## Mental Health Ministry

### BIPOC Mental Health Awareness Month

You are worthy of love and joy.  
You're allowed to ask for help.  
Your voice is powerful.

Each July honors the legacy of author, advocate, and trailblazer Bebe Moore Campbell with BIPOC Mental Health Month. Talking about mental health in communities of color means uplifting cultural strengths, honoring healing traditions, and recognizing how resilience is shaped by lived experiences. Mental health isn't just about what's going on inside. It's also shaped by how we're treated, what we have access to, and what's expected of us. For BIPOC communities, these factors can have an even bigger impact on mental health. Read more here.
