Someone else” can mean a professional source, such as a published writer or critic in a book, magazine, encyclopedia, or journal; an electronic resource such as material we discover on the World Wide Web; another student at our school or anywhere else; a paper-writing “service” (online or otherwise) which offers to sell written papers for a fee.

To avoid plagiarism when writing a paper using secondary sources, students must cite the source, record their research accurately and proofread their writing carefully. [*Three different acts are considered plagiarism: (1) failing to cite quotations and borrowed ideas, (2) failing to enclose borrowed language in quotation marks and (3) failing to put summaries and paraphrases in your own words.*]

ACADEMIC INTEGRITY CODE

As a student of Sacred Heart School, I understand that I should strive to be a seeker of Truth and an individual of character. I recognize that the proper formation of my character is dependent on my virtuous actions every day, and that my character and my future are negatively affected by any unethical actions I take today.

I understand that I am cheating if I, for my benefit or for the benefit of another student, am a principal or an accomplice to any of the following:

- Copy, fax, scan, duplicate or transmit – using any technology including computers, electronic notepads, smartphones or other devices – any assignments that will be turned in as original work.
- Exchange assignments by printout, flash drive transfer, modem or other electronic or recorded means, then submit it as original work.
- Write formulas, codes, key words on my person or objects for use during a test.

- Use hidden reference materials during a test.
- Use programmed materials in watches, calculators, electronic devices or computer programs when prohibited.
- Relay questions or answers from a test or quiz to students who have not yet taken it, or obtain questions or answers about a test or quiz prior to taking it. This includes receiving information from students who have already taken the test/quiz or using test/quiz from previous years.
- Relay questions or answers from a test or quiz to another student or students during a test (i.e., while the test is in progress.)
- Submit someone else's work/assignments as my own, in whole or part.
- Submit material (written or designed by someone else) without giving the author/artist name and/or source (e.g. plagiarizing or submitting work done by family, friends or tutors).
- Submit, for credit, the same work in more than one class without prior teacher approval.
- Take credit for group work when no significant contribution was made by me.
- Do not follow additional specific guidelines on cheating as established by a department, class, or teacher (e.g., when I claim to have read a work that I have not in an English class but read-only Cliff/Spark Notes, watched the movie or when I use a translator program in a foreign language class.)
- Steal tests, answers or materials or have unauthorized possession of such materials, including the possession or attempted possession of materials designated for teacher use.
- Sabotage or destroy the work of others.

I understand that violation of the SHS Academic Integrity Code will result in disciplinary action, including but not limited to, academic penalty resulting in a grade of 0, suspension, removal from the Honors Program, removal from co-curricular and athletic activities and/or possible withdrawal or expulsion. This code covers all school-related tests, quizzes, reports, class assignments and projects, both in and out of class.

GUIDANCE SERVICES

Sacred Heart School has a comprehensive, developmental guidance program administered by a full-time counselor. The school counselor handles career and college counseling, personal advisement and academic counseling. The counselor assists students in identifying/setting academic, career and personal goals while advising them to consider options for achieving these goals through a healthy and positive means.

Academic and college counseling begins when the student enters the 8th grade. A long-term relationship between the counselor and the students begins when the first 5-year plan is prepared in the spring of their 8th grade year or before the spring of their freshman year. The relationship is strengthened as he/she works with students throughout their high school years.

SCHEDULE CHANGES

Although students **may not** request specific teachers, a student’s schedule is subject to change to balance student enrollment in certain classes. Poor performance in a course, dislike of the sequence of courses and/or dislike of a teacher does not merit consideration for a change. The school **will not** consider a request for a change in the schedule unless, however, a change is necessary:

- a. due to a scheduling error committed by the school;
- b. a student is completing an academic course, which substantially affects some scheduled course in the summer before the new school year;
- c. a student must take a course failed the previous school year and which was not available online as a summer-school session.

SCHOOL	STUDENT	PARENT
Teachers update grades in <i>Renweb</i> every 2 weeks. The beginning and end of each grading period is posted on the school calendar on <i>Renweb</i> . Report cards are available on <i>Renweb</i> according to the dates posted on the calendar.	Students, along with their parents, should review grades weekly on <i>Renweb</i> . Students with a grade of D, F or I at any time should meet with his/her teacher(s) and Guidance Counselor.	Parents are urged to schedule a conference and/or email the student’s teacher(s) in the event of possible failure or incomplete grades.

COLLEGE/CAREER PLACEMENT COUNSELING

Terra Nova Next is an assessment system, which measures academic achievement in English, math, and reading in grades **2-7**. Terra Nova Next is linked to the ACT College and Career Readiness Standards, research-based information that makes test results meaningful by connecting a student’s Terra Nova Next score to specific skills and knowledge important for college and career readiness.

The standardized assessment for grades 8-10 is the Pre-ACT. The Pre-ACT provides a score range for each subject area and a composite score. This allows 8th – 10th graders to determine if they are on target for college readiness as they prepare to take the ACT test and engage in college planning. Eligible sophomores and juniors take the **PSAT** or the National Merit Scholarship Qualifying Test. As the guidance counselor assists students with the interpretation of the results of standardized tests, students gain insight into college, work and/or vocational options. Paper and online interest inventories are given periodically to students to assist with exploring and developing career plans. Students may also meet individually with the school guidance counselor during non-instructional time to discuss career options and receive guidance.

ACADEMIC COUNSELING

Academic counseling remains an essential part of the guidance offered at Sacred Heart. While all of our students are offered the opportunity to individually meet with the guidance counselor to discuss their academic needs throughout the school year, students with deficiencies in grades beginning with the 1st grading period of each school year are identified and individually counseled.

ACADEMIC SUPPORT PROGRAM FOR K – 12 STUDENTS

The purpose of the Academic Support Program is to help students experiencing learning challenges achieve greater success in their academic endeavors. All members of the Sacred Heart faculty are required to be actively engaged in professional development activities to educate themselves regarding the educational needs of students. Individually, and as a faculty, we continually implement new strategies into the daily instruction to accommodate the diverse needs of these students in our classrooms. Sacred Heart School will offer appropriate resources and accommodations to support the learner's needs as funding becomes available.

ISN and ISP (Individual Service Plan) accommodation plans are implemented through the school's SBLC committee and coordinated interventions can be employed to assist students' academic needs.

Parents/Guardians of students with learning difficulties or other special needs are encouraged to schedule a meeting with the Administration and the child's teacher(s) the first week of each school year to discuss the child's condition and needs.

Referral Process for receiving an Individual Student Needs Plan:

1. Student referral by parent, teacher or administrator
 - Student is having academic problems in a course/courses
 - Data will be evaluated: report cards, test scores, previous testing and GPA (2.0 or lower)
 - Meeting held with parents, teachers and possibly the student
2. Intervention Process
 - Students identified, as needing extra support, will be provided with interventions.
 - Ex. Classroom accommodations, modifications or other appropriate supports
 - If currently taking medication, a doctor's note is required

**Note: A student is NOT assigned an ISN just because he/she is taking medication for ADD, ADHD, anxiety, etc. The purpose of that medication is to help the student; only if the medicine is proving to not sufficiently help the student, will a referral process be commenced.*

3. Evaluation Process
 - Students who do not make adequate progress with added supports shall be referred for evaluation
 - For a list of approved education evaluations, please see the ISN Chairperson (Guidance Counselor)

**Note: ISN's are NOT provided to students merely for ACT testing purposes.*

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT of 1974

The *Family Educational Rights and Privacy Act of 1974* is a federal law which states that a written institutional policy must be established and a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the school will maintain the confidentiality of student education records. Sacred Heart School shall not unlawfully disclose personally identifiable information in educational records without the written consent of a parent, or if the student has reached the age of majority (18 years), without the written consent of the student. Parents and students have the right to inspect and review a student's

educational records maintained by the school, though copies shall not be made available unless the student's account is free of an outstanding balance. Parents and students shall also have the right to request that the school correct inaccurate or misleading information in a student's educational records and if denied following a hearing, shall have the right to place a statement in the record setting forth their view regarding the contested information.

Sacred Heart School retains the right under federal law to disclose information from a student's education records without consent of the parent/student to the following parties or under the following conditions:

- School officials with legitimate educational interest
- Other schools to which a student is transferring
- Specified officials for audit or evaluation purposes
- Appropriate parties in connection with financial aid to a student
- Organizations conducting certain studies for, or on behalf of, the school
- Accrediting organizations
- Appropriate officials in cases of health and safety emergencies
- State and local authorities, within a juvenile justice system, pursuant to specific state law
- To comply with a judicial order or lawfully issued subpoena

DISCIPLINE POLICY

One of the most important lessons of Catholic education is discipline. which requires the implementation of a discipline code that respects the dignity of all members of the school community. Discipline is the training that develops self-control, character, efficiency and the ability to cope with the responsibilities of adult life. In line with the vision of Sacred Heart School, a ***Discipline Policy*** has been designed to create an orderly and disciplined environment, that will result in the formation of academically well-rounded, respectful, confident, young men and women who are prepared to take leadership roles within the community and the Catholic Church.

Because it is impossible to foresee all problems which may arise, this handbook empowers the faculty and administration to take disciplinary action for any behavior which violates the Gospel message of Jesus Christ, the spirit, philosophy and code of conduct of the school, even if the negative behavior is not specified in the handbook. The principal is the final recourse in all disciplinary situations and, in his/her discretion, may grant an exception or variance relative to any disciplinary policy for good cause.

Because a student's behavior can serve to injure the reputation of Sacred Heart School, both as a parochial education institution and as a school community, the Administration reserves the right, in its discretion, to take disciplinary action for any misconduct of a student for school- sponsored events and/or if the child is dressed in attire which identifies he/she as a student of Sacred Heart School (i.e., school uniform, athletic uniform, spirit group uniform, letterman jacket, or any uniform associated with Sacred Heart School).

The discipline policies are intended to: promote personal responsibility and self-control, provide a classroom environment conducive to learning, provide for the well-being and safety of each student and promote cooperation between teachers and parents in supporting proper behavior.

The student's rights are:

- to have a teacher who is in a position to, and will, provide the student with positive support for his appropriate behavior.

- to have a teacher who is in a position to, and will, help the student limit his/her inappropriate behavior.
- to choose how to behave and know the consequences that will follow.

The teacher's rights are:

- to establish a classroom structure and routine that provides the most desirable learning environment in light of his/her needs and encourage the positive spiritual, social, educational and emotional development of the student.

The parents' rights are:

- to expect a quality Catholic education; that their children's safety will be paramount; that they will have reasonable access to instructors and administrators; and, that they can present concerns and receive fair hearings.

The school's rights are:

- to require a parent to withdraw his/her student(s) from the school in order to achieve our mission to...*provide an environment, which instills the morals, ethics and values according to the Catholic faith, enhances academic excellence and encourages social development.*

ELEMENTARY DISCIPLINE EXPECTATIONS AND CONSEQUENCES

The expectations and consequences for students in grades K-8 can be found online.

DUE PROCESS

Disciplinary investigations will be determined by the circumstances and egregiousness of the reported misconduct. Absent extenuating or emergency circumstances calling for immediate action in the interest of safety, no student shall be subjected to disciplinary action without (1) being advised of the alleged misconduct and (2) being given an opportunity to tell his/her side of the story and identify witnesses and/or potentially relevant evidence in his/her defense. Whether additional investigation is warranted shall be determined by the Administration based on the facts and circumstances presented. If there is any disagreement or dispute as to relevant facts, the administration shall make a determination of the facts based on its interpretation of the totality of the evidence available (including the credibility of the witnesses involved). If the Administration is convinced that the misconduct "more probably than not" occurred, disciplinary action may be taken.

FOLLOWING PROTOCOL

When a parent/guardian has a question or concern regarding a school matter and would like to speak to someone at the school, he/she should follow protocol:

1. Teacher/Sponsor/Coach
2. Guidance Counselor/Athletic Director (if applicable)
3. Principal
4. Pastor
5. Grievance Committee meeting with the Sacred Heart Advisory Council and Administration

*See *Diocesan Grievance or Appeals Procedure*

CODE OF COURTESY

As a means of ensuring Sacred Heart School is continuously instilling its mission and vision in our students by assisting in the formation of disciplined and confident young men and women,

all students are expected to be polite and respectful toward others both on and off the campus. The following are etiquette guidelines every Sacred Heart School student is expected to follow at all times:

- Always address faculty and parent volunteers with appropriate respect, using titles proper to their positions (Father, Coach, Miss, Mr., Mrs., Ms.).
- “Thank you” is the expected expression of gratitude when adults and/or fellow students provide assistance.
- Say, “Yes Ma’am” or “No Sir” to respond to a question. Do not say “Yep” or “Nope.”
- Say, “Excuse me” when you don’t understand and are requesting an adult repeat something for you. Do not say, “What?” or “Huh?”
- Excuse yourself when you want to interrupt an adult who is busy. Wait your turn when the adult is talking to someone else.
- Classroom decorum ordinarily requires a student to raise his/her hand and wait to be recognized before speaking.
- Common respect for adults requires you to allow adults to pass before you when entering a building or room, and that you hold the door open for persons coming behind you into a building or room.
- Be quiet and listen until the adult is finished speaking.
- Answer all questions politely.
- Do what you are told to do immediately.
- If you have something to say, wait until the adult is finished speaking and request permission to speak.
- Accept the adult’s decision. Don’t argue, make faces or walk away while the adult is speaking.
- Courtesy demands respect for school property. Students are asked to help maintain the appearance of the campus by keeping the campus free of litter and by treating the landscaped and parking areas with respect.
- While in the classrooms and buildings, students are asked to deposit trash in the trash receptacles located in each classroom and throughout the school.

The safety of our school community is of the utmost importance and our top priority. At Sacred Heart School, we take any threat of violence seriously and reserve the right to take aggressive action to protect individuals and the school community as a whole. Even seemingly frivolous threats or threats ostensibly made in jest can be subject to misinterpretation, cause emotional harm and disrupt the orderly operation of a school. All threats are therefore treated as genuine threats, and the Administration reserves the right to involve law enforcement as deemed appropriate.

HAZING/ANTI-BULLYING

Policy Statement

The intent of this policy is to support our Catholic schools’ commitment to provide a safe learning environment for all students. As we are all created in God’s image and likeness, the Roman Catholic Diocese of Lafayette affirms that all people have inherent dignity. We are called to reflect the values of Jesus in His regard and respect for all people as it is written “So always treat others as you would like them to treat you; that is the Law and the Prophets.” (Mt. 7, 12). In this way, we build up the Body of Christ within our Catholic schools. Bullying and hazing creates an environment in which dignity and respect are compromised. Therefore, we attest, bullying and hazing have no place in our Catholic schools.

The Diocesan policy (DP 3018) for anti-bullying and hazing applies to all students and shall be in effect while students are on school property, while on school-owned or school-operated/leased vehicles, while attending or engaged in school sanctioned activities and while

away from school grounds if the misconduct directly affects the good order, efficient management and/or the reputation/welfare of the school.

Definition of Hazing

Hazing is the deliberate encouragement, direction and/or participation (active or passive) of any activity which subjects another student to actual or potential physical, psychological or emotional harm, or civil or criminal consequences for the purpose of initiation into, admission to, affiliation with, continued membership in or acceptance by existing members of any school organization, group or extracurricular activity, whether occurring on or off campus. "Consent" of the victim shall not be recognized as a defense to the school's prohibition of hazing. Hazing may involve harassment, degradation, humiliation, intimidation and/or ridicule to an individual or group, willful destruction of public or private property or criminal or other offensive acts against third parties.

Definition of Bullying

1. Bullying is defined as a pattern of one or more of the following behaviors:
 - a. Gestures, including but not limited to obscene gestures and making faces;
 - b. Written, electronic, or verbal communications, including but not limited to calling names, threatening harm, taunting, malicious teasing or spreading untrue rumors;
 - c. Physical acts, including but not limited to hitting, kicking, pushing, tripping choking, damaging personal property, or unauthorized use of personal property; and
 - d. Repeatedly and purposefully shunning or excluding from activities.
2. Behavior defined as bullying is exhibited toward a student, more than once, by another student or group of students and occurs, or is received by, a student while on school property, at a school-sponsored or school-related function or activity, in any school bus or van, at any designated school bus stop, in any other school or private vehicle used to transport students to and from schools or any school-sponsored activity or event.
3. Bullying must have the effect of physically harming a student, placing the student in reasonable fear of physical harm, damaging a student's property, placing the student in reasonable fear of damage to the student's property, or must be sufficiently severe, persistent and evasive enough to either create an intimidating or threatening educational environment, have the effect of substantially interfering with a student's performance in school, or have the effect of substantially disrupting the orderly operation of the school.

False Accusation

Any student who knowingly makes a false accusation of bullying or hazing is subject to disciplinary action as set forth in this policy.

Retaliation

Retaliation against any person who reports bullying or hazing in good faith is prohibited and is subject to disciplinary action as set forth in this policy.

Discipline

Disciplinary action arising out of a violation of this policy shall be at the discretion of the school administration. Disciplinary action may include, but is not limited to, a warning, detention, suspension or expulsion. Repeat violators are subject to additional disciplinary action. Violators may also be subject to criminal penalty under Louisiana law, including §14:40.7 (Cyberbullying), §14:40.3 (Cyberstalking), §14:40.2 (Stalking), §14:40.1 (Terrorizing), §14:40.8 (Criminal Hazing), §14:35 (Battery), §14:36 (Assault), § 14:40.6 (Unlawful Disruption of the Operation of a School) and other criminal laws.

LUNCHROOM BEHAVIOR

Students must adhere to the procedures for entering and exiting the cafeteria and receiving their food. Food or beverages, including water purchased in the cafeteria, are not to be taken out of the cafeteria area. Students are to leave the tables and general area clean by picking up plates, milk pouches, napkins and utensils and pushing his/her chair in its proper position. Utensils are not to be thrown in the trash bends.

SCHOOL RULES OF BEHAVIOR

Sacred Heart School has drawn up a list of guidelines concerning student behaviors that are considered unacceptable and opposed to the peace, tranquility and goals of the school.

Although the violations are not a complete list of unacceptable behaviors, the primary responsibility for acceptable behavior lies with the student and his/her parents.

STUDENTS ARE EXPECTED TO KNOW AND FAITHFULLY ADHERE TO THE SCHOOL'S AND EACH OF THEIR TEACHER'S RULES, WHICH INCLUDES RESPECTING THEMSELVES AND OTHERS AT ALL TIMES WHILE PRACTICING GOOD MANNERS AND CHRISTIAN ATTITUDES. Students, when representing Sacred Heart School, are also expected to guard the good name of the school and its students by behaving in a manner that reflects well on their school and observes the intent of the school's code of behavior.

All adults on the campus are authorized and responsible to correct students who are in violation of these rules during the school day and/or at extracurricular events. This includes regular faculty, clergy, substitute teachers, parent volunteers assuming teachers' duties, volunteer coaches and cafeteria and maintenance personnel. Violations should be reported immediately to faculty members and/or Administration.

The Administration reserves the right to discipline a student for violation of any school rule, including suspension.

BEHAVIOR AT CO-CURRICULAR AND EXTRA-CURRICULAR EVENTS

As representatives of Sacred Heart School, whether at this school or another, Sacred Heart students should demonstrate their very best Christian and social behavior at all times. Students should seek to have their behavior reflect positively on their home and school training. **The rules of behavior apply not only to the school day, but also to school field trips, sporting events and all extracurricular and co-curricular activities, whether the students are participants or observers.** Sacred Heart School students, faculty and parents must remember that they represent the school at all times and must never bring discredit to our school. Everyone must earnestly strive to live by our school philosophy at all times.

VANDALISM

Acts of vandalism may result in serious disciplinary action, including suspension and/or expulsion. Furthermore, the student and/or his/her parents shall be required to make full restitution, which could include expenses associated with labor, materials and other damages.

If the student withdraws from the school and wishes to return to Sacred Heart after being expelled or withdrawn for the specified time period, he/she must formally re-apply for admission to Sacred Heart School, and appear for a school-level committee meeting consisting of

administration, clergy, faculty and Advisory Council members. After deliberation, the committee will meet with the student and his/her parents to explain its decision.

HOME STUDY

A student that is involved in, accused of or charged with a serious wrong or some inappropriate behavior may be placed on a program of home study by the principal pending the outcome of an investigation or internal review (Diocesan Policy 3015).

In the event that a senior, at the end of the school year, is on Home Study due to inappropriate behavior according to school policy, he/she will not be allowed to participate in the graduation ceremony.

ELEMENTARY DETENTION

Detention for 4th – 8th grades, report to the assigned detention classroom promptly at 7:00 AM Monday – Friday mornings. Anyone arriving after 7:05 AM will not be allowed to complete detention that day and must return the following day. Students will complete written assignments given by the teacher referring to detention. They must come prepared with all necessary supplies. After a student receives his/her 3rd detention per semester, any subsequent detentions will be an in-school suspension.

SCHOOL SUSPENSION

The Rules of Behavior outline serious infractions of rules and unacceptable behaviors, **any one of which, depending on the circumstances, could result in suspension of the student(s) involved.** The Administration may impose suspensions after consultation with the teacher and/or investigation of the situation. The parents/guardians will be notified before the student is suspended, and the suspension may vary from one to three days and may be distinguished as in-school or out-of-school suspension. The student will be assigned an unexcused absence during the suspension period.

IN-SCHOOL SUSPENSION

The student will be assigned to detention, beginning at 7:00 a.m. until dismissal on the specified day(s); he/she is responsible for all notes, homework, etc. missed on the specified day(s). 9th – 12th grade students **will be allowed** to make up any work or any tests assigned for a grade following the suspension; however, the student's assessment and/or project will be assigned a grade of 80 before the teacher begins grading the assessment and/or project. K-8th grade students, on the other hand, will be allowed to take any test assigned on the day of the in-school suspension; however, student's assessment and/or project in grades 7 and 8 will be assigned a grade of 80 before the teacher begins grading the assessment and/or project.

OUT-OF-SCHOOL

While the student is responsible for all notes, homework, etc. missed on the specified day(s), he/she **will not be allowed** to make up any work nor any tests assigned for a grade following the suspension and will receive an unexcused absence. In the event a teacher assigns a quiz and/or test on the day of the student's suspension, **students in grades K-12 will earn a grade of 0.** However, in the event students have been assigned a project, term paper or any other assignment which was previously in progress, the student is allowed to submit the work previously completed at that particular time.

Diocesan policy limits a suspension to three days. Violations warranting a longer suspension period will be considered as requiring a possible expulsion.

While serving an in-school or out-of-school suspension, students in grades K-12 cannot participate in nor attend any school activity or function.

The Administration reserves the right to vary the penalty and/or its general classification depending on the circumstances of the offenses. Separate policies and/or statutes dictate the penalties for some serious violations of school rules and/or criminal laws, such as the use and/or possession of drugs, alcohol and weapons at school. This also includes student use of any social networking, postings or digital communications such as, but not limited to, those made available on Facebook®, Twitter®, Instagram®, Snapchat®, etc. ***if the student's content includes disparaging, threatening, negative or defamatory comments regarding the school, faculty and/or other students, or is otherwise inflammatory and/or inappropriate.*** (SEE POLICIES ON TESTING FOR ILLEGAL SUBSTANCES, ALCOHOL, POSSESSION OF ILLEGAL DRUGS, DRUG PARAPHERNALIA AND INTERNET AND NETWORK ACCEPTABLE USE POLICY)

K – 12 BUS CONDUCT

Misbehavior on the school bus presents a threat to the safety of all students. **The following applies to students who ride the bus to school as well as for students who use buses for school activities and functions.**

1. Students will enter and leave the bus at loading stations and at highway bus stops, on time and in an orderly fashion in accordance with instructions from the supervising adult.
2. Students will remain reasonably quiet and shall not distract the bus driver.
3. Students will remain seated while the bus is in motion.
4. Students will cross roads in accordance with instructions and provisions of Louisiana State Law.
5. Students will neither purposely nor carelessly destroy property.
6. Students will not extend any parts of the body or any object out through windows.
7. Students will not throw objects about in the bus nor out through windows.
8. Students will not eat, drink or smoke on the bus.

WITHDRAWAL/EXPULSION

EXPULSION

Expulsion from school is an extremely serious penalty that may result in the student losing a year of academic work. Expulsion may result with no prior violations of school rules for very serious offenses. A student who habitually violates minor school rules may be expelled from school when all other means of disciplinary actions have failed and/or when a student is a moral or physical threat to the safety, spiritual and/or academic welfare of other students, faculty or staff.

When expulsion is under consideration by the Administration, the student and his/her parents/guardians will be given an opportunity to have a hearing with the Administration before the final decision/position is determined. During the time of the investigation and deliberation,

the student will be suspended from school or placed on home study. The Administration will serve no notice of expulsion upon a student until the pastor has been advised and given approval. The parent, who disagrees with the decision of the Administration as approved by the pastor, may appeal the decision as provided for in the "Diocesan Grievance Procedure" section. Students who have been expelled from any Diocesan school may not apply for admission to another Diocesan school for a minimum of one (1) year from the date of expulsion. If a student is expelled from Sacred Heart School, he/she will not be allowed to reapply to Sacred Heart until the one-year expulsion time period has concluded. He/She, along with the parent/guardian, must also meet with the pastor, administration and Discipline Committee for a hearing in order for a decision regarding re-enrollment to be determined.

***Students who have been asked to withdraw or have been expelled from Sacred Heart are not allowed to attend any dance, pep rally or other school function.**

ARREST POLICY

Students arrested at a school function, whether on or off campus, will be suspended pending further investigation. **Students charged and/or arrested for any reason at any given time will be called into a meeting before a special school committee to explain his/her behavior and determine the consequences. Sacred Heart School may impose disciplinary action regardless of the outcome of the criminal charges.**

Note: The rationale for meeting with students who have been arrested is twofold. **One is to gather information concerning behavior, which could lead to problems on the school campus and/or with other students or faculty at SHS. The second purpose is to offer pastoral counseling to the student concerned.**

SEARCH AND SEIZURE POLICY _____

While a student is on campus or otherwise under the supervision of the school, the Administrator or his/her designee reserves the right to search said student, his/her personal automobile, belongings, locker and surroundings for any evidence potentially relevant to a report of misconduct or if there is reasonable suspicion of the presence of contraband. Contraband is any thing, item or article forbidden on campus by the civil or criminal law or by school policy. The Administration may also search individuals or groups of students for stolen items. No student will be asked to remove clothing other than outer garments (jackets, sweaters, etc.).

STUDENT PARKING AND VEHICLES _____

Upon arrival, students must come into school promptly and may not linger in the parking lot and/or near vehicles. Students may park vehicles only in areas designated by the Administration, or the student will have his/her driving privileges revoked for a specified amount of time. No student will be allowed to go to his/her vehicle during the school day unless the Administration has granted permission and/or accompanied by a faculty member. Students who are in the parking lot or near cars without permission will be disciplined and/or lose parking privileges on campus.

Students driving on campus will be required to purchase a parking decal with the other mandated Book Fees in order to park on campus. Decals may also be purchased throughout the school year if they are in need of replacing. Students are not allowed to share and/or use another student's decal when parking on campus. Each grade level will be assigned grade-specific parking decals. In the event a student does not have his/her parking decal, he/she must

purchase a temporary tag. The fee for the parking decal will be used to repair and maintain the parking areas on campus.

FIREARMS AND WEAPONS

Louisiana law makes it illegal to bring a firearm or any other dangerous weapon or item which could produce death or bodily harm (such as, but not limited to, an incendiary device, knife, club, gasoline, pick, etc.) onto school property or within 1,000 feet of the school's property or onto a school bus. This prohibition exists also at any school-sponsored function on campus or away from school property. More specifically, the law prohibits possession of a firearm or dangerous weapon not only on school property or within 1,000 feet of the school's property or on a school bus, but also at any school-sponsored function in designated areas including, but not limited to, athletic competitions, dances, parties or any extracurricular activities. This would include such functions even if they were not held on the school's property.

Any violation of this law must be reported to both the parents/guardians of the student and the appropriate law enforcement agency. A confiscated weapon must be turned over to the proper law enforcement agency.

Students violating this law will receive severe disciplinary action and may be subject to criminal charges. **Young men and women who hunt must be aware that no hunting weapons may be on their persons, in personal bags, or in vehicles brought on campus.** The law applies to all parents, other adults and visitors at the school and school functions. **The Federal Gun Free School Act dictates that schools that receive federal funds must expel students who bring guns or other firearms to school.**

CELL PHONES/ELECTRONIC DEVICES

- **K – 6 students are not allowed to bring cell phones/electronic devices to school.**
- **7th – 12th grade students** may check-in their cell phones at the designated areas when entering school **after silencing them.** However, from the time students get to school until dismissal, students may NOT have cell phones in their possession, regardless if the cell phone is turned on or off or if the cell phone is in the student's locker, book sack, purse, pocket, etc.
- **Smart watches, such as *Apple Watches, Samsung Gear, etc.*, are not allowed on campus.**
- Possession of a cell phone/electronic device/smart watch will result in **a one-day in-school suspension for any K – 12th grade student. Upon 2nd offense and additional offenses the student will receive an out-of-school suspension.**
- **Sacred Heart School is not responsible for any lost, stolen or damaged cell phones.**

ALCOHOL AND DRUGS POLICY

Sacred Heart School has been designated as a ***Drug Free Zone***. Alcohol cannot be in the student's vehicle, brought onto or consumed on campus during, before or after school hours. There are additional legal penalties for bringing or consuming any illegal drug on campus. This law applies to parents, students and visitors alike.

Any parent or student who sponsors, promotes, hosts, encourages or chaperones a party where underage Sacred Heart School students (minors) are allowed to use alcohol or drugs are in direct violation of Sacred Heart School policy and consequently jeopardize their child(ren)'s continued enrollment at Sacred Heart School.

Sacred Heart students are subject to various types of tests for the use of alcohol and/or other drugs before admittance to, during and after various school activities. A student who violates the school's drug/alcohol policy will receive a 3-day, out-of-school suspension.

TOBACCO & SIMILAR PRODUCTS

Students will not be allowed to smoke, chew, or consume any tobacco or similar product at any time during the school day or at extracurricular functions. Students may not carry or have in their possession or in their personal belongings any containers, matches, lighters or other paraphernalia associated with the use of tobacco products or similar products, which includes but not limited to cigarettes, cigars, smokeless tobacco, snuff, *juul* pods, e-cigarettes and vapes. Possession of any tobacco or similar products mentioned will result in an **out-of-school suspension**.

TESTING FOR ALCOHOL AND ILLEGAL SUBSTANCES

At the beginning of the school year, each student (grades 6 – 12) and at least one parent or legal guardian will sign an acknowledgement of the drug testing policy and agree to be tested for illegal substances and alcohol as provided for in the policy. A student will be denied permission to attend class until the permission slip is properly signed each year.

A student attending a school function on campus or away from campus may be tested for alcohol using a breathalyzer device if a faculty member, school sponsor or parent volunteer has reasonable suspicion of consumption of alcohol.

Testing for illegal substances will be done at school on a random basis and/or on the basis of reasonable suspicion by a comprehensive drug testing company. The representative may conduct the random tests by obtaining urine samples from students. In the event a student is unable to produce a urine sample, the company representative may collect a hair sample from the student.

I. IMPLEMENTATION: Testing and reporting of results will be conducted as follows:

- Specimens will be collected by a collection agency(ies), laboratory or hospital.
- Steps will be taken to ensure accurate tests.
- Analysis of the specimens will be done by a certified evaluating agency.
- Results of testing will be reported to the respective Administrator.
- Parents will receive all results.
- Students testing positive will be subject to procedures set forth by the Administration.

II. PROCEDURES FOR POSITIVE RESULTS

- **FIRST POSITIVE** – The Administration will hold a meeting with the parent/guardian and student within three days of receiving results. The student will have a 3-day, out-of-school suspension. He/She must enter and successfully complete an outpatient substance abuse program at the parent/guardian's expense. Parents/Guardians must sign to release the information from the agency to the school. Retesting may be required

at any given time at the parent/guardian's expense for a period of one calendar year. After that, the student may be subject to random testing. He/She will not be eligible for any awards or honors for that school year.

- **SECOND POSITIVE** – The Administration will hold a meeting with the parent/guardian and student within three days of receiving results. The student will be expelled from the school for one calendar year. In the event the student would like to return for the next calendar year, he/she must apply for entry.

***** Any urine/hair sample that is reported adulterated by the drug testing vendor will be considered positive.**

DRUG POLICY/PROCEDURE GUIDELINES

A LICENSED SUBSTANCE ABUSE COUNSELOR

- Students will be randomly tested through *Global Data Fusion*, the service agency used for all testing.
- The Administration receives the test results from *Global Data Fusion*.
- The Administration contacts the parents/guardians whose child has tested positive. If the parent/guardian can verify that the positive test is resulting from prescription medication, SHS will be satisfied with a statement in writing from a Medical Doctor.
- Parents/Guardians who cannot satisfactorily validate the child's positive drug test will be told to contact a licensed substance abuse counselor within seven days of notification from the school Administrator.
- The licensed substance abuse counselor may schedule two (2) appointments with the parent(s)/guardian(s) and student.
- Parents/Guardians will be asked to contact the licensed counselor within (5) five days to inform him/her of their decision for treatment.
- Once the parent(s)/guardian(s) have contacted the licensed counselor, it will be the parent/guardians' responsibility to follow through with treatment.
- The counselor will contact the school Administrator to inform her of the results and mode of treatment the parent(s)/guardian(s) have chosen.
- It will be the parent/guardians' responsibility to inform the school counselor when treatment is complete and send a Notice of Completion by the Substance Abuse Counselor of Treatment Center.
- Once the school counselor has received the information in writing, he/she will then contact the school Administrator notifying her that the student has completed the recommended course of treatment.
- If the parents/guardians do not contact the licensed counselor within (30) thirty days of treatment, the counselor will contact the school Administrator.
- All releases will be acquired by the licensed counselor.
- Client/Student records will be kept confidential by the school counselor.

- Parents/Guardians will pay the appropriate fees to the licensed substance abuse counselor.
- Adjustments or amendments to this policy/procedure can only be made with written approval by the licensed counselor, the Administration and the Sacred Heart Advisory Council.

POLICY FOR POSSESSION OF ILLEGAL DRUGS, DRUG PARAPHERNALIA & ALCOHOL

A student found to have on his possession, and/or in his possession illegal drugs and/or drug paraphernalia at school or any school function, on or off campus, will be expelled.

A student found to have on his possession, and/or in his possession alcohol at school or any school function, on or off campus, will be given **a 3-day, out-of-school suspension.**

STUDENT PREGNANCY POLICY

ABORTION

The moral teaching of the Catholic Church relative to human life cannot be wantonly ignored or willfully disobeyed by any student (male or female) at Sacred Heart School. A student will be subject to expulsion if the Administration determines that a student facilitates, actively supports and/or participates in an elective abortion.

DIOCESAN POLICY FOR STUDENT PREGNANCY

Diocesan Policy adopted in the spring of 1999 reads as follows:

The Catechism of the Catholic Church reaffirms the teaching of Christ regarding chastity in stating: "All the baptized are called to chastity. The Christian has 'put on Christ,' the model for all chastity. All Christ's faithful are called to lead a chaste life in keeping with their particular states of life." As we continue to form young men and women in their baptismal commitments through Catholic education, each educator within our school system should take an active part in teaching the virtue of chastity. When a student or unmarried faculty member has not lived according to the virtue of chastity and the sexual act results in an unwed pregnancy, the clergy and the principal are to counsel and offer pastoral care to those involved. Counseling should include the added responsibilities of the new parents, which will arise, with the birth of the child(ren).

While premarital sex is wrong, the pregnancy is a gift from God, and unless the sex act occurs on campus or at a school-sponsored event, students may not be penalized or punished by the school. A female student who becomes pregnant may continue her education on-campus unless her own physical, spiritual or psychological state requires at least temporary withdrawal and the beginning of a course of home study. As one major concern is for the health and safety of the pregnant girl while attending school, the student shall furnish a Pregnancy Status Report to the Administration as soon as the pregnancy is confirmed and then at least every six weeks thereafter. If this form is not completed or if it is not submitted within the time frame set forth, the principal may consult the appropriate people and then take whatever action is deemed suitable to ensure that the health and safety of the young lady involved is protected.

(DP 1022-UN-WED PREGNANCIES) The Diocese of Lafayette has specific, prescribed policies concerning student marriage and pregnancy; copies are available in the administrators' offices.

ABSENTEEISM AND TARDINESS

Students of Sacred Heart School are expected to attend school one hundred seventy-eight (178) days per year, as required by the state attendance policy (*Louisiana Department of Education Bulletin 741*) in order to be eligible to receive credit. Regularity of attendance and punctuality are important to the child from the first day of school. Students are allowed to be absent no more than ten (10) days per school year (excused or unexcused). Exceptions to this policy can only be granted in the event of extenuating circumstances as determined by the administrator of Sacred Heart School. In general, extraordinary circumstances that would be considered excused absences include:

- a. Extended personal physical or emotional illness
- b. Extended hospital stay
- c. Extended recuperation from an accident
- d. Extended contagious disease within a family
- e. Death in the family (not to exceed one week)
- f. Natural catastrophe and/or disaster
- g. For any other extenuating circumstances, parents must make a formal appeal in accordance with the due process procedures established by the Advisory Council

A child who has been absent for a full day or a portion of a class should present a written explanation from the parent or doctor when he/she returns to school. (A parent can only submit written explanations for a total of 5 absences within the school year). Excuses are given to the office where the excuse will be posted in the student database. It is the responsibility of the student who was absent to see his/her teacher(s) immediately upon returning in order to make up any work missed.

In cases of absences numbering more than allowed by Louisiana law in a school year not covered by the extenuating circumstances mentioned above, the student shall not be promoted to the next grade or given credit for the course(s) pursued.

RECOVERY SEAT TIME

In the event a 9th-12th grade student has received unexcused absences or administrative approval for excused absences that exceed the allowable ten (10) days for a school year, he/she will be required to make up the instructional minutes missed through recovery seat time. To receive credit for the course(s) he/she has not been in attendance for the state-mandated instructional minutes, the student must compensate for these minutes loss by attending school after the regularly scheduled instructional time. (i.e. following early dismissals, completion of mid-term and/or final exams, etc.) The student will be assigned rigorous assignments, remedial work, activities, etc. pertaining to content/course work taught during the school year to ensure that he/she receives the information crucial for the student's level of comprehension and success.

TARDINESS

K-8

An administrative letter will be sent for K-8 students earning 3 unexcused tardies. 5 unexcused tardies will warrant a parent conference to discuss consequences.

9-12

High school students absent 27 minutes or more will be considered absent in that class.

Any student arriving after the 2nd bell must report to the office for a tardy slip before going to

class. Repeated tardiness and early sign-out have a great influence on the student's education. Leaving and arriving during a scheduled class is also an interruption of instructional minutes. **9th – 12th grade students receiving 4 unexcused "tardies" for a class warrants a discipline referral, resulting in detention. In the event a student receives 3 additional unexcused "tardies" for the same class, he/she will be assigned an in-school suspension.**

Teachers will post a grade of "0" for 7th – 12th grade students or "I" for K – 6th grade students for each assignment missed (homework, assessments, projects, etc.) for an excused or unexcused absence. The grade will be changed after the assignment is completed under the following conditions:

- a. Absence is deemed excused by the administration, and the assignment is completed
- b. Students missing only one day of school are expected to have all work and take all assessments upon returning to school.
- c. If a student should miss more than 3 successive school days, he/she must speak to his/her teachers immediately upon his/her return
- d. A grade of 0 will be posted for any graded assignment during an unexcused absence for grades 7 - 12 students. A grade of "I" will be posted for grades K – 6 grades.
- e. Failure to complete and submit the work to the teacher will result in a grade of zero.

Assignments made prior to the absence or assessments announced prior to the absence must be made up immediately upon a student's return, and long-range projects are due on the assigned date regardless of absence on the due date. Late assignments/projects may be collected for a grade at the teacher's discretion. Points will be deducted for each day the assignment/project is late.

TYPES OF ABSENCES

Excused: An excused absence is one in which the student is absent for a legitimate reason as determined by the Administration. The student is allowed to make up all the work missed during the absence. **The student with an excused absence is allowed to make up any and all work missed during the absence.** The student has a **maximum of 3 days after returning from an absence** to submit an excuse for his/her absence and speak to his/her teacher regarding the make-up work. Excuses submitted after the 3rd day upon return **will not** be accepted. The student immediately upon his/her return to school must make arrangements for "make-up" work. All excused absences are counted as part of the student's total attendance record as required by the state attendance policies (*Louisiana Department of Education Bulletin 741*).

Unexcused: An unexcused absence is one in which the student is absent without an approved reason or simply as a matter of convenience (e.g., out of town trips, getting driver's license, hair/nail appointments, etc.). All unexcused absences are counted as part of the student's total attendance record as required by state attendance policies (*Louisiana Department of Education Bulletin 741*).

Extended: A student absent for an extended period of time must present a doctor's excuse to the Administration before being readmitted to class. All extended absences are counted as part of the student's total attendance record as required by the state attendance policies (*Louisiana Department of Education Bulletin 741*).

VISITATION OF COLLEGE CAMPUSES

If a student conducts an official visit to a college campus during instructional time, he/she must provide official documentation from the college stating the time and date of the visit, reason for visit and a signature of the campus employee providing assistance during the visit. Agendas **will not** be accepted as official documentation.

FAMILY TRIPS

Family trips scheduled during instructional time must be cleared with the Administration in advance of the trip. A request should be made in writing to the Administration describing the trip and the necessity of traveling during school time. While the school encourages travel and the opportunity for learning that travel inherently carries, parents should be mindful that any time away from class is lost instructional time for their child/children. Furthermore, **absences for family trips count toward the total number of absences allowed in a year or semester and all work missed must be completed within the time allotted by the teacher. Students are required to complete assignments/assessments and communicate with their teachers during the absence through the structure of distance learning. High school students will not be excused to take trips during mid-term or final exams.**

SIGNING STUDENTS IN/OUT DURING INSTRUCTION

Parents/Guardians are strongly discouraged from signing students out of school for any reason during the instructional day. **In the event a student needs to sign out during instruction, the student must present the parent request to the office before the morning bell.**

Parents/Guardians must sign the checkout book in the office when signing a student out of school during instruction. The signed statement indicates the student's responsibility to insure that all required work and/or tests will be turned in and completed within the allotted time. Elementary students being signed-out to attend a high school pep-rally with a parent may not sign-out before 2:15 P.M. In the event the child is taking a test during the specified time, he/she must complete the test before signing-out. Parents of high school students are allowed to fax a written document including their signature, giving their child permission to sign in and/or out of school. **Phone calls or emails will not be acceptable. Students may leave campus with authorized ADULTS only.** (Adults in which the parents/guardians have listed as those who may sign out the student.) High school students are not allowed to sign-out siblings at the elementary unless a written note from the parent is submitted prior to the child's departure. **Sacred Heart faculty members are not allowed to sign out students unless they are an immediate relative and are included on the student's Emergency Contact List. It is important to ensure students do not have excessive absences and/or are not failing the course(s) in which he/she will be absent before signing him/her out of school.**

PERFECT ATTENDANCE

Students in grades K– 12 who have not missed or signed-out of school during the instructional day will be honored and recognized during a ceremony.

DIOCESAN GRIEVANCE OR APPEALS PROCEDURE

1. GENERAL

In the event of an alleged violation, misapplication or misrepresentation of a rule, regulation or policy affecting a student or school employee where said grievance has not been satisfactorily resolved by the school administration, an appeal may be made to the local advisory council. If, after review by the local advisory council, the complainant believes the grievance is still not satisfactorily resolved, an appeal may be made to the Diocesan Schools Advisory Council. The right of appeal (at either level) for a grievance pertaining to a student shall be strictly limited to the parents and/or court ordered legal guardians of the aggrieved student. The right of appeal for a grievance pertaining to an employee shall be strictly limited to the aggrieved employee.

2. LOCAL APPEAL

To file a local appeal, the aggrieved person(s) should contact the advisory council chairperson.

- a. The chairperson will obtain whatever details necessary and discuss the matter with the principal. If the school's

Administration has not, in fact, been consulted or has not completed action, the individual(s) concerned will be referred to the school and the chairperson will take no further action at that time.

- b. If the school has indeed completed its action, or if the complainant is not satisfied when action is complete, the chairperson will inform the aggrieved person(s) that an appeal may be submitted to the advisory council, in writing within a five (5) working day period. The written appeal should briefly provide details and specifically cite the rule, regulation or policy that is involved in this situation.
- c. Upon receipt of the written appeal the chairperson will so advise the pastor/chancellor,
 - (1) The pastor/chancellor will consult with the executive committee of the council. If it is decided that the appeal does not merit a formal review, the complainant will be informed of that fact and the case is closed at the local level. The aggrieved party may appeal that decision to the Diocesan Schools Advisory Council for review.
 - (2) If the pastor/chancellor believes, after consultation with the executive committee of the council, that the appeal should be referred to a local grievance committee, he will appoint, or direct the chairperson to appoint, such a committee. The committee may include council members, parents, faculty or any others that can provide a fair and impartial hearing. The committee should consist of 5-7 individuals and the hearing should be conducted without undue delay.

- d. At the hearing,
 - (1) the committee will normally meet separately with each party; however, a meeting with both parties simultaneously may be held if the committee chooses
 - (2) No attorney may represent either party.
 - (3) The committee must understand that its review is to focus only on whether or not a rule, regulation or policy was violated, misapplied or misrepresented.
 - (4) The committee will confer privately after all concerned have been heard and relay its recommendations to the pastor/chancellor.
 - (5) If, as a result of its review, the committee believes that changes to rules, regulations or policies might be appropriate it may make suitable recommendations to the advisory council and to the principal.
- e. The pastor/chancellor will communicate the appeal decision directly to all concerned or he may ask the chairperson of the council to do so. Notification should be in writing and should be made within five (5) working days after receipt of the report of the committee. A copy is to be forwarded to the Superintendent of Catholic Schools.
- f. Either party may appeal the local decision to the Diocesan Schools Advisory Council should a review at that level be desired. The appeal should be made in writing to the Superintendent of Catholic Schools within five (5) working days after receipt of the result of the local appeal.

3. DIOCESAN APPEAL

- a. Upon receipt of a proper request for diocesan review, the superintendent, after consultation with the president of the Diocesan Schools Advisory Council, will decide whether or not to conduct a formal hearing. The superintendent will inform all concerned as appropriate.
- b. If a hearing is to be conducted, the superintendent will consult with the president of the Diocesan Schools Advisory Council then appoint an Ad Hoc Committee of the Diocesan Schools Advisory Council to hear the grievance.
- c. The procedure to be followed by this committee is the same as on the local level. When the hearing is complete, the superintendent will make the appropriate notification.
- d. All decisions at the diocesan level are final and the case is closed at this point.

TECHNOLOGY ACCESS

Sacred Heart School recognizes that access to the resources of the Internet can be a valuable teaching/learning and communication tool for teachers and students. Access to the information available via the Internet allows students to use the wealth of thousands of databases and libraries around the world, to interact with content area experts from around the world, to conduct joint projects and studies with other students and teachers in a global community. The use of the Internet as a scholarly tool is a necessary skill to all students. As much as possible, student use should be directed to or structured in ways that point students to educational sites that have been evaluated by the professional staff prior to use or have been recommended by reliable professionals. Sacred Heart School also recognizes that the wealth of information on the Internet poses some very real dangers and potential problems for its students and teachers. Notwithstanding supervisory and software-based safeguards put in place to minimize the risks against students being exposed to morally, spiritually and legally objectionable materials, these risks cannot be completely eliminated. Sacred Heart parents and students must share with the school the responsibility for using the resources of the Internet only for moral, legal, educational, life affirming and spiritually uplifting opportunities and experiences. And, outside of school, parents bear the responsibility of guiding their children's use of other information sources such as television, telephones, radio, movies and other media that may contain offensive materials. The use of the Internet and email services will be offered to teachers for the purposes of communication within and outside of the school. The use of the Internet and email services may be offered to students on a limited basis in keeping with what is appropriate to the age and need of the students. These resources are to be used at all times in keeping with the philosophy and mission of the school, to be used to contribute to the school's goals and objectives and always in a manner appropriate to Christian men, women and young people.

TECHNOLOGY POLICY

As required by the *Children's Internet Protection Act (CIPA)*, Sacred Heart School uses **Content Filtering** to assist in protecting students from objectionable materials on the Internet. **This Content Filtering will apply to students logged onto devices provided by the school and using their individual school Google account both on and off campus.** This does not absolve parents and students of their responsibility to observe all school policies and procedures. Students will be required to complete and pass a Digital Citizenship Course at the beginning of each school year prior to using the Internet on campus.

PUBLICATION OF RULES AND PROCEDURES FOR INTERNET AND NETWORK RESOURCES

In order to maximize the benefits of Internet and school network usage and minimize the dangers, Sacred Heart School has developed a set of rules and procedures for student use. The rules and procedures may vary with the age of the students involved. School procedures will outline the specific purposes for which students and teachers may use Internet services, the specific obligations of faculty and students, and guidelines for acceptable, legal, ethical and efficient use. The use of school network services is considered a privilege, and the Administration may revoke that privilege for any misuse or violation of its acceptable use or for any other reason at any other time.

PARENT PERMISSION/STUDENT PRIVACY

The curriculum for ALL Sacred Heart students requires Internet use. Students in grades 4-12 are required to sign and adhere to the “Acceptable Use Policy” annually. These documents are kept on file in the school office.

Students in grades K-3 will sign a modified Acceptable Use Policy which is age-appropriate. Internet use for grades K-3 will be teacher-bookmarked sites only. Browsing and searching is prohibited and will be monitored and filtered by electronic means and teacher supervision.

These services allow students access to files, communications and projects on and off campus without the need for other portable media or communications methods. **All rules and consequences previously mentioned also apply here.**

DISTANCE LEARNING GUIDELINES

During times of extended school closures, Sacred Heart School faculty and staff will continue to communicate with students through various means. We recognize that online safety is of huge importance, and we hope that this document helps to protect both school staff and students while online.

We recognize that online collaboration is essential for distance learning. Sacred Heart School will provide a *Chromebook* for each student with access to a variety of online tools, which will assist in providing more effective teaching and learning, while also enabling greater communication between staff, families and students.

DRESS/UNIFORM REQUIREMENTS

The Sacred Heart School dress code is inspired by and is intended to be consistent with and in furtherance of the values of the Catholic faith, providing a standard for our students that fosters an environment conducive to learning and respectful appearance and behavior. Sacred Heart School's dress code is designed to stifle individual freedom of expression, identity or creativity but rather to embrace and preserve unity and a sense of "team" within our Christian community. A student's appearance is a reflection of him/her as an individual, his/her parents/guardians and his/her school. Students largely determine the spirit of a school. Sacred Heart School is an environment that encourages students to foster its Christian spirit and advance the school's Catholic philosophy, vision and mission. The uniform and other regulations are intended to assist the student in this process and encourage the growth of the student into a respectful, responsible adult who appreciates and facilitates ideals of Christian cohesiveness, unity and harmony. In keeping with Christian values, Sacred Heart School dress codes are gender specific, the gender of a student being determined by the student's physical sex.

***Please contact an Administrator BEFORE PURCHASING if you have any questions regarding these regulations. ABSOLUTELY NO ALTERATIONS may be made to any aspect of the uniform – i.e., splitting pant legs, stitching pleats, etc. All uniform items must be an appropriate size for the student's body.**

SACRED HEART HIGH SCHOOL FUNCTIONS

Sacred Heart School presentations and dances are events that reflect the philosophy of our school as influenced by the teachings of the Catholic Church, including teachings regarding modesty.

According to the Catechism of the Catholic Church, "Purity requires modesty. Modesty protects the intimate center of the person. It means refusing to unveil what should remain hidden. It is order to chastity to whose sensitivity it bears witness... Modesty is decency. It inspires one's choice of clothing. It is discreet... It keeps silence or reserve where there is evident risk or unhealthy curiosity. It is discreet... Teaching modesty of children and adolescents means awakening in them respect for the human person."

In accordance with these teachings, **all students must wear their school uniform when attending (but not limited to) Trojan Scholars, National Honor Society and Praise Team Inductions, Athletic Awards and Blessing of the Ring Ceremonies.**

5TH - 8TH GRADE ATHLETIC ELIGIBILITY

5th - 8th grade student athletes, managers and/or cheerleaders must follow the academic guidelines as stated:

to be eligible for the first semester of fall sports for each school year and participate in or try out for a Sacred Heart School team and/or cheerleading squad, a student shall have passed at least five (5) classes (not including PE) from the previous school year, which shall be listed on the student’s report card and shall have earned a “C” average as a final average the previous school year when considering all “graded” subjects. Sacred Heart school recognizes a “C” average as a 2.0 in a 4.0 quality point system (4.0 – A, 3.0 – B, 2.0 – C and 1.0 – D). To be eligible for the second semester of the school year, a student shall pass **at least 5 subjects at midterm, not including PE.**

5th - 8th grade students who do not meet this minimum requirement cannot participate in Sacred Heart’s athletic competition.

The Administration also has the discretion to remove a student from an extracurricular and/or co-curricular activity because of inappropriate behavior.

The rationale for adding the behavior criterion to the athletic eligibility is as follows:

1. Membership on school teams and the cheerleading squad are desirable positions, and due to the fact that Sacred Heart Elementary has a wealth of talented students, unfortunately some are not chosen for these limited number of positions. The positions should not only be given to students who are athletically talented, but also well-behaved, respectful and obedient.
2. Participation in extracurricular and co-curricular activities is a privilege, not a right of a student. Students who seek leadership status in the school must model a Christian attitude, good behavior and be a worthy representative of the school at all times.
3. The athletic program of the school is important, but like all extracurricular and co-curricular activities, are only a small part of the total school. The elementary athletic program has value only as it seeks to support the mission of the school and goals of the athletic program which read:

The mission of Sacred Heart School is to teach doctrine and academics, to build community and to serve in a manner that instills morals, ethics and the values found in the Gospels of Jesus Christ.

The goal of the Sacred Heart School Athletic Program at the elementary and high school levels is to develop discipline, character and a love of God. All other goals must fall within these parameters.

HIGH SCHOOL ATHLETICS

Working with each student's academic program, Sacred Heart's Department of Athletics seeks to make the Sacred Heart student a well-rounded individual. Athletic eligibility is in compliance with *LHSAA (Louisiana High School Athletic Association) Scholastic Requirements*. According to LHSAA,

to be eligible for the first semester of the school year, a student shall have earned at least six (6) units from the previous school year, which shall be listed on the student's transcript and shall have earned a "C" average as determined by the Local Education Authority when considering all "graded" subjects. To be eligible for the second semester of the school year, a student shall pass at least 6 subjects from the first semester.

**Sacred Heart school recognizes a "C" average as a 2.0 in a 4.0 quality point system (4.0 – A, 3.0 – B, 2.0 – C and 1.0 – D).

Students who do not meet this minimum requirement cannot participate in Sacred Heart's athletic competition. If a student does not earn the required 2.0 GPA, parents/guardians have 1 week from the date the final grades are posted to contact the Athletic Director to review eligibility requirements and options according to the policies set forth in the LHSAA Handbook.

****It is the parent's responsibility to keep track of his/her child's athletic eligibility.**

AUDITIONING FOR EXTRA-CURRICULAR ACTIVITIES

Students who are willing to audition for an extra-curricular activity must be presently attending Sacred Heart School. This policy applies to all extra-curricular activities with the exception of those governed by the Louisiana High School Athletic Association. (POLICY ADOPTED BY THE SACRED HEART SCHOOL BOARD IN JUNE, 1996)

ATHLETIC CODE OF CONDUCT

Sacred Heart School is a member of the *Louisiana High School Athletic Association* and is classified as a 1A school for athletic competition. The school follows the rules and regulations of the *LHSAA*. In addition, the school follows its own sportsmanship code that incorporates Catholic values into the athletic program. All SHS student athletes are given copies of this code, and all members of the SHS family are encouraged to do everything possible to promote good sportsmanship at all school events.

Even when officiating, coaching, participating and scheduling may not appear to conform to an individual student, teacher and/or parent's preferences, SHS fans and students are urged to demonstrate Christian sportsmanship, patience and fair play.

Parents should not send food or treats for the children without checking with the child/children's teacher. In grades K-3, check with your child's teacher if you would like to send a birthday treat for the afternoon recess.

PRESENTS OR FLOWERS FOR STUDENTS

Gift giving among K-12 students is not allowed. The school discourages exclusive boy-girl relationships at school. No boy or girl is to bring a present for a "girlfriend" or "boyfriend" at Christmas, Valentine's Day or any other occasion. Parents or friends are not to send birthday or other presents, food gifts or flowers to students at school.

PERSONAL MESSAGES

Except in emergency situations, parents are asked not to call the office to deliver messages to students. Phone-use in the school offices (elementary and high school) will be limited to emergency use only and monitored by office personnel. Arrangements for rides, etc. should be made before school. The office is a place of business, and personal matters should not interfere with its operation. Delivering messages also interrupts the instructional process in the classroom for all students.

Students are cautioned **not** to bring large amounts of money to school. If students wear eyeglasses, they should keep track of them at all times. SCHOOL-HOME COMMUNICATION _____

It is important for parents to be continuously informed about their child/children's progress at school. Therefore, listed below are the ways in which the Sacred Heart School communicates with parents.

PARENT COMMUNICATION

One of the greatest factors that affects student success is parent-teacher communication. In the event parents/guardians have questions/concerns regarding their child, he/she is required to adhere to the protocol as follows:

1. In an effort to respect and sustain strong, open parent-teacher communication, the respective teacher/coach/faculty member should be contacted before administration in regards to any concerns, via email, phone conference or through scheduling an in-person parent-teacher conference.
2. In the event the issue has not been resolved within a reasonable amount of time, the parent/guardian may contact the principal via email, phone conference or schedule an appointment by contacting the office.
3. If the issue remains, the parent/guardian may contact the pastor by calling the church rectory during business hours.

ONLINE COMMUNICATION www.shsyp.com and *Renweb*

The school seeks to keep parents informed of upcoming events and activities, problems they should be aware of, and the needs of the school. Refer to the hyperlinks on the website for the school calendar of events. Frequent notices, notes from teachers, letters from the Administration and important notices concerning policy or rule clarification or changes are posted on the web page.

Teachers will communicate with parents/guardians informally by emailing, making phone calls and/or sending a note. However, **faculty members will not respond to abusive, impolite or harassing communication.**

Parent communication via phone text and email regarding the school's curriculum, various notifications, emergency situations, etc. will be made through *Renweb*.

TROJAN TRACKS and WEEKLY NEWSLETTERS

The Sacred Heart School Development Office publishes *The Trojan Tracks* twice a year and a weekly newsletter. The Development Director will notify the faculty as to when information needs to be submitted in order for our school's accomplishments, reminders and future information to be posted.

K – 12 STUDENTS ARE RESPONSIBLE FOR DELIVERING NOTICES, LETTERS AND OTHER CORRESPONDENCES TO PARENTS/GUARDIANS.

ELEMENTARY COMMUNICATION

1. Grades are posted weekly on *Renweb* for viewing.
2. Each week, all students in grades K-4 will bring home an envelope/folder containing test papers and/or grade reports from the previous week. Students in

grades 5-8 will review papers from the previous week in class. Parents wishing to view the test papers may schedule an appointment with the teacher.

4. Parents/Guardians are encouraged to email their child's teacher or contact the perspective school secretary to schedule an appointment with the teacher to address concerns or need more information on the child's progress.

HIGH SCHOOL COMMUNICATION

1. Grades are posted weekly on *Renweb* for viewing.
2. Parents/Guardians are encouraged to email their child's teacher or contact the perspective school secretary to schedule an appointment with the teacher to address concerns or need more information on the child's progress.
3. The principal and/or Dean of Students notify parents of major discipline issues via phone conference, official discipline referral and/or *Renweb*.

PARENT INVOLVEMENT

REQUIRED DOCUMENTS

Required Documents are to be completed by each family during the designated time frame before the new school year begins. These documents are very important for the safety and care of your children. They include information such as Safe Environment, Medical Forms, etc. It is mandatory that the school receive the forms on the designated days. Incomplete packets **will not be accepted**.

If all required documents have not been completed, the student will not be allowed to attend the first day of school. He/She will receive an absence for each day missed due to incomplete documents.

PARENT/GRANDPARENT VOLUNTEERS

Parent interest in the spiritual, educational, social, sporting and extracurricular activities of the school is vital in developing and sustaining an outstanding school. Parents and grandparents are encouraged to become involved and volunteer their services and talents to the students. Be assured that the interest and assistance of parents and grandparents is both needed and truly appreciated by the faculty, Administration and students. All volunteers interacting with students must have current Safe Environment certification.

SAFE ENVIRONMENT PROGRAM

The Diocese of Lafayette requires ALL adults who teach, coach or interact (volunteers, chaperones, substitutes, etc.) with Sacred Heart School students go through an initial Safe Environment Program training, and every year thereafter will renew the continued educational program.

FAMILY SERVICE HOUR PROGRAM

The Family Service Hour Program is designed (1) to create a family atmosphere among Sacred Heart School

Heart School families and (2) to maintain the school facilities and provide easy management of school activities.

To accomplish these two goals, each family will be required to provide 15 service hours of work to the school. Four hours may be completed by attending school meetings of the Parent Teacher Club and/or Athletic Booster Club. One service hour will be granted per meeting.

A family must present its work hour sheet at the meeting for validation. During the years in which *Trojan Day* is scheduled, 3 additional service hours (total of 18 hours) are required of each family to be completed at the annual *Trojan Day* (applies to the years the event is scheduled).

If a family does not meet the required number of work hours, that family will not be allowed to register its children for the next school year until it pays a fee of \$50.00 per hour owed to the school. If the family of a Senior or 8th grader does not meet the hour quota or pay the \$50.00 per hour fee by the day of registration for the current school year, the student will not be allowed to take final examinations and/or participate in his/her graduation/promotional ceremonies.

The work cycle is for all families. The work cycle will run from the registration deadline to registration deadline. (designated by Sacred Heart School) Work hours must be received and approved before a child is registered for the following school year. The work hour sheets are to be submitted to the elementary or high school office of Sacred Heart School.

The procedure for turning in the work hour sheet is listed below.

1. Complete the sheet with the family and child(ren)'s names, family ID number, the date and project name.
 2. **Acquire validation of time worked. Only a project chairman can validate hours worked.** HOURS WILL NOT BE ACCEPTED WITH IMPROPER VALIDATION.
 3. Validate all hours worked, even if there are more than the required hours. This allows Sacred Heart School to monitor the program.
- Only the immediate members of the family may get credit for the hours worked. The definition of *immediate family* is parents/guardians of the student, grandparents of the student and brothers and/or sisters of the student above 18 years of age who have graduated from high school.
 - A family may exchange materials and/or other laborers for family work hours. A committee of volunteers appointed by the Sacred Heart Advisory Council will determine work hours earned in exchange for material and/or laborers supplied.
 - **Families are not allowed to work for other families, transfer hours to other families or carry over hours for the next year.**
 - Sacred Heart School will try to provide as much equipment and tools as needed for a project, but is not responsible for personal equipment or tools used by volunteers.
 - Families that do not reenroll their children and do not fulfill the work hour requirements must pay any delinquent fees prior to seeking readmission to Sacred Heart School in the future.
 - **Beginning in the 2000 – 2001 school year, if a parent/guardian signs up to perform service hours, he/she must complete the hours. If he/she is unable to do so,**

he/she must notify the project chairman at least 24 hours in advance or find a substitute to complete his/her hours. If he/she does not work or find a substitute, he/she will be assessed extra hours on an hour-for-hour basis. If a substitute fills in, the substitute gains service hours for him/her, but the parent/guardian does not gain any service hours. By finding a substitute, the parent/guardian relieves him/herself of any penalty.
