**Come, Holy Spirit,  
fill the hearts of your faithful  
and kindle in them the fire of  
your love.**

**Send forth your Spirit and they  
shall be created, and you shall re-  
new the face of the earth.**

**Let us pray.**

**O God, who have taught the hearts  
of the faithful by the light of the  
Holy Spirit, grant that in the same  
Spirit we may be truly wise  
and ever rejoice in his consolation.  
Through Christ our Lord. Amen.**

**We'll be having a meeting on June 8th at 7pm at St Christopher's to discuss how our already practicing Hispanic population can reach out to others in the community. We'd like to begin a once a month Holy Hour on Thursdays with traditional Spanish Music and the Rosary.**  
*Tendremos una cita el 8 de junio a las 7 p. m. en St Christopher's para discutir cómo nuestra población hispana que ya practica puede llegar a otros en la comunidad. Nos gustaría comenzar una Hora Santa una vez al mes los jueves con música tradicional española y el Rosario.*

So, we've just had our quarterly accountant session - for the first time in a few years St Chris is projected to have no deficit! St Chris is in the black. It's a small surplus but a ton but a win is a win! And we thank God and you! In addition, we've been able to do this without talking about money at all, and try not to hit people in the face with fundraising.

I want to thank the weekly generosity of folks who are coming back to Mass as well as the folks—especially our senior citizens who were our steady support during Corona when others dropped off. I hope to also ask our parents in religious ed to consider WeShare since people in my generation and theirs frankly don't write checks anymore.

We've been able to make significant progress in staffing, outreach, charity and renovations all while being responsible with what folks entrust us with. Thank you also to the many folks who do a lot of work of the breakfasts, dinners and the thrift shop!

Next year, the budget along with the income and expenses will be merged with Good Shepherd, which is in a stronger financial position. It's at that time that we can discuss more vibrant charitable outreach to those in need with a more pronounced evangelical tone of sharing faith, not just giving stuff out, gift cards, food, and other things weekly and at Christmas. We can also begin inviting them to church, also giving out religious articles, and assessing spiritual needs not just economic ones. We can do both—and in fact that's what Jesus calls us to do always.

## NEXT FOOD PANTRY DATE

is Saturday, June 10th at 10am.

**June is an important month for Catholics to celebrate love.....  
His Love for Us...  
His Sacred Heart...**

Jesus's profound love for us is demonstrated through His willingness to sacrifice His life for our sake. The love from His heart motivated all His actions — His inner life manifested in His demonstrated virtues and sacrifice. Yet this great love is often received with ingratitude, even by the faithful. The purpose of devotion to the Sacred Heart of Jesus is to focus our hearts on receiving and returning His love with gratitude — with all of our heart, soul, and strength — that He may be glorified.

**Regular confession, regular communion and acts of love for God—like visiting Our Lord in the Blessed Sacrament in the tabernacle even outside of Mass is crucial to this devotion we see so often.**
