## PUBLICITY RELEASE FORM 2022-2023

In an effort to publicize our school activities, pictures are frequently taken of our students. These pictures may be sent to newspapers, used in school-wide publications, or posted on social media. These photos are typically posted without the students' names or any identifying information, however on occasion we may wish to include a child's name.

Please read and sign the below permission slip and return it to your child's teacher on the first day of school. If we do not receive this form, we will assume that you consent to publicizing both the child's name and photo.
