FATHER JIM'S CORNER

Dear Friends,

May our Risen Lord's presence and triumph fill your hearts with peace and joy this Easter Season and always!

He is Risen!

He is Risen indeed, Alleluia!

When the risen Christ appears to the disciples, his first words to them are "Peace be with you." In these difficult and challenging times for our world, today we are reminded of these first words heard by the apostles. Like them, we too should desire to be with him, the risen Lord. He is the center of peace and when we participate in his Easter triumph, we encounter his peace.

The peace of Christ flows from his victory over sin and death. During these past forty days we have worked at turning away from the sins that divide us from God and put us into conflict with one another. This Easter, let us pray with special fervor the plea for peace offered in every Eucharist: that Our Lord Jesus Christ may look not on our sins but on our faith and graciously grant us his peace and unity. May we always, in turn, joyfully and courageously carry his saving graces to our hurting world.

My friends, please entrust yourself, your families, our nation and our world to Our Lord Jesus and his saving power. May he bless you and your families and fill you with his peace at Easter and always.

God bless --- Fr. Jim, your pastor

P.S. Remember next Sunday is the Sunday of Divine Mercy!

Hello, my name is Maria Van Camp. I am 14 years old and I have eight people in my family. Last Summer, I went on a youth Steubenville trip to Rochester, Minnesota. It was a lot of fun and there were a lot of talks about various topics. I was feeling anxious about money, so I even got my wallet blessed. So now I have a blessed wallet, which is pretty cool. The weekend was filled with such a positive and uplifting atmosphere and being in that atmosphere of all of these holy speakers and great Catholic people was so impactful for me.

After all of these amazing and fun things, the weekend climaxed at adoration. There was incense and spotlights and praise and worship music. We were in this large auditorium with hundreds of other teenagers, it was amazing. During adoration, the priest took the monstrance which is the vessel that holds Jesus in the Eucharist and brought it around. The priest came by me and it was a really intense moment. There were points where I was shaking and crying a lot. During this time, there was only one thought in my mind and the basis of it was, "this is real, this is God". In that moment I was able to finally let the Lord speak to me instead of trying to answer all my questions.

Typically in prayer, I would ask the Lord a question and then I would sort of try to answer it in my own head. In that moment, I was able to just let go. I asked the question I had for Jesus and then I waited. After a little while the answer to my question came to me through one of the songs that was playing and the phrase that struck me was, "here is my heart Lord". I think we can make prayer really complicated and hard, but it can be just stopping and talking to God just like you would talk to your mom, dad or friend. You can just talk to Him about your day or tell Him, "Jesus, I am just not having a great day today" or, "thank you Jesus. Thank you for this day and these people here".

Prayer has most helped me in my life in the way that it has led me closer to Jesus. It's a place to go and it's a person to know that will never leave, that will never change. God isn't going to go anywhere. Everything else in the world, everything is temporary. But God isn't. If you reach a time when something bad happens, you're not starting from ground zero. You have a friend who even if everybody else abandons you, you always have that friend and He is the only person who will never fail us.

Listen to
"Here's My
Heart Lord"
now!
