Prepare ye the way of the Lord

LAST WEEK'S NEWS

 This week we started our day with mass and followed with a daily Advent prayer service. The students teamed up with their advent buddies, they listened to stories & completed fun activities, while learning more about advent and preparing for Christmas.

 Thank you to Veterinarian, Dr. Wunderlich, (alum of SES) she presented on the human heart and helped dissect a sheep's heart with the K-7th graders. Ask your child about the different veins & arteries they saw (and some even touched (with gloves of course :)).

 For Friday Fellowship, the students made 12 envelopes, 1 for each day of the 12 Days of Christmas (starting 12/16-Ephiphany). Some flyers were sent home in the Friday envelopes explaining more about the 12 days of Christmas.

 **We hope you enjoyed
The Christmas Carol!**

Our students did such a fabulous job!

Thank you to all of our families & volunteers, we couldn't do it without you & your support. We look forward to future performances.

REMINDERS:

- Nov. enrichment invoices went out last Friday. Thank you for submitting your payments, due by 12/15.
- Please return your signed report cards if you have not already done so. Thank you!!

UPCOMING EVENTS

St. Lucy Feast Day, Dec. 13th

As part of our Advent celebration, the students will be learning about St. Lucy and celebrating her traditions as a school on her feast day, next Tuesday.

Please see flyer that was sent home in the Friday envelopes Re: The Friday Fellowship Nativity Celebration Gift Swap.
