

20th SUNDAY IN ORDINARY TIME

"There is a baptism with which I must be baptized, and how great is my anguish until it is accomplished! Do you think that I have come to establish peace on the earth? No, I tell you, but rather division. From now on a household of five will be divided, three against two and two against three."
- Lk 12:50-52

20th Sunday in Ordinary Time

THE EUCHARIST IS THE HEART OF THE CHURCH

(Excerpt from St. Pope John Paul II's homily continued.)

"These are words which concern the very essence of the Eucharist. Behold, Christ came into the world to bestow upon man divine life. He not only proclaimed the Good News but He also instituted the Eucharist, which is to make present until the end of time His redeeming mystery. And, as the means of expressing this, He chose the elements of nature - the bread and wine, the food and drink that man must consume to maintain his life. The

Eucharist is precisely this food and drink. This food contains in itself all the power of the Redemption wrought by Christ. In order to live, man needs food and drink. In order to gain eternal life, man needs the Eucharist. This is the food and drink that transforms man's life and opens before him the way to eternal life. By consuming the Body and Blood of Christ, man bears within himself, already on this earth, the seed of eternal life, for the Eucharist is the sacrament of life in God. Christ says: "As the living Father sent me, and I live because of the Father, so he who eats me will live because of me." (Jn 6:57).

A reflection on the Steubenville Youth Conference

I recommend Steubenville to everyone, either as a chaperone or a student. I have been to Steubenville twice now and the experiences and friendships I have made will always keep me going back.

Steubenville has provided me with the opportunity to adore God with thousands of others my age, and it makes me feel stronger in my faith. I believe Steubenville has impacted my life and my relationships greatly and I am beyond grateful for the opportunity to attend.
