As we begin the beautiful and challenging season of Lent, our readings this week remind us why we need these 40 days so much. They also suggest a particular strategy we Christian stewards might take as we make the journey toward Easter.

Our Gospel passage from Matthew shows us by the example of Jesus Himself one way that we can attain spiritual strength and grow to become more effective disciples and stewards. In this passage, we find our Lord in the desert, fasting for 40 days and 40 nights. Like Adam and Eve, He is confronted by the evil one. But unlike our fallen parents, our Lord triumphs definitively over the devil's lies and sends him slithering away.

How did He do it? By knowing the Scriptures and by proclaiming them confidently. And by His perfect trust in the Father.

This Lent, let us embrace this 40-day spiritual reset. Let us prioritize our use of time by committing to prayerful study of the Scriptures and trusting more deeply in the Father's love. We will surely be better stewards by Easter.

## *Fasting Days*

include Ash Wednesday and Good Friday (one full meatless meal is permitted), and meatless Fridays during Lent (fish and shellfish are permitted).

## *The Three Pillars*

of Lent are prayer, fasting and almsgiving. In addition to fasting, many also choose to abstain from other comforts during Lent.

## *Holy Week*

begins with Palm Sunday, April 2, a celebration of Christ's triumphant return to Jerusalem.

## *Easter Triduum*

begins with Holy Thursday, April 6, at Sunset, signaling the end of the Lenten season.
