## From the Pastor's Corner

15th Sunday in Ordinary Time

But some seed fell on rich soil, and produced fruit, a hundred or sixty or thirtyfold." In the parable of the sower that Jesus tells in today's Gospel, the ideal is to be "the seed sown on rich soil" that yields an abundant harvest. As Jesus explains, this means we should strive to be "the one who hears the word and understands it."

So how do we place ourselves in this category? How do we assure that we will hear God's voice (i.e., the word) and actually understand what he's saying to us? The answer comes in the parable itself. Jesus explains what we need to avoid in order to make sure our seed bears fruit.

First, we must beware of "the evil one" who comes and steals away the seed of God's word. Faithfully praying the Lord's Prayer, with its request to "deliver us from evil," is a good starting point here. Placing ourselves under God's protection every day is like taking up a shield against the forces that would seek to derail us.

Secondly, we must be committed enough to God's word that "tribulation or persecution" do not uproot us or make our faith wither and die. Here, too, sincerely praying the petition in the Lord's Prayer-"Thy will be done"-can prepare us to accept whatever comes our way without waffling or wavering.

Finally, we must be careful that "worldly anxiety and the lure of riches" do not "choke" us. Again, we turn to the Lord's Prayer and find an antidote built in: "Give us this day our daily bread." We pray not for a new car or a winning lottery ticket, but for our basic needs.

So let us embrace the prayer Jesus gave us, indeed the words he himself gave us to say, as we seek to truly hear and understand God's word.

Dear Parishioners,

On behalf of the entire parish, I would like to thank **Diana Calio** for her awesome service over the past eight years to our Parish Community. Diana has been more than a bookkeeper and secretary over these years. She has shown a spirit of faith, dedication, and love in her service to our parish families and community.

She has set the groundwork for the incoming bookkeeper and secretary,

**Lauren Kerzner**, who will be starting on Monday, July 17th.

Please keep both of them in your prayers as they continue the work of God in their lives.

**God Bless you Diana for all that you do and all you are.**

God Bless,

*Fr. Pat*

God works in many different ways. Most of the time, God works through ordinary people and events - a parent, a spouse, a friend, a beautiful sunset, a song, or an inspiring story. Other times, we hear

God's call during major life changes - an engagement, marriage, a birth, or in crisis moments - a sickness, a death. Sometimes, we just have a feeling that something is missing.

In the **R**ite of **C**hristian **I**nitiation we help people learn how to respond to God's call not just for the moment but also for each day of their lives.

If you're thinking God might be calling you or someone you know to become Catholic, or if you have questions or would like more information about RCIA, please leave a message for Maggie Burud @ 845-758-3732 or email **[RCIA@stchrisredhook.org](mailto:RCIA@stchrisredhook.org)**

Jesus sat in a boat and spoke to the large crowd on shore. He told them a parable about a sower sowing seeds. (planting) He compared the seeds to God's word and that if the seeds were planted in rich soil they would grow and flourish. If we follow God's word, we will grow and flourish as children of God.

### A Prayer to Our Lady of Mount Carmel

O most beautiful Flower of Mount Carmel, fruitful vine,

splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity.  
O Star of the Sea, help me and show me herein that you are my Mother.  
O Holy Mary, Mother of God, Queen of Heaven and earth, I humbly beseech you from the bottom of my heart, to succor me in this my necessity. There are none that can withstand your power.  
O show me herein that you are my Mother.  
O Mary, conceived without sin, pray for us that have recourse to thee.

Sweet Mother, I place this cause in your hands.
