Bishop Robert Barron, Eucharist (Word on Fire Institute) Offers a reintroduction to the ancient meaning and power of the Eucharist. Through a threefold analysis of the Eucharist as sacred meal, sacrifice, and Real Presence—distinct but tightly interwoven motifs grounded in Scripture—Bishop Barron draws
readers into the profound truth flowing out of Jesus’ words at the Last Supper: “Take, eat; this is my body./ Drink from it, all of you; for this is my blood of the covenant.”

Bob Schultz, *Be Transformed: The Healing Power of the Sacraments* (Ave Maria Press) explains how the sacraments can fuel your emotional and spiritual healing and bring you closer to God. The sacraments are God’s remedy for sin; they give us a way to restore us to wholeness in Christ.

Brandon Vogt, *Why I Am Catholic (And You Should Be Too)* (Ave Maria Press) serves as a compelling reproposal of the Church to former Catholics, a persuasive argument for truth and beauty to those who have become jaded and disenchanted with religion, and at the same time offers practicing Catholics a much-needed dose of confidence and clarity to affirm their faith against an increasingly skeptical culture.

*Compendium on the Eucharist* (Libereria Editrice Vaticana) A pastoral aid designed to help Catholics explore and understand the mystery of the Eucharist more fully and help guide the faithful to a deeper understanding and celebration of the source and summit of the Christian life.

Edward Sri, *A Biblical Walk through the Mass: Understanding What We Say and Do in the Liturgy* (Ascension Press) Through the mass, we encounter God in the most intimate way possible as we hear him speak to us in the Liturgy of the Word and as we receive him Body and Blood, Soul and Divinity in the Holy Eucharist. The words, the gestures, and the rituals of the Mass are rich in meaning which have biblical roots.

Father Dominic Grassi and Joe Paprocki, *Living the Mass* (Loyola Press) Many Catholics believe that far more people would attend Mass if only the homilies were better, or the music was more inspiring, or . . . the list goes on. But best-selling authors Fr. Dominic Grassi and Joe Paprocki are convinced that the real problem lies not in the Mass itself but in a lack of understanding of how the Mass prepares each person to live day in and day out as a baptized Catholic Christian. In this revised edition of Living the Mass, which takes into account the changes in the new Roman Missal, Grassi and Paprocki thoughtfully explain how each part of the Mass relates to our baptismal call, effectively closing the gap between Sunday Mass and the rest of the week.

Father Patrick Mary Briscoe, OP, *My Daily Visitor: Eucharist* (OSV) A devotional with 40 reflection themes that offers a brief reflection on a particular quote from a saint and concludes with a prayer. Reflection themes include the Real Presence, the Virgin Mary, forgiveness of sin, sacrifice, breaking of the bread, the Lamb’s Supper, the new covenant, and more. This devotional also contains a collection of prayers before the Eucharist written by saints.

*Forming Ministers of God’s Love* (Loyola Press) A two-year program for parents (English and Spanish) designed to empower them as leaders in their own homes and to form ministers for the domestic Church and the parish community. Through weekly small group discussion sessions, parents are given a framework to build a community with other parents and a context in which to discuss real life daily
struggles while also developing their own fully alive faith. https://store.loyolapress.com/parishes/adult-faith-formation/forming-ministers-of-gods-love

Joe Paprocki, *Living the Sacraments* (Loyola Press) Presents the sacraments as a spiritual path. Their power and grace open our hearts to ongoing encounter with God. By inviting readers to delve into the mystery of God's self-revelation through the sacraments, by teaching the essence of each sacrament without being overbearing, and by inviting readers to reflect the divine image of God, Paprocki shows us that the sacraments allow us to experience God's presence in Church rites and through ordinary, tangible experiences. We can, and should, celebrate the sacraments—but we are transformed as we live them.

Lawrence Johnson, *The Mystery of Faith: A Study of the Structural Elements of the Order of Mass* (FDLC) Guides the reader or study group through each part of the Mass in great detail by outlining the historical development, quoting in full the relevant official documents, providing theological reflection and presenting discussion questions. Written in clear non-technical language.

Mike Aqualina, *Understanding the Mass: 100 Questions, 100 Answers* (Servant) Answers practical questions about this central act of Catholic worship and walks you through the Mass, explaining the meaning behind the prayers and practices.

*Pope Francis on Eucharist* (Liturgical Press) A collection of writings, homilies, and talks from Pope Francis, sharing a Eucharistic vision for the church where all are fed and sustained by the Body of Christ. These words from Pope Francis encourage and challenge all of us—nourished by the Eucharist—to be Christ for others.

*Scott Hahn, Consuming the Word: The New Testament and the Eucharist in the Early Church* (Image) Dr. Scott Hahn undertakes an examination of some of Christianity's most basic terms to discover what they meant to the sacred authors, the apostolic preachers, and their first hearers. Moreover, at a time when the Church is embarking on a New Evangelization he draws lessons for Christians today to help solidify their understanding of the why it is Catholics do what Catholics do.

*Scott Hahn, The Lamb's Supper: The Mass as Heaven on Earth* (Doubleday) The Lamb's Supper reveals a long-lost secret of the Church: The early Christians' key to understanding the mysteries of the Mass was the New Testament Book of Revelation. It will help readers see the Mass with new eyes, pray the liturgy with a renewed heart, and enter into the Mass more fully, enthusiastically, intelligently, and powerfully than ever before.

*Stephen J. Binz, The Mass* (Threshold Bible Study, Twenty-third Publications) Explore the biblical foundations of each part of the Mass, the summit toward which all the church's activity is directed and the font from which its life flows. From the procession to the altar and the Sign of the Cross to the final blessing and sending forth, the eucharistic liturgy of the church is a mosaic of words, images, and actions drawn from sacred Scripture. By studying and reflecting on the biblical springs of each element of the Mass, learn to participate more actively with greater appreciation.

*Stephen J. Binz, Eucharist* (Threshold Bible Study, Twenty-Third Publications) Enrich devotion to Christ’s eucharistic mystery by exploring its biblical roots. Create a deeper understanding of the Eucharist
as new covenant sacrifice, real and living presence of Christ, spiritual banquet of the covenant, participation in the Body and Blood of Christ, and worship with the angels and saints. By studying and reflecting on texts from the Old Testament, Gospels, and New Testament letters, learn to cultivate a eucharistic life of prayer and active commitment in the world.

Six Weeks with the Bible, *Celebrating the Mass* (Loyola Press) We learn to love the Mass more deeply by understanding the history of the Mass, especially its roots in scripture. Celebrating the Mass is a wonderful study for anyone interested in the history of the Mass and why we celebrate the Mass the way we do today. [https://store.loyolapress.com/six-weeks-with-the-bible-celebrating-the-mass](https://store.loyolapress.com/six-weeks-with-the-bible-celebrating-the-mass)

Six Weeks with the Bible, *John 1-10: I am the Bread of Life* (Loyola Press) The Gospel according to John contains some of the most beautiful images of Jesus in all of the Bible. In John 1-10: I Am the Bread of Life, Jesus’ self-descriptions help us understand the many different ways Jesus cares for us and loves us. Bring to life the message of the Gospel according to John with this Bible study.

Timothy P. O’Malley, *Becoming Eucharistic People: The Hope and Promise of Parish Life* (Ave Maria Press) Outlines four essential dimensions of a Eucharistic culture in a parish—one that fosters reverence and unity among the faithful, includes every dimension of human life in the mystery of Christ’s Body and Blood, and invites people back to parish life or to become Catholic for the first time.

Timothy P. O’Malley, *Real Presence: What Does It Mean and Why Does It Matter?* (Ave Maria Press) Instructs readers on how to learn to love God and neighbor through a deeper understanding of the doctrine of real presence. O’Malley offers a concise introduction to Catholic teaching on real presence and transubstantiation through a biblical, theological, and spiritual account of these doctrines from the early Church to today. He also explores how real presence enables us to see the vulnerability of human life and the dignity of all flesh and blood.

Victoria Schneider, *The Bishop of the Abandoned Tabernacle: Saint Manuel Gonzalez Garcia* (Scepter Publishers) St. Manuel felt called to the priesthood at the age of 12. After his ordination in 1901, he was sent to preach at a church which he found to be unclean and abandoned. There, he decided to dedicate his life to providing for Jesus’ needs in the Tabernacle. This poor, abandoned Tabernacle taught the young priest more about the Love of Jesus than his years of theological study. It marked his entire life from that moment. He dedicated himself until his death to spreading devotion to the Eucharist, proclaiming these words which he would go on to choose for his epitaph: "Jesus is here! He is here! Do not abandon Him!"
