Padre's Pen – Main Steps and PAC Block Work Addendum

Expanding a little bit on last week's column...

As you consider my "ask" for additional funds to finalize our Capital Campaign at the St. Wenceslaus site, I want to point out a few background items regarding the need for new steps in the front of church and block work around the Parish Activities Center.

First, we have already had a few people slip/trip on the steps as a result of the deteriorating limestone. This is a safety issue that we need to address sooner rather than later. We have been looking into the best way to repair or replace the steps for more than a year. We have had contractors come and give estimates. We could find no one who could patch the steps and guarantee a suitable lifespan for the patch. We received estimates for replacement with concrete, limestone (same as what we have already), granite, and Artstone (the samples I have placed in the back of the church). There were also contractors who did not want to take on such a big and difficult project.

Steve and Paul (our maintenance team) put a lot of research and effort into finding suitable contractors and materials to address this need. We decided on the Artstone (cast stone) to replace the current limestone steps. It is harder than poured concrete, less slippery than granite (and much less expensive), and has similar if not better resiliency and hardness as limestone. Artstone is manufactured precisely to the measurements of our needs. Finally, we can get it in a bit darker color than the limestone so the winter sun can evaporate snow and ice quickly.

As to the issues in the blockwork around the Parish Activities Center, we have been waiting for months for a contractor to come and do some stop-gap repairs on the holes in the blocks, and they backed out on the project. Looking at our funding and the fact that we will need to address the deteriorating blocks within a few years anyway, we hope to do the full repair and replacement instead of doing stop-gap measures. The work will include replacing blocks, replacing the caulk in the expansion joints, and cutting some new expansion joints where the cracking is at its worst. We estimate that at least 100 blocks will need to be replaced.

Again, I am available to answer any questions about these projects. I pray that you will prayerfully consider our request for a small additional Capital Campaign donation to finish out the campaign and complete these needed maintenance projects.

Ad Christum per Mariam,
Fr. Theisen

World Mission Sunday- October 21/22, 2023 – “Hearts on Fire, Feet on the Move”

Pope Francis invites us to celebrate World Mission Sunday with the entire Church on the weekend of October 21/22. This year we consider the missionary journeys and encounters of Christ in mission dioceses worldwide. The Society for the Propagation of the Faith helps through their immense work supporting and nurturing 1,100 new and struggling mission dioceses around the world. This year, we hold up Anne Attea, from our archdiocese, as an example of one whose heart was on fire as she traveled to several Central and South American mission dioceses and returned to share her life-transforming encounters. Join those around the world celebrating World Mission Sunday and express your missionary spirit by praying and financially supporting the Church's missions. Thank you.

St. Wenceslaus School PAC

Dear Parishioners, Parents, Grandparents, and Friends of SWS,

Happy 145th year for St. Wenceslaus Catholic School. We celebrated with a party in the school on Saturday. Past students, parents of students, grandparents of past students, and others came to the school to walk the halls once again. All of our current school staff and many of our past staff members gathered. Our current students were great entertainment. 145 years is a lot to celebrate. Our school began many years ago when the settlers of New Prague came together to build the church and then agreed that there should be a place for their children to go to school. The original school was held in the home of the first settler of New Prague, a German pioneer by the name of Anton Philipp. Many settlers of the Czech heritage shortly joined them. All of the founders were Catholic and wanted God to be the focus of their lives and to have faith at the center of their children's education. This long-standing principle is still carried through to our school today. Our mission as a Catholic school continues to be Christ-centered and faith-driven while also offering a solid academic structure. SWS has had 145 years of success with many accomplishments among our graduates and the school community at large that relate directly back to our school being there for the children of the day. This is truly remarkable.

Thanks to everyone, past and present, for your faith, trust, and dedication to our school.

FAITH FORMATION

The Leaves are falling!

The leaves are beginning to fall a bit. How beautiful they are, but can be a mess to clean up! We have some amazing volunteers ready and willing to help you out!

On Sunday, November 5, our confirmation youth will be traveling through our community to help those who want help. If you would like them to stop at your yard and clean up those leaves, call our Youth Minister, Britt at 952-758-0486. We need your name, address, and phone number.

We do not charge for this service but ask that you provide your own leaf bags. Thank you!

Heaven's House.

Did you see the new format for this fun family event? We will begin with 4:30 Mass on Saturday, October 28. After Mass, we will all enjoy a FREE hot dog supper, offered by our local Knights of Columbus. From there we will move on to the actual Heaven's House with Saints (portrayed by Confirmation teens) games, face painting, and treats! We would appreciate reservations so we can have a good estimate for our local Knights, but all are welcome! Call Britt at 952-758-0486 to register. Hope to see YOU there.

Confirmation Sponsor Event, October 15, 8:45-10:15 am.

Come enjoy a nice breakfast and time for the confirmandi and their sponsors to grow together. This is a mandatory event for all confirmation students.

Be on the watch for small group ministries forming in January/February ... here is another testimonial for how it has impacted one of our parishioner's lives:

My husband and I were fortunate enough to join a small couples Lenten group in 2020. Although COVID-19 canceled our in-person group sessions that year, we continued meeting via Zoom and have resumed in-person gatherings ever since. The value and takeaway we glean from this group is priceless. Not only have we cumulatively deepened our faith through scripture, lessons, prayer, and discussions, but the group topics have also inspired further discussions at home. Our faith is a life-long journey, and as parents, making our group sessions a priority in our sometimes-hecktic lives provides the opportunity to model to our children the importance of making time for God, too. I am so thankful for our small group; we have grown from acquaintances to dear friends who are now instrumental people in our lives. If you have any reservations about joining a group, I highly recommend you push yourself out of your comfort zone. The reward will be great!

Women in the New Prague area!

We are again hosting our autumn WON (Women Only Night) event on Sunday, November 5, with a fabulous speaker coming to enlighten us with her words and wisdom. As the event date draws closer more information will be made available. Please be sure you invite your friends and get the date on the calendar. It is a fabulous night to share with other women. Bring old friends; make new friends. Join us! Doors will open at 6:00 pm for refreshments and socializing.

Liturgy of the Word for Children.

We are up and running and have had great turnouts. We had about 20 kids and a few adults who joined Taylor and Jennifer Hanson for our first sessions. How wonderful to have this ministry available for our aged 4 through 4th grade youth. We want to be able to offer this each week, however, there are times when Jenny and Taylor cannot be there. We do have a couple of volunteers, but we could REALLY use more. Come down one week and see what is going on. Have questions? Talk with Jenny and Taylor or call Laura at 952-758-5131. You can make a difference!

MEA Break.

We want to remind you that we will NOT be having class on Wednesday, October 18. There is no school on October 19 and 20, so we give our families and catechists that night off. Have a safe and wonderful MEA break. See you all back here on October 25.
