## THE CATHOLIC PARISHES OF STOUGHTON

November 15, 2025

My Dear Brothers and Sisters in Christ,

We are now into our sixth year of journeying together as pastor and parishioners. As with each of our past years, this year has brought its share of both challenges and graces, and I continue to be deeply grateful to God for all that He is accomplishing here in this corner of His vineyard.

Over the past year, we have been able to undertake important steps toward the care and renewal of our facilities. At Immaculate Conception, we were able to undertake significant renovation work on the parish hall, installing an updated kitchen and renovating the hall, including a chapel space, which incorporates many of the religious objects that had previously been in the chapel at Good Samaritan Hospital. This hall is again a welcoming and functional gathering space for parish activities, ministries, and community events. Thanks to your generosity and the steady support of our parishioners, Immaculate Conception continues to operate with a financial surplus, giving us a foundation on which to continue building for the future.

At St. James, we were also able to complete necessary repairs to the parish hall to address water damage and to mitigate any future damage to the space by ensuring that all the materials are resistant to water damage and mold. This ordeal has been a long process; from the storm damage in June 2023, collecting insurance proceeds in spring 2025, through to the restoration work this past summer. Thus many of the repair expenses were incurred during the summer, which is in the new fiscal year. So, the insurance proceeds are seen in the fiscal year reflected in this report but the expense for the work done this summer will be in the fiscal 2026 year. Thus, a surplus appears in the St. James report for this fiscal year. Thanks to the work of Mary Ann Caldwell, and many volunteers the religious education program and others using the parish hall have survived the disruptions and now we can continue our mission.

St. James continues to operate at a financial deficit, and this remains a pressing challenge. Yet even in the midst of this difficulty, there are signs of new life and renewed hope within the parish. One of the most joyful developments this year has been the addition of a Mass for our Spanish-speaking community, which has already begun to bear fruit in participation, fellowship, and evangelization. The presence of this growing community is truly a blessing, and I am sure that their gifts and talents will help to grow St. James and our broader Stoughton Catholic community.

In addition to this, we have been blessed with new families and individuals joining both of our parishes. Their presence has brought fresh energy, ideas, and participation to parish life. One of the most encouraging fruits of this growth has been the development of a young adult community within our collaborative. This group provides opportunities for prayer, formation, and social connection for those ages 18–35 — a demographic that is often underserved in the life of the Church. The commitment and joy of these young adults have enriched our community and remind us that the Holy Spirit continues to draw people into a deeper relationship with Christ and His Church.

As we look toward the future, our path forward will require faith, intentional stewardship, and a continued spirit of generosity. Each of us is called to prayerfully ask how God is inviting us to support our shared mission — through our time, our talents, and our financial resources. I remain convinced that Stoughton is best served by two strong and thriving parishes, each contributing uniquely to the spiritual life of our community. Your support makes this vision possible.

I am grateful for the work of our parish staff and for the dedication of our Finance Council: Michael Hickey, James Kenney, Michael McSweeney, Percio Damasceno, David Doherty, Michael Sullivan, Martin Hancock, and Anthony Barros. As with all parishes in the Archdiocese of Boston, our accounts are reviewed monthly and formally audited every three years. We recently concluded our audit and await the results, which will help us continue to steward our resources responsibly.

May God continue to guide us, strengthen us in faith, and inspire us to listen attentively to the promptings of the Holy Spirit. Know of my prayers for each of you, and please continue to keep me and our parishes in yours.

Estamos agora no nosso sexto ano de caminhada juntos como pastor e paroquianos. Tal como em todos os anos anteriores, este ano trouxe os seus desafios e bençães. Eu continuo sendo profundamente grato a Deus por tudo o que Ele está a realizar aqui, neste recanto da Sua vinha.

Ao longo do último ano, conseguimos dar passos importantes rumo ao cuidado e à renovação das nossas instalações. Na Imaculada Conceição, realizámos uma remodelação significativa no salão paroquial, instalando uma cozinha moderna e renovando o salão, incluindo um espaço litúrgico, que incorpora muitos dos objetos religiosos que outrora se encontravam na capela do Hospital Good Samaritan. Este salão é novamente um espaço acolhedor e funcional para atividades paroquiais, ministérios e eventos comunitários. Graças à sua generosidade e ao apoio constante dos nossos paroquianos, a Imaculada Conceição continua a operar com um excedente financeiro, o que nos dá uma base sólida para continuarmos a construir o futuro.

Na Paróquia de St. James, conseguimos também concluir as reparações necessárias no salão paroquial para fazer face aos danos causados pela água e mitigar quaisquer danos futuros no espaço, garantindo que todos os materiais são resistentes à água e ao mofo. Esta provação foi um longo processo; desde os danos causados pela chuva em junho de 2023, passando pelo recebimento do seguro na primavera de 2025, até aos trabalhos de restauro realizados no verão passado. Assim, muitas das despesas com as reparações foram incorridas

durante o verão, que se inicia no novo ano fiscal. Assim sendo, o montante recebido do seguro consta deste relatório fiscal, mas a despesa com o trabalho realizado este verão será contabilizada no ano fiscal de 2026. Consequentemente, o relatório da Paróquia do St. James para este ano fiscal apresenta um excedente. Graças ao trabalho de Mary Ann Caldwell e de muitos voluntários, o programa de educação religiosa e outros que utilizam o salão paroquial sobreviveram às interrupções e agora podemos continuar a nossa missão.

A Paróquia de St. James continua a funcionar com défice financeiro, e este continua a ser um desafio urgente. Contudo, mesmo no meio desta dificuldade, há sinais de renovação e esperança dentro da paróquia. Uma das novidades mais gratificantes deste ano foi a inclusão da Missa para a nossa comunidade hispânica, que já começou a dar frutos em participação, comunhão e evangelização. A presença desta

comunidade em crescimento é verdadeiramente uma bênção, e estou certo de que os seus dons e talentos contribuirão para o crescimento da Paróquia de St. James e da nossa comunidade católica em Stoughton.

Além disso, fomos abençoados com a chegada de novas famílias e indivíduos às nossas duas paróquias. A sua presença trouxe energia renovada, ideias inovadoras e participação para a vida paroquial. Um dos frutos mais encorajadores deste crescimento foi o desenvolvimento dum grupo de jovens adultos dentro da nossa comunidade. Este grupo oferece oportunidades de oração, formação e convívio social aos jovens dos 18 aos 35 anos — uma faixa etária frequentemente negligenciada na vida da Igreja. O empenho e a alegria destes jovens adultos enriqueceram a nossa comunidade e recordam-nos que o Espírito Santo continua a atrair as pessoas para um relacionamento mais profundo com Cristo e com a Sua Igreja.

Ao olharmos para o futuro, o nosso caminho exigirá fé, mordomia intencional e um espírito contínuo de generosidade. Cada um de nós é chamado a orar e a perguntar como é que Deus nos convida a apoiar a nossa missão partilhada — através do nosso tempo, dos nossos talentos e dos nossos recursos financeiros. Mantendo-me convicto de que Stoughton é melhor servida por duas paróquias fortes e prósperas, cada uma contribuindo de forma singular para a vida espiritual da nossa comunidade. O seu apoio torna possível esta visão.

Estou grato pelo trabalho da nossa equipa paroquial e pela dedicação do nosso Conselho de Finanças: Michael Hickey, James Kenney, Michael McSweeney, Percio Damasceno, David Doherty, Michael Sullivan, Martin Hancock e Anthony Barros. Tal como acontece com todas as paróquias da Arquidiocese de Boston, as nossas contas são revistas mensalmente e auditadas formalmente de três em três anos.

Que Deus continue a guiar-nos, a fortalecer a nossa fé e a inspirar-nos a ouvir atentamente os convites do Espírito Santo. Saibam que rezo por cada um de vocês e, conto com as suas orações.

In Christ's Peace – Na paz de Cristo,

Rev. Carlos D. Suarez

Pastor

## Facility Improvements - Investing for our future

The Brazilian Community undertook the project of redoing the kitchen at Immaculate Conception Church. Having a functioning kitchen is integral to the celebration of feasts and to enable us to once again hold functions where we celebrate with a meal in the church hall. This project began with obtaining architectural and engineering plans in September 2022, and the final touches were applied this summer. We now have a kitchen that is ready for use. To get up to current standards, updates were needed to the plumbing and electrical systems. As with many older buildings the project included asbestos removal. It was necessary to purchase all new equipment (ovens, refrigerators, freezers).

The project spread beyond just redoing the kitchen. Giving a needed facelift to the hall was added onto the project. The old suspended ceiling was removed, and hall lights replaced (more electrical upgrades). These changes immensely improves the appearance of our facility. As part of refinishing the hall a chapel was constructed.

The total cost of the project over the three year period was \$383,364. This was funded as work progressed from two very successful outdoor Brazilian feast days and 30% of the weekly Dizimo collections. The Dizimo is a tithing collection. We are all very appreciative of the efforts this community has contributed to enhance our church facilities to make it more welcoming for all parishioners and visitors. If you have not been downstairs recently, take a walk through the next time you attend Mass.
