

Name: _____

Summer 2023

UPDATED IXL Objectives for incoming FOURTH grade students

Below you will find the IXL summer work for incoming fourth grade students. Additionally, students will need to continue to review multiplication and division facts for timed drills.

Directions: Please log onto www.ixl.com/signin/sttaob - use your existing username and password. You must complete the following skills between **July 1 - Aug. 31, 2023. Those skills are due on Friday Sept. 8, 2023** and reach a SmartScore of **90% or higher with at least 30 questions answered.**

Please note, if there are updates to the IXL website over the summer, the objective letters (G.15...) may change. If this happens, please complete the skill with the same objective title (Multiplication tables up to 12).

If you have any questions, feel free to email me at vtadros@sttaob.com. Enjoy the summer break!

Fourth Grade Math Objectives:	SmartScore	Date Completed
