The Way of the Heart

The **Way of the Heart** is the **foundation of our mission**. It is a **structured formation path** of the Pope's Worldwide Prayer Network to enter into a mission of **compassion for the world**.

It helps to bring prayer from the lips to the heart, so that it does not remain only a request for help, but **transforms one's whole life**. It is a compass for our mission.

It is a personal proposal, addressed to everyone, and also to the community, **to change the world**, starting from one's heart.
