ST. CHRISTOPHER CATHOLIC CHURCH
Celebrating
100 YEARS
1925 - 2025

We're grateful to those who made the most important celebration—the Mass - happen in such a reverent way. Especially the choir, under the direction of Alyssa McCabe, and the many voices who helped us to pray - this alone is the fitting celebration God wishes.

I want to also thank the priests, especially Fr. Pat and Fr. David, who traveled and who connected us to our past, and to the deacons who assisted in this prayer, as well as to all of you, the faithful people of God, who make Him, the Mass, the Eucharist and the life of prayer the focus of our time of celebration.

Special appreciation goes to Barbara Totman who compiled so many pieces of parish history and more with some helpers. Patricia Owens helped to make the arrangements for the meal we enjoyed from The Grove at the Red Hook Golf Club. Her attention to detail really helped us and we thank Kyleigh Zengen who catered and her team.

Thanks to the Rizzolo & Cayea families for donating the beverages to wash down the delicious dinner. Special gratitude also goes to Nicole Grady who made the whole place look fantastic. She spent her creative energies to ensure a stunning environment. Paul Beichert from Timely Signs made the signs that filled the stage and made it pop.

We also were helped by our CYO travel teams who served, cleaned and broke down after all was finished. And finally to thank all of those who came to pray, remember, eat and enjoy one another's company on this centennial celebration.

Finally, thanks to our parish staff! They work hard but enjoy every minute of it. Only here does the boss (me) tell them to take time off or accept extra cash for lunch and they politely ignore me. They give 110% here and this dinner was no different. I've never had a better team than them.

~~Thank you all for such a wonderful event and may God continue to bless our parish with a strong Catholic faith so that someday our descendants will celebrate 200 years~~

For whom the bell tolls...for the glory of God.

We're immensely grateful for the leadership team at Northern Dutchess, and particularly to our parishioner Patricia Butler who came across the bell from the original church, Sacred Heart in Barrytown, and got the ball (maybe the bell) rolling on it's return. We have been blessed with a good relationship with Northern Dutchess especially when we visit and offer the sacraments to the sick and the dying there. I'm also in debt to Patrick and Bruce Troy from Burnett & White who made sure I didn't have to lift the bell and put it in my trunk to bring it back home to the parish.
