

SJS Bingo Volunteer Sub/Swap/Make-Up Policy

- Paid subs are NOT allowed!!!
 - Anyone finding to have paid a sub to work their bingo is subject to the \$500 missed bingo fee.
 - Our bingo license is predicated on being a volunteer organization and if we are found to be compensating workers, we risk loss of our license and loss of school fundraising revenue. We repeat, paid subs are NOT allowed!!!
- Extended family subs are allowed, but they must be approved by Mrs. McDonough and the bingo co-leads.
- No one under the age of 18 may work bingo per Maryland State Gaming Law.
- Family-to-family swaps are allowed, but they must be approved by Mrs. McDonough and the bingo co-leads.
- All swaps are to be handled between families and/or utilizing the St. John's School Parent Bingo Group.
- The school and the bingo co-leads do NOT track swaps, they only approve. It is your job to manage your new date(s), reminders will still go out from the school for your original date(s).
- If a swap does not show up for their agreed upon day, they will be billed the \$500 missed bingo fee, not the original assigned family.
- Make-ups will be allowed on a case-by-case basis with regards to emergency situations.
- If you are ill, please work to find a swap.
- If the illness is last minute and you are unable to secure a swap, please contact the bingo coordinators to arrange a make-up date and avoid getting the \$500 missed bingo fee. This is only for specific situations.
- COMMUNICATE, COMMUNICATE, COMMUNICATE. If you have any questions/concerns, please don't hesitate to contact the co-leads or the school. We'd rather you communicate a potential problem so that we may adjust, than to find out after the fact and have to bill you for the \$500 missed bingo fee.
