**The Mass is the most powerful prayer we have—invite someone back with you and reconnect them to the practice—not just the possession of the faith! Daily Mass is perfect for retired folks and maybe even some workers who work in Rhinebeck at 9am—the 8am Mass is 25 minutes and allows you the chance to drop kids off to school and go to Mass and speed to work nearby. It is a perfect way to start your day, even if you just drop in early at either church to pray or light a candle. Maybe if you can't, simply take advantage of the fact that we're open till night-time and place yourself in His Presence to focus on your faith.**
