### View From the Pew...What does *Pro Populo* mean?

Translated from the Latin, it means, "**Mass for the People.**" It is Church doctrine that the priest say one Mass **for the people of the parish** on Sunday. At our parish, that is the 12 Noon Mass.

## From the Pastor's Corner

CYCLE C

Pentecost Sunday

**A**nd I will ask the Father and he will give you another Advocate to be with you always." Pentecost fulfilled this promise. The Holy Spirit came upon the apostles and nothing was ever the same again.

This event is often referred to as the "birthday" of the church. It took Pentecost--and the power of the Spirit--to **embolden** the apostles to begin their ministry of preaching and baptizing. Conversions began to happen and the early church began to grow. And all of this took place without Jesus' earthly presence among them.

This is one of the most encouraging elements of the practice of our Christian faith. We believe that through the Holy Spirit, God dwells within us and empowers us. We believe that even though we never walked with Jesus and the apostles, we are nonetheless accompanied by the same Spirit who is always available to us! We only need to stir up this Spirit within our souls by praying sincerely, *"Come, Holy Spirit!"*

The special hymn of today's feast, called the sequence, does just this. It also expresses well the package of "benefits" that come from the presence of the Advocate among us: *"You, of comforters the best; You, the soul's most welcome guest; Sweet refreshment here below; In our labor, rest most sweet; Grateful coolness in the heat; Solace in the midst of woe."* And not only do we receive these personal blessings, but the Church herself also receives a tremendous gift. As Jesus said, "The Advocate, the Holy Spirit... will teach you everything and remind you of all that I told you." It is only through this divine guidance from on high that the Church has the power and privilege to teach and guide us who are still here below.

### Everyday Stewardship

By Tracy Earl Welliver, MTS

My youngest son has occasional bouts with asthma. When it hits him, he feels like he is almost drowning, gasping for air. It is a terrible thing to think about, suffocating with no option for air. Luckily, an inhaler opens up that which was closed and air comes rushing back inside his lungs.

The Latin words "spiritus" and "spirare" mean "breath" and "to breathe." It is how we get the word "spirit" and the name, "Holy Spirit," for it is the Spirit in us that gives us breath. Some describe the Spirit as that which provides life and animation to all living things, a life force of sorts. In essence, we live and breathe the Spirit all around us.

I have to admit, that is not as concrete an explanation of the Holy Spirit as I would like. But what I do know is that when the Spirit came upon them at Pentecost, they were undeniably changed and a force came through them that they recorded like a "strong driving wind." This enabled them to proclaim the good news in a way that was previously impossible.

When I see my son trying so hard to breathe, it is like someone or something has robbed him of his spirit, or the Spirit, and he has to struggle. When his ability to breathe is returned to him, he is well again and able to accomplish anything he sets his mind to do. If we were more mindful of our breathing as the Holy Spirit moving through us, I think we would act much differently than we do sometimes. We would be better stewards and just better people.

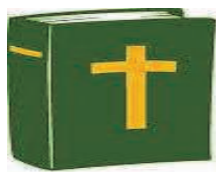

On this Pentecost, may the Spirit that you breathe in each and every day fill your heart and soul with the desire to do great things and do them well!
