From the Desk of Peter Guzulaitis**In Gratitude**

Christmas is a time when we remember what is truly important to us and our families. This sentiment is certainly true for the staff at St. Wenceslaus and Western Catholic Community as we remember the generosity of our members. We are grateful for all the ways that you are stewards of the gifts that God has given you and how you have shared them with your spiritual household. The New Prague Area Catholic Community is a vibrant and diverse parish thanks to your generosity.

As the year concludes, we reflect back on important milestones that occurred for our families. Perhaps it was a first communion, confirmation, a wedding, baptism, a funeral for a loved one, a special wedding anniversary, or a graduation that you are remembering in 2016. On these occasions, your spiritual household has been the place where these special events have been celebrated and your faith lives nurtured. Maybe none of those milestones occurred for your family in 2016. Your spiritual household is also a place that has offered ministries to people of all ages and backgrounds to help you and your family grow in your love of Jesus Christ and an appreciation for our Catholic Tradition. We are privileged to be a part of your family's lives. This is also the time of year when many consider their final end of year contributions to the parish. As you contemplate giving to your spiritual household please keep the following information in mind.

According to IRS regulations, in order for your contribution to the parish to qualify as a tax deduction in 2016, it must be received on or before December 31, 2016. This year, that date falls on a Saturday and January 1, 2017 is on a Sunday. Donations that are received after this weekend but dated December 31, 2016, will have to be applied to 2017. If you will be away during the Christmas holidays, you can always drop your end of year contribution at the parish office or mail them to us at:

Church of St. Wenceslaus
215 Main Street East
New Prague, MN 56071

When contributing by check, please make sure you indicate which site you wish the support to go to by writing either St. Wenceslaus or Western Catholic Community on the check. This will help us ensure we are directing your support to the appropriate site.

Those families that wish to make stock transfers are asked to call the Parish Office and we will be able to help you with that. Please call (952) 758-3225.

Thank you again for your generosity and have a blessed Christmas and a healthy new year.

White as Snow

I'm not a big fan of snow these days, as I do a considerable amount of driving. I do remember a time when I loved snow. Sledding, cross country skiing, and even snowball fights dominated my youth. I still like the way new fallen snow looks on the trees, lawns, and rooftops. White makes things look clean and new. Even though we have to plow and shovel it, there is a certain beauty to at least small amounts of snow.

Reconciliation can be like snow. It makes us clean and new. We might have a fear of reconciliation as we would with a large amount of snow. Yet we know our land and lakes rely on snow for moisture that brings renewal in the spring to come. The soul is renewed by reconciliation. When we confess our sins and make ourselves right with God, there is a feeling of relief. The priest acts in the person of Christ to take in the sin and grant forgiveness. There is no sin too grave that God's mercy can't forgive. Don't think you have any sins? We all have some. If we look hard enough, we can find things we want to let go of. When our burdens are lifted, we can enter the excitement of Christmas with a new sense of peace.

Even though Christmas is close, there are still a few chances to go. Today (December 18th) there is a 4 pm service in Jordan. There will be a prayer service followed by individual confession by area priests. There is generally about 5-7 priests there to choose from. There will be a similar service in Montgomery at 6 pm. Individual confessions will also occur both Monday and Tuesday nights. On Monday, I will be at St. John in the confessional from 6:30 to 7:30. I will stay until I'm finished. On Tuesday, I will be at St. Scholastica with the same times. Jesus is waiting for you to come forward and be made new.

Soup Kitchen Update at the Dorothy Day Center

Meals are continuing to be served at the Dorothy Day Center (DDC) in St. Paul. Many have seen news about the new facility adjacent the DDC which is housing and sleeping for the many in need. Preparations are now continuing to demolish the existing DDC to build a new multipurpose facility that will include cooking and serving as we are accustomed to. As this second phase of the project progresses, we are **committed and continuing the preparing and serving a meal once a month** which will occur at a site very near to the existing DDC. For over 22 years, volunteers and donors have made this ministry possible. St. Wenceslaus and all within the NPACC should know of the continuing gratitude and thankfulness that is shown to the NPACC by staff and guests at the DDC. I consider it a privilege to serve those who come to the DDC and I hope you also feel that blessing. May we continue to be blessed with volunteers and donations in attempt to follow

Men's Group

A men's group is being formed to discuss and share those matters of faith, life, and spirituality which men often find challenging or of particular interest. The group plans to meet once a month or so for an hour and a half. It is intended that the meetings will start with refreshments, snacks, and visiting followed by a short Scripture reading and discussion. The setting will be informal and relaxed. The first meeting will be held at the Parish House of St. Wenceslaus on Dec. 29th at 7 pm. No advance reading is necessary but, if possible, please bring a Bible. All adult male parishioners of St. Wenceslaus and the Western Catholic Community are invited. If you are interested in participating in the group but cannot make the first meeting or have any questions, please call David Karan at (952) 461-3067.

The next class will be held on Jan. 4th.

WCC Breakfast at St Scholastica

The committee would like to thank all the workers that helped at the breakfast and all those who came to support it. We made a profit of \$2,892. THANK YOU!

Excerpts from Fr. Kevin's Homily of December 11, 2016:

Our faith community is one of the signs the Messiah is present in the here and now of the New Prague area.

We are a very active parish. I can't begin to know it all or completely keep all the activity straight. There is tremendous variety and diverse activity. We have much to be proud of.

1. We have a wonderful new parking lot.
2. We have 8 of our school faculty that graduate this year with coat and gown as certified STEM trained teachers.
3. Hope House with volunteer food, staff, and other support bridges families without a roof over their heads, into a situation where they are able to sustain a place for their families.
4. Excellent music supports our communal worship. We involve many of our parish in all different ages in our musical prayer.
5. We have book clubs and other gatherings for women--young and older.
6. Young Catholic families host events.
7. Our liturgical routines involve 6 Masses at 6 different times and at 3 different places that help people worship together while maintaining busy schedules.
8. This past year we served 50 grieving families with a funeral service or Mass.
9. 200 students are educated in our elementary school.
10. 350 students participate with religious education from pre-school to the whole of high school.
11. Grief, post-suicide, divorce/separated support groups regularly gather.

So I would ask everyone, as you plan for your charitable contributions during the tax year of 2016, that you remember your spiritual household. Collections are well below the challenge we give in the bulletin each week. But more importantly the collection income is \$19,000 below what we budgeted to collect so far this year. As you plan for your charitable contributions during the tax year of 2016, that you remember your spiritual household. Some of you may need to catch up on your contributions. Some of you may have the ability to be more generous before the close of 2016.

I believe that the ministries of our parish that you support are evidence that the Messiah is present. In many different ways, we are working with the lame, the blind, the deaf, and those marginalized in the human community. We proclaim the good news to the poor and the resurrection of the dead. By the grace of God, our parish has much to be proud of.
