CHANGE TO END OF DAY PICK UP PROCEDURE

Our end of day pick up process has allowed us to have all 215 students picked up in 5-6 minutes. While efficient, we do have to make one change in order to keep everyone safe.

We will no longer allow anyone to get out of his/her vehicle in the pick up line on 9th Avenue.

If your child needs assistance getting into the vehicle or buckling the seatbelt, please park in the parking lot of the old Chase Bank on the corner of Cedar Street and 9th Avenue. A safety

patrol will walk your child across Cedar Street in the crosswalk. Please meet your child at the north corner of Cedar and 9th.

If your child will now be following this plan, please email your child's teacher and Mrs. Spaeth so we can help with the transition next week.

Thanks so much for helping us keep everyone safe!

PARENT/STUDENT/TEACHER CONFERENCES

As stated in the Family Handbook, "Parents and students are required to be present for the conference." This is a great opportunity for parents to learn how their children are performing in school and to share information that might be helpful for the teachers as they work to best meet the students' needs. Please use the appropriate link to sign up for a conference:

Elementary Conferences:

[Mrs. Altendorf \(K5\).](#)

[Ms. Singer \(1st\).](#)

[Mrs. Tranel \(2nd\).](#)

[Mrs. Shanders \(3rd\).](#)

[Mr. Engelbrecht \(5th\).](#)

Middle school conferences:

Middle school conferences will be held in the Walnut Room on October 18th and 20th from 4:00 until 7:00 pm. Appointment times are not needed. Each middle school teacher will have a table, and there will be chairs set up so that you can wait for the teachers with whom you would like to meet. We are asking that each family meet with at least one of their child's teachers, but certainly feel free to visit all of your child's teachers. It would be appreciated if you could limit your conference to about 10 minutes. Please reach out to your child's homeroom teacher if you would like a longer group conference with multiple teachers. These group conferences will be scheduled for Friday morning, October 21st.

SECURITY SURVEY

Father Howard, the Parish staff, and I have decided to move forward with improving security on our Holy Angels campus; we have hired Community Security Solutions. As a first step in

improving security at Holy Angels, they've asked us to survey our teachers, families, and Parish members. Please use this link to complete the survey:

COIN DRIVE FOR ALBRECHT FREE CLINIC

Our Holy Angels students raised over **\$2500** in one week for the Albrecht Free Clinic!!

Next Tuesday is the Feast of St. Vincent DePaul! In honor of this great saint's tireless service to the poor, HAS participated in the Albrecht Free Clinic's 2nd Annual Coin Drive. The Albrecht Free Clinic plays an essential role in our community by providing medical and dental services for persons without access to adequate care. Thank you, families, for supporting this great cause!

OCTOBER IS THE MONTH OF THE ROSARY!

On Wednesday, October 5, the students will be praying the Rosary as a school in Church at 2 PM. Parents and family are certainly welcome. In anticipation, the older students made push rosaries for their Little Buddies. These one-decade rosaries are great to pray with, and can also be used to track "good deeds" or "little sacrifices".

As the Rosary is a prayer to Jesus through Mary, and as Mary was without shelter at Christmas, we are asking if students would be willing to bring in 50 cents to a dollar. This would cover the cost of the Rosary and allow us to make a small donation to help those seeking shelter in our community at Karl's Place. This will be discussed on Monday at assembly; if students can bring in their money for Wednesday it would be greatly appreciated!

The Feast of the Rosary is celebrated on October 7. A fantastic (and free) video to watch on [formed.org](https://www.formed.org) is "The Day the Sun Danced: The True Story of Fatima" from the Saints and Heroes Series. Parents may remember it from their Catholic school education; it is a great story of the three Portuguese shepherd children Mary appeared to and the miracles which occurred. Formed.org is a free resource for Holy Angels families; lots of great material for kids and parents.

READING AND MATH DIAGNOSTIC RESULTS + RUNNING RECORDS = DIFFERENTIATION

All students in grades 2-8 have completed reading and math diagnostic tests. Results will be sent home to parents today. Teachers are also conducting running records of students in K5-5th grade to learn more about their students' strengths and areas for growth in reading. For running records, teachers listen to individual students read a short fiction story and nonfiction passage and record their accuracy in saying the words. They also ask the students questions about what they read to determine their comprehension, or understanding of the text.

Our staff is going to use the test results to help us better differentiate for our students. One of our building goals this year is to use students' individual reading data to better meet their needs in all subjects. Feel free to reach out to teachers if you have questions.

HOLY ANGELS VOLLEYBALL CLASSIC – VOLUNTEER SIGNUP

Families with students who participate in volleyball are required to sign up for one shift per student participating in volleyball. We would definitely welcome any volunteers from HA families of any age we could get or High School students looking for service hours!

MIDDLE SCHOOL TEAM BUILDING FIELD TRIP

Next week, the 6th, 7th, and 8th graders will be taking time out of the week on Wednesday to develop team-building and leadership skills. Mr. Mase, one of the parish religious education directors, will be leading the students in a series of activities designed to build camaraderie and challenge them to do their personal best. After Mass, the students will be allowed to change into other clothes, and we will then be walking to Regner Park. We will work on the activities from approximately 9 am until noon with Mr. Mase, enjoy lunch, and then return to school by 1 pm. Please remember to send a bag lunch and a change of weather-appropriate clothes with your child on Wednesday.
