PRAYER FOR PARISH
SPIRITUAL RENEWAL**

Lord God, You love us with an everlasting love, and You choose us to share Your love with others. We ask that You rekindle in our hearts a new spirit of faith, of prayer and of reconciliation. Inspire us to search out and find ways of bringing one another closer to You. We pray for all who form our parish community, that we remain faithful to Your teaching, that we remain steadfast in our prayer, both personal and communal, that together with You and the Holy Spirit, our parish may be renewed and transformed. All this we ask in the name of Jesus and through the power of the Holy Spirit. Amen

Please cut out and pray daily.

reflect upon and renew your sacrificial commitment to support the mission of Our Lady of Mount Carmel and Our Lady of Loreto Parish. For those who are able – there is an opportunity to make a one-time gift to the parish. If you have any questions, please contact the church office.

Thank you to all parishioners who have completed and submitted your Commitment Card to the church. For those parishioners who have not yet had the opportunity to submit their card, a letter has been mailed to you with a personalized Commitment Card. Each and every one of you is a vital member of our parish community and we want to hear from you! This is an opportunity to

FROM THE PASTOR'S DESK

Dear Friends,

I want to share with you a timely message from Dr. William Donahue, President of the Catholic League for Religious and Civil Rights:

“President Biden is the most abortion-happy president in American history. He simply can’t stop talking about it. That he identifies as a Catholic makes him all the more contemptible.

Vice President Kamala Harris is so enthusiastic about abortion that she is embarking on a nationwide abortion “tour,” criss-crossing America on behalf of abortionists and the makers of mail-order death pills.

On January 22, the Biden administration announced that it is going all-out in its promotion of chemical abortion. They will not be enforcing existing law, and that is because they regard those laws to be too restrictive. This explains why Biden is resorting to an executive order. The goal is to increase access to chemical abortion.

The typical method of using chemicals to kill a baby in utero is for a pregnant woman to take mifepristone (RU-486), a pill that the Food and Drug Administration (FDA) has approved for use up to 10 weeks of pregnancy; no one knows how often it is used after 10 weeks.

But we do know about the condition of unborn babies at 10 weeks. That is when the baby’s heartbeat is detectable. It is when the baby’s brain and lungs are starting to form. It is when the baby already has a clearly identifiable human shape.

There are many side effects to this pill. They range from excessive bleeding to septic shock. According to the Charlotte Lozier Institute, chemical abortions have a complication rate four times that of surgical abortion. As many as one in five women will suffer a complication.

The constitutionality of relaxing restrictions on chemical abortions will soon be decided. On August 16, 2023, the Fifth Circuit ruled against the FDA. It said that “thousands of women, and as many as hundreds of thousands, have experienced serious adverse effects as a result of taking the drug, and required surgery or emergency care to treat those effects.” This ruling was appealed and the Supreme Court will render a decision in the spring.

On January 23, Biden spoke in Virginia about abortion rights, hailing his administration’s policies. Among those policies is the new directive from the Department of Health and Human Services that provides training health care workers about federal requirements in the Emergency Medical Treatment and Labor Act (EMTALA). The 1986 law does not specifically mention abortion, but the administration nonetheless argues that “the required emergency care can, in some circumstances, include abortion care.”

EMTALA has never been used before to regulate abortion and nowhere in the law does it mention abortion. This is a novel ploy: The Biden administration wants to force hospitals—including Catholic ones—to perform abortions even if the states ban them. The legality of this, too, will be decided by the Supreme Court this term.

Our borders are being crashed in record numbers by illegal aliens. Inflation is hurting everyone, especially the poor. Violent criminals are being treated like the catch-and-release illegal migrants—they are back on the street before the cops complete the paperwork. Some of the schools are sexually engineering children and in many cases are enabling child abuse by encouraging the sexually confused to transition to the opposite sex.

And what is Biden obsessed with? Finding new ways to kill the unborn. This speaks volumes about the priorities of our abortion-happy Catholic president.”

BLESSING OF THROATS **FEAST OF ST. BLAISE**

In commemoration of the recent feast of Saint Blasé, Bishop and Martyr, and the patron saint of throats, we will bless throats at all Masses **next weekend, February 10 and 11.** This is a sacramental, similar to the imposition of ashes, which imparts grace. This is very popular devotion and you are invited to partake in it.

ADMISSION TO CANDIDACY

This at the 10:00 AM Mass at Saint Paul Cathedral, our parishioner, David Soares, will formally be admitted as a candidate for ordination to the permanent diaconate for service in our Diocese. David has worked very hard for three years in preparation for ordination that will come at a future date. Please keep him and the other candidates in your thoughts and prayers.

WORLD MARRIAGE DAY

We will be celebrating this special event at on **Sunday, February 11 at the 10:30 a.m. Mass.** As part of the celebration we will list the names and years of the married couples in the bulletin that weekend. If you would like to have your name included please call the parish center at 508-753-5001 or email Joan at joan_dargenis@yahoo.com. Please include names, the anniversary date and number of years. We are looking for the couples who have been married fifty years or more to give them a special recognition at the Mass.

We would like you to share your story or maybe your parents love story with us. Maybe you might share your unique marriage customs. Please help us make this a special occasion and also send a message to our children about the Sacrament of Marriage.

PREPARE FOR LENT

What does it mean to Fast?

To fast is to do without food. Its purpose is to experience the effects of not eating. It also serves to be a penance or a sacrifice.—for the purpose of strengthening us. When we don’t eat, we get hungry. When we get hungry, we have a heightened sense of awareness. In this state, we are more apt to ask God to purify us and prepare us to pray more deeply.

What does it mean to Abstain?

To abstain is to not eat meat on Ash Wednesday and all the Fridays of Lent. Its purpose is to be an act of penance—an act of sacrifice. Of course not eating meat and then having a more enjoyable meal instead would defeat the purpose. Some people do not eat meat so it is not an issue for them. Maybe abstaining from a meal you really want would be a sacrifice.

Preparing for Lent....

LORD, JESUS.

As the Holy Season of Lent draws near, I come to you for help. There are so many more things I need to know and even more that I need to understand.

Cleanse my heart as you wash away my sins with your Holy and Precious Blood that you shed for me on the Cross.

Send your Holy Spirit upon me to open my mind and understanding so that I can begin to grasp the magnificence of Your Love for me.

Amen

RESPECT LIFE MINISTRY

Fr. Anthony Kazarnowicz, associate pastor at St. Joseph Basilica in Webster, is a staunch pro-life supporter, praying and attending vigils outside Planned Parenthood and offering Mass on Thursdays, across the street, at Problem Pregnancy. He wrote a recent article entitled "Solution to Sexual Dysphoria" in the "Letters To The Editor" section of our city newspaper that was impressive and is worth repeating.

"That some children are sexually confused is not surprising -- the 1960s "Sexual Revolution" is alive and well and growing. It promotes the falsehood that sex is for pleasure alone without responsibility for children and committed family life (marriage).

"My body, my life, my choice" is its mantra -- as if people created themselves. It rejects God and His sole design of marriage for humankind -- a union between one man and one woman whose love is permanent, faithful and life-giving

Separated from marriage and procreation, male and female bodies lose their God-given meaning and purpose. The use of one's body is now determined by sexual pleasure, shifting feelings, and an anything goes" immorality and inventiveness".

Modern additions to the 1960s "Sexual Revolution" are the ideologies of "radical secular feminism" and LGBTQ+ propaganda, the legalization of pornography, artificial birth control, sterilization, abortion and homosexual marriages; the scorning of motherhood as modern-day slavery; sex acts depicted in electronic media; political correctness, harmful peer pressure; dads with live-in girlfriends, moms with live-in boyfriends, premarital sex, cohabitation, STDs, divorce, single-parent households, absentee fathers and (of course) the denial of sin. The latest development is "wokeness" by politicians, judges and schools (even some so-called Catholic schools).

Everyone needs and wants to be loved, but because of sexual dysphoria, some children are seeking it in the wrong ways, in the wrong places and with the wrong people. Affirming dysphoria is false compassion. I believe the true and only solution is imitating the Holy Family of Jesus, Mary and Joseph".

Fr. Anthony Kazarnowicz

"Remember, the shortest distance between our problems and their solutions is the distance between our knees and the floor"
