We want to congratulate Ms. Breton on her Baptism, First Communion and Confirmation last evening at the Easter Vigil! Ms. Breton has been working diligently all year to come into the Catholic Faith. We are so happy for her and her colleagues who entered the church as well. Congratulations, Ms. Breton!

Move - A - Thon

Mark your calendars for Seton Academy's 3rd Annual Move-A-Thon Fundraiser, to be held on Friday, May 9th!!!

This event is a favorite, as it is a day for our students to move, have fun, and make a difference! Pledge sheets and details will be coming home next week. We have some great prizes and giveaways for top fund raisers. We're counting on YOU to help us reach our goal and make this event a huge success!! If we can reach our school goal of \$15,000.00, we will once again have an ice-cream party & a dunk tank! Who will dunk Mr. P this year? Let's make this Move-a-thon one to remember!

Timbernook

Upon our return from April vacation, we will be returning to Timbernook! On May 5th, the school will spend the morning at this fun and exciting field trip! Please be in the lookout for permission slips this week!

NOTE: If you have previously paid for bowling, the fee for Timbernook will be waived as they are the same amount. Due to scheduling conflicts, we are not going to be able to make up the bowling trip this academic year.
