***The Catholic Faith, and therefore every parish exists  
to bring God to man and one day bring man to God.***

**“From the altar to the streets” we strive to bring the power, presence and peace that only God can give to those around us. That is why we exist and the way we best serve God. In doing so we will help to assist those we serve to ultimately spend forever in His Presence in Heaven.**

## A century of serving God and Neighbor

Everything we do as Catholics must be ordered properly: God, others, and self. For over a century, the worship of God, service of one another as parishioners, education of our children and then outreach to others has been the cornerstone of being Catholic here at St Christopher's Church.

Mass, the sacraments, following the teachings of Jesus, and the various ministries—all is to bring God to man....so that man be brought to God. Here is a small sample of how in just one of the years of our 100 we have strived to do so. From welcoming new Catholics in Baptism to sending them home to God we have people and ministries that serve God, others and self.

Be it the opportunity for communion with God in prayer, fostering help for others by Food Pantry and St Vincent DePaul, outreach to the community through breakfast, fish fries, shops and fairs, and outreach in prayer, we strive to do his work in our lives.
