

RESIDENT TEACHER

Program for Women

OLC

SERVE, GROW, AND BE TRANSFORMED

Experience life in an intentional Catholic community in downtown Jersey City, NJ. Engage fully in the life of the parish and school while living in a dynamic environment where a variety of cultures and traditions meet, just minutes from New York City.

Live & Pray Together

Discover the beauty of faith in action through daily community life and ministry. Whether through daily mass, school chapel, liturgy of the hours, or other forms of shared and private worship, connect with God through our Catholic faith daily.

Make a Lasting Impact

Make a difference in the lives of children! Program participants serve in many ways. Teach at the school, work at the parish, continue education, and make meaningful connections with students and staff at the OLC School.

Build Community

The parish hosts frequent special events, ministries, and groups where residents can give of yourself and grow personally. Make lasting friendships, deepen your faith, and become part of a community rooted in faith, fellowship, and Jesus.
