Ways to Honor Mary this May During Quarantine

Check out these ways you can grow in your devotion to the Virgin Mary while staying at home.

Each of the 12 months of the year has a Catholic devotional theme. It's a great way to bring special traditions, symbols, colors and even foods to enrich our faith life at home. It's a special blessing during this time that so many of us are self-quarantined. Here are 10 ways you can make your home bloom with love to Mary, to make your domestic church come alive with faith and love to comfort you and increase your prayer life.

1. DECORATE YOUR TABLE

Now's the time to bring out that blue tablecloth or runner, in honor of Mary. Or give the kids each a piece of blue construction paper and have them decorate it to honor Our Lady.

2. MAKE A MARY GARDEN

Get a statue of Mary for your garden, then honor her by planting some special blooms.

3. HAVE A MAY CROWNING

Children of all ages delight in a May crowning. If you have a garden, the littlest ones in the family will enjoy picking flowers to place before the statue or helping to make a flower crown.

4.OFFER SPECIAL MARIAN PRAYERS

Say a family Rosary or even a decade together.

5. COOK FOR THE QUEEN

Make a special Marian-themed dinner.

6. PLAY MUSIC FOR MARY

If you can play an instrument, you might try your hand at playing anything from "On This Day, O Beautiful Mother," to "Gentle Woman."

7. CONTEMPLATE A MARIAN MASTERPIECE

Search for classic works of art featuring Our Lady and find a favorite; then get a print for your home.

DEVOTION TO MARY

(Rose to Mary Ministry)

O MOST BLESSED MOTHER, heart of love, heart of mercy, ever listening, caring, consoling; hear our prayer. As your children, we implore your intercession with Jesus your Son. Receive with understanding and compassion the petitions we place before you today, especially for

Blake Gergen

We are comforted in knowing your heart is ever open to those who ask for your prayer. We trust to your gentle care and intercession those whom we love, who are sick, lonely, hurting or have gone before us. Help all of us, Holy Mother to bear our burdens in this life until we may share eternal life and peace with God forever. Amen.

The rose often symbolizes Mary, the Queen of Heaven. In relation to the Blessed mother it displays perfect love, form, fragrance, and color. For Mary the thorns on the rose remind us that Our Lord Jesus Christ wore a crown of thorns and gave up his blood for all humanity, as His Mother, Mary witnessed this suffering and death first hand at the foot of the cross.

Message from the Superintendent of Catholic Schools

As we all adjust to the unprecedented circumstances involving COVID-19 and the need for social distancing, our Catholic school communities remain committed to providing outstanding academic education, faith formation and support for our students and their families.

Our administrators have been closely monitoring the recommendations from our local health agencies, state health department, Center for Disease Control, Texas Catholic Conference of Bishops' Education Department (TCCB-ED), and the Texas Education Agency (TEA).

The schools' administrators met together via video conference to plan and collaborate for the most effective ways to support our families. Following recommendations, we will extend Spring Break through next Wednesday, March 25. Monday, March 23 - Wednesday, March 25 will be a time of in-service for our schools' faculty and staff, preparing to transition to a distance learning platform for our students beginning March 26 – April 3rd. This is a very fluid situation. If adjustments in this plan are necessary, we will communicate with you as soon as possible.

Your local Catholic school will have specific information for you regarding e-learning or remote learning procedures and will communicate with you soon.

The health and safety of our students, families, and school staff are of top importance to us, especially when it comes to the most vulnerable members of our communities. It is our hope that, in responding to the guidance of the global public health community to be proactive in initiating closures, the spread of COVID-19 will be limited and the effects of the illness will be mitigated.

In the Catholic tradition, we identify the family as the domestic church. It is in the family that parents and grandparents hand on the faith to their children. I encourage you, as family, to use this time to come together in prayer. My prayer is that during this time of adversity, our families will grow stronger together, and focus on what is most important – their relationship with Jesus Christ and with each other.

God bless each of you!
