Are you ready for a trim? In today's Gospel, we hear the familiar teaching of the vine and the branches. Jesus reminds us that if we remain close to him—living in humility, following God's law, loving our neighbor—we will notice a positive change in our life and the lives of those around us. "Whoever remains in me and I in him will bear much fruit." The Holy Spirit is life-giving. He is fruitful. The Spirit of God won't refuse grace to a heart that is open.

As we progress through life, learning how to live and love, we grow. Our personalities flower. We discover what it is to be a blessing to others. We also experience lack, loss, and the results of our failures. We know what it is like to "wither" at times, particularly the times when we willingly separate ourselves from Jesus. "Just as a branch cannot bear fruit on its own unless it remains on the vine, so neither can you unless you remain in me." For most of us, this experience of being disconnected and off track generates a desire to return to what is right and good, to return to the vine.

But this Gospel is more than "Are you in or are you out?" Even when we remain in God, when we follow Jesus, we are not exempt from the challenge, the pruning. "Everyone that [bears fruit] he prunes." A prudent trim is necessary in the natural world of trees and vines. Dead wood, broken shoots, and diseased branches need to be cut back in order for the plant to bear fruit. Jesus wants us to be healthy! He says as much himself: "By this is my Father glorified, that you bear much fruit and become my disciples." Take a look at your life today. Where are you bearing fruit? Where do you need to be pruned?

If You Think You've Missed Easter, Think Again... For many non-churchgoers, Easter ended weeks ago. But the Easter season remains with us throughout the weeks until we celebrate the birthday of the church at Pentecost. We have an opportunity for Easter reflection and celebration for several Sundays, so if you feel Easter passed you by, fear not.

Jesus tells us in John's Gospel this Sunday that he is the vine and we are the branches. We gain nourishment from the vine, and by staying firm and strong, we bear much fruit. Whereas Lent was a time of preparation for the Easter mysteries, this season of Easter is a time to offer the spiritual fruits resulting from our prayer, fasting, and penance. Of course, the nourishment that sustained us in Lent continues into Easter and throughout the year.

Don't give up on Easter too soon. Stay connected to the vine and all the other branches that grow from it. Be nourished and grow into the wonderful creation God has made.

Sharing the Gospel—Put a brand new light bulb in a lamp. Turn the lamp on. It shines brightly. Now, unplug the lamp. The lamp goes dark. It might be a nice lamp. It might have a new light bulb. Yet, without being plugged in to electricity, the lamp cannot shine. In today's Gospel, Jesus is the vine and you are a branch. As long as you are attached to Jesus, your faith can grow fruit like love, kindness and gentleness. If you break away from Jesus, your faith will die, and you will not grow any fruit. Stay plugged in to Jesus, so you can shine. Stay connected to Jesus, so your faith can grow fruit.
