Independence Day Today, we celebrate our freedom. Our rights are protected and opportunities abound. We recognize that freedom has a cost, one we celebrate and honor on days such as this. It's good to honor those who fight for our country, who may well pay the ultimate price for the liberties we're afforded. As faithful Catholics, we recognize that there is more to freedom than simply being at liberty to make our lives what we want them to be. St. John Paul II reminds us: "Freedom is not just doing what we can, it is doing what we ought." We become freer within ourselves and within our relationships when we choose what is right and good. Let's continue to pursue virtue and good character and encourage others to do the same.

Let us pray...

God, giver of all good gifts,
Help us to be thankful for rest and food,
and remember that, in all we do or say,
you are with us, here this day.
We are thankful for all you do
and for everything you have given us.
But above all we are thankful for our freedoms
and the ability to protect others' freedom.
We are free because of you.
We ask for your continued blessing on all your creation.
Through your Son, Jesus Christ our Lord.

Amen.
